J. T. BAKER

Jessie Thomas "J.T." Baker

December 12, 1917-February 3, 1996

Rev. Jessie Baker was born in Union County, the son of the late Wesley Alexander Baker and Clemmie Elizabeth Moser Baker.

He and Jeanette Smith Baker were married in Hickory Grove, South Carolina, December 11, 1937. They had three sons and a daughter. One of the sons, Garry became a minister and is now pastoring the Red Cross Baptist Church in Oakboro.

Two uncles played an important role in his life. Uncle Jeta was responsible for starting two churches in Charlotte: the Wilmont Baptist Church and the Oakhurst Baptist Church. The second uncle taught at the Baptist Bible Institute in Fruitland and pastored several churches in the North Carolina mountains.

He was licensed in 1952 by the Wilmont Baptist Church, Charlotte, and ordained in 1953 by Sunset Road Baptist Church, Charlotte.

He served as Minister at Sunset Road Baptist, Charlotte; Liberty Baptist, Chester, S.C.; Clifton Second Baptist, Spartanburg, S.C.; Mt. Olivet, Camden, S.C.; and Oak Grove, Monroe, N.C. After his retirement in 1989, he served at Wayside Baptist Church, Oakboro, N.C.

PLEASANT GROVE BAPTIST CHURCH

History of Pleasant Grove Baptist Church

Pleasant Grove Baptist Church traces its beginning to a spirited hunger in western Stanly County. In this section of western Stanly County, the people were looking for a place to worship God. To meet that need, a brush arbor was built in 1833 at Pleasant Grove. A place for worship had been established.

The years passed. Between 1833 and 1851, the Brush Arbor was formed into Pleasant Grove Mission. In 1851, a revival meeting was conducted in the area. The meeting concluded with the Pleasant Grove Mission being organized into a Church. The revival meeting's evangelist, Reverend B. H. Carter, was called as Pleasant Grove's first pastor.

For 159 years, Pleasant Grove has provided a stabilizing influence for the citizens of Stanly County. Yet, change has taken place at Pleasant Grove. The 1833 brush arbor grew into a log cabin. The log cabin was replaced with a one-room frame building. Pleasant Grove grew to the point that the one-room frame building was replaced with a one-room brick auditorium. To that brick structure, Pleasant Grove added an educational building. The buildings of Pleasant Grove have changed over the years. But, Pleasant Grove's commitment to seeking ways in which to serve God has not changed.

Pleasant Grove has sought to be a cooperative church from its earliest days. In 1865, the Rocky River Baptist Association was formed at Pleasant Grove. Twenty years later, in 1885, Stanly Baptist Association was organized. Once again, Pleasant Grove was a charter member.

FIRST BAPTIST CHURCH, STANFIELD

History of First Baptist Church, Stanfield

The First Baptist Church of Stanfield was organized as Stanfield Baptist Church October 12, 1924 under the leadership of Rev. W. Joe Russell, who served as the first pastor.

The organizational meeting was held in Stanfield Presbyterian Church, on what is now Raleigh Street. Worship services were held there for approximately two years. Land was purchased in 1926 on Highway 200 to erect a brick structure which included a sanctuary and four Sunday School rooms.

Through the years the church grew in member and ministry to one another and in the community. One of the projects during this time was to sponsor a mission at Red Cross. This mission became Red Cross Baptist Church.

In the years renovations were made adding thirteen more Sunday School rooms and improvements including a fellowship hall and kitchen.

Today we are grateful to God for His blessings, for our Christian heritage and for the devoted service of our church family.

May we always seek God's will for First Baptist Church of Stanfield.

Nothing in these Bylaws shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

This Association is Southern Baptist and insofar as is practical, it will cooperate with and support the Baptist State Convention and the Southern Baptist Convention.

Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

ARTICLE XVIII

Proceedings of the First Day's Session at

PLEASANT GROVE BAPTIST CHURCH

Tuesday, October 29, 1996

Theme: FINDING GOD'S VISION FOR MISSIONS

Revelation of God's Vision

1. Helen Garner, accompanist at Memorial Church played the Prelude.
2. The hymn, "To Worship, Work, and Witness" was sung by messengers and visitors to open the first session of the Annual Session.
3. The devotion was led by Rev. Tab Whitley, pastor of Lakeview Church. He read from I Peter 2:9, and used the theme, "If we can get there, we should go". He closed in prayer.
4. Phillip Hunter, pastor of Pleasant Grove Church, gave information about the facilities at the church.
5. Before calling the Annual Session to order, Rev. Ronnie Vaughn, pastor of Centerview Church and moderator, explained that the gavel to be used had been given to the Association in 1966 by Pleasant Grove Baptist Church. At the sound of the gavel, the opening of the 112th session of the Stanly Baptist Association was constituted.
6. Farrell Shimpock, interim at Poplins Grove and Chairman of Credentials Committee, made a motion that those who have registered and those who will register later would make up the 112th Annual Session of the Stanly Baptist Association. This was seconded and approved.
7. The program chairman, Rev. Lowell Brown, pastor of Bethlehem Church, made the motion that the program as printed, with any necessary changes, would be the guide for the sessions. This was seconded and approved.
8. Rev. Mac Keck, Director of Missions, recognized pastors who have come to the Association since the last Annual Session: Robert Ellis to Aquadale, Toney Parsons to Berea, Tab Whitley to Lakeview, Grady Taylor to North Albemarle, Chris Wallace to Porter, David Howard to Union Grove, Ron Nichols to West Stanly, and Tim Kendall to Community (a church under watchcare). Associates: Don Treadaway to Highland, Gordon Huneycutt to Mission, Wyman Bolin to North Albemarle, Adam Hatley to Oakboro First, and George Ferrell to Prospect. Interims recognized: Yates Brooks at Mineral Springs, Dan Abernathy at Plyler, Farrell Shimpock at Poplin Grove, Bill Taylor at West Oakboro.
9. Introduced by Dan Hazlett, Herbert Gray, retired music director, sang, "So Unconcerned".
10. Ronnie Vaughn introduced our inspirational speaker, Greg Mathis, president of the Baptist State Convention.
11. Rev. Greg Mathis, read from Matthew 5. Beginning at the 21st verse, Jesus tells us: do not commit murder, watch your anger. He spoke about lust, divorce, telling lies, and about the way we react to "an eye for an eye". We are not to resist our enemies, but if they strike you on the cheek, turn the other one. If anyone would sue you for your tunic, give him your cloak. In those days it was illegal for anyone to take your cloak,

because that was your protection from the night. If you are asked to go one mile, go the second one. Even tho it is not in your job description, do all you can, remembering that determination gets the work done. It is work if we are to reach this state for Jesus Christ. It is in the second mile that we get our work done.

12. All joined to sing the hymn, "Lord Speak to Me that I May Speak."
13. The registration slips were collected.
14. The moderator presented the Committee on Committees report. Motion was made to accept, seconded and approved.
15. Motion was made that all Committee and Agency reports be accepted as written. This was seconded and approved.
16. Kinney Wallace, pastor of First Baptist, Locust, presented the Evangelism report and spoke to it: We cannot convict anyone, it is only the Holy Spirit that can do this. He challenged us to fast and pray one day a week. We cannot do anything without Jesus.
17. Mac Keck, Director of Missions presented the Prayer Committee report. In speaking to the report he also urged us to go beyond the first mile. Commit each one in your church in prayer.
18. Burley Moore, pastor at Oak Grove, and Chairman of the stewardship committee, presented his report, and announced the budget would be voted on tomorrow.
19. During the miscellaneous business Mac Keck presented the two churches that have been under watchcare for the past year: Community Baptist Church in Locust and Harmony Baptist Church in Stanfield. Motion was made to accept these churches into the fellowship of the Association. This was seconded and approved.
20. At this time Rev. Mac Keck and Mrs. Alda Miller were asked to leave the sanctuary. After a short time, they returned.
21. Registration showed 125 messengers, 19 visitors, and 27 pastors, for a total of 171.
22. Reports, already approved, were recognized on the Baptist Agencies: Christian Education, Baptist Retirement Homes, and Baptist Hospital.
23. Lowell Brown, pastor of Bethlehem Baptist Church presided and introduced Bill Morrow, Director of Church Relations/Planned Giving for the Baptist Children's Home. Rev. Bill Morrow explained that besides preaching, the Baptist Childrens' Homes is one of his first loves. He has been involved in Baptist Childrens' Homes ministry since 1980, when he went to Kennedy Home from Prospect Church to be the Director of that facility. Then in 1989 he was invited to Thomasville and joined the Development Dept., becoming the Director of Church Relations and Planned Giving. There are now 12 facilities scattered over the state of North Carolina that are a part of Baptist Childrens' Homes taking care of children, mothers and babies. At Odium House there is a small school building on campus. A facility for some 80 children at the Kennedy House is doing well. At the Mills Home there will be a new cottage, due to a donation from one man. In the Boys Home at Camp Cameron, groups of 8 boys live together with counselors. Goal for the Childrens' Home is $675,000, the goal last year was $650,000 and $663,000 was received.
24. Report was presented on the Annuity Board by Farrell Shimpock. In speaking to the report Rev, Shimpock asked how many churches were in the Annuity Program. Men who come through our churches and leave for other places, have the right to receive some help when they are older. They go the extra mile. He stated that he has come to the place in his life that the Annuity Program has been a great blessing to him. It is the Christian thing to do. Each church should seriously think about being a part of this Program.

25. Phillip Hunter reported on the "Biblical Recorder" . This paper has been a part of his life since he was a child. This is a paper of "our Convention", and we should read it regularly. There are glowing reports of what Baptists are doing for the cause of Christ, and those who are in need around the world.
26. The hymn, "Jesus Saves", was sung by messengers and visitors.
27. Tamara Chambers, music director at West Albemarle Church, sang, "Consider the Lilies", and "All Rise".
28. Rev. Ronnie Vaughn expressed appreciation to Tamara Chambers for her music, and to Dan Hazlett for the manner in which he is leading all the music.
29. The Moderator's Address was given by Ronnie Vaughn. He read from Joshua 14:6-15. He said he believed that God has given the Association a mountain to claim. And that God is preparing us to stand up before the Assembly. One day we will stand before Jesus. Some people seem to get respect by merely being. They have earned that respect. Caleb was that kind of man, and God had honored him. Caleb and Joshua were spies sent out with 10 others. Their report was to take the land as God had told them to do. Joshua had come to claim his promise. We are living in a time when a lot of Southern Baptists have lost their vision of the mission that God had given them. We seem to be spending more time today trying to keep people in than we are working to get more people in. We need to listen to the challenge that is come, not only from the Convention, but from pastors, who under the convicting power of the Holy Spirit have poured their hearts out with a message that has challenged that church to be the best they can.

    What we say with our lips must be supported with our lives. You can't sing God down, you can't shout God down, but when you get where God wants you to be and your heart is where God wants you to be, God will show up. Then there will be a difference in your lives.

    God never told us to make believers, He said to make disciples.
30. Phillip Hunter made announcements and led in the thanksgiving.
31. Supper was prepared on the Disaster Feeding Unit. Grilled chicken, baked potato, baked beans, dessert and beverage.

Preparation for God's Vision

32. Prelude was played by Gaylene Burgess and Cynthia Furr, accompanists at Pleasant Grove Church, to open the 7:00 session.
33. The Pleasant Grove Choir, under the direction of Susie Austin, sang, "Majesty".
34. The hymn, "Glorious Is Thy Name, O Lord", was sung.
35. Director of Missions, Rev. Mac Keck spoke to his report:

A. All are invited to Locust First Friday evening at 7:30 to hear more from Rev. Trevor Swart. Cabarrus and Union Associations have been invited to come with the WMU, and Baptist Men.

B. Silver Road Church is digging a foundation to put up a building for Fellowship and for Sunday School Classes. They could use volunteer help.

C. The Disaster Relief Trailer building is now being built at the Associational Center. As soon as we can get the bricks it will be finished. Also the food unit was used to prepare the supper this evening. The stewardship committee has recommended to the Executive Committee the starting of a special fund where you might give to cover the expenses of volunteers going out with the Disaster Relief Trailer. We do have some funds in that account at the present time.

D. One of the things volunteers did again this year was work at the Stanly County Fair. 388 people registered. There were 89 possible prospects, and 187 said they attended church weekly.

E. According to the "Digest of Letters" we show a plus in most areas. Had a small digression in the Baptist Men's area and the Music. The most disturbing was in the Missions Expenditures. If the figures were reported accurately on the Annual Church Profile, we show a minus of $114,285.

We thank you for giving to the Association. We did go beyond the budget this year. Some of the funds have been approved to be spent. Such as about $20,000 on the Disaster Relief Trailer building, $5,500 that will go toward the fight against the alcohol issue, another $5,000 voted to go toward the expenses of the World Missions Conference.

36. We will hear from volunteers in four areas:

A. Mr. Tom Mauldin, Romanian trip, a member of Paul's Crossing Church.

Paul's Crossing has gone to Romania for the past three years. The first year there were 3, the second year we had 5, this year there were 7 to go on the trip. Each one financed their own expenses, with help from the Association. In addition to this mission trip, for the last two years Paul's Crossing has provided workers for the homeless shelter in Salisbury.

On the trip to Romania, we are a part of a team, of medical doctors, nurses, dentists, pastors, and lay people from all walks of life. It is headed by Dr. Joe Craig, a retired dentist living in Charlotte, and his wife. The group is divided into 3 teams.

The first place the adults we are there to help, go after they register is to the Evangelism team and hear the Word of God before they can see a doctor or a dentist. The children are sent to the Bible Schools. Those who need medical help go to the doctor or dentist as their names are called. If they feel well enough after they have seen a doctor or dentist, they return to Bible School. There is a need for crowd control. Hundreds were turned away each day. There were 1700 professions of faith. 3500 were treated by doctor/nurses, or dentists. $350,000 worth of medication was carried with the team. God provides everything needed.

B. Julie and Jeannie Faulkner - St. Lucia trip.

Did work projects in the morning, Vacation Bible School in the afternoon, and visitation and Crusade in the evening. Had 4 VBS in the area. Children attended each session. Many were saved. Passed out tracts. Played games, had entertainment, sang songs. Did work projects in different areas: repaired a church building, painted a church pulpit, and did some cleanup work around a church. A group made charcoal. It is a chance to do what the Lord would have you do in reaching out to others.

C. Cletus Whitley and Jerry Barbee - Disaster Relief Trailer. At the present time, the trailer is pretty well equipped with what we need. District 6 takes in about 7 associations and while it is considered Baptist Men's work, there is a need for the women. There are about 53 volunteers right now, and there has been opportunity to go out to help. Would like to see enough people volunteer that there would be teams who could go when called. 500,000 meals were served in the Wilmington area after Bertha.

This evening we had the opportunity to sample a disaster meal. Normally do not have barbecue chicken, but otherwise it was a good example. In Wilmington 192,814 meals were served after Fran. Meals were being prepared 24 hours a day. Shifts were rotated with 86 people working. Volunteers are still needed.

D. Jon Hoey, Backyard Bible Clubs

Our theme for this session is "Finding God's Vision for Missions". South Albemarle Church decided to do 3 BYBCs instead of the traditional VBS. The one sponsored by the Association was at Green Acres Trailer Park. The area was canvased, and a place was found where we could have a BYBC. We had twice the number of children in the 3 BYBCs as we have had in the traditional VBS since coming to this area. Had classes from kindergarten to Youth. Had games, music, and we talked about Jesus Christ. Also

did counseling. Had 4 decisions for Christ at the trailer park. I would encourage you to do a BYBC this summer.

37. All joined to sing the hymn, "Where Cross the Crowded Ways of Life".
38. The Pleasant Grove Choir sang, "Jesus Is the Cornerstone", and "We Shall Wear a Crown".
39. Rev. Ronnie Vaughn introduced Rev. Kenneth Lambert.
40. Rev. Kenneth Lambert, pastor of Memorial Baptist Church, brought the Annual Sermon. He read from Daniel 11:29-32.

    Daniel was looking at the history of the people of Israel for the years to come. And with prophetic vision he is describing the period of Israel's history that is called the Greek-Roman period. We are living in a time when some decide there is no room for the one true God in our world. In its place they have placed a substitute. They don't want God in the schools, market-places, or any place they are. The only kind of knowledge that will save us is that in our hearts and soul we know our God.

    When we know God, He will give us the strength to withstand the pressures of our age. 50% Americans say they believe in God, but not necessarily the true God. God is calling us to missions. We need to be more committed to God and he will give us the spirit of power, wisdom, and love. We need to pray and support our pastors and staff, and be an active member of our churches.
41. Chris Wallace led in the closing prayer.

    133 Messengers, 26 Visitors, 32 Pastors, 4 Convention personnel, making a total attendance of 195.

54. Rev. Trevor Swart was introduced by Rev. Mac Keck.
55. Rev. Trevor Swart spoke concerning conditions in his area in South Africa. They do not have resources needed for the 40 million people. The area is the size of Texas. 100,000 have been baptized. There are 20 million in the Transval area with 150 churches. Training is needed. Construction is needed to build and to restore. There is a need for sports clinics.
56. Ronnie Vaughn expressed appreciation to Lil McElwee for her music, and spoke about trying to get teenagers interested in coming to Associational meetings.
57. Reports have been approved. Jessie Dennis spoke to the Foreign Mission Board report: Foreign Mission Study is scheduled for December 1 through 7th.
58. Harold McDonald spoke to Home Mission Board report — there are close to 5,000 Home Mission missionaries now serving.
59. Lowell Brown read the Resolutions Committee report.
60. The hymn, "O Master Let Me Walk with Thee" was sung.
61. With Lowell Brown presiding, organizational reports were given.

A. Sunday school report - Robert Dixon - a second ASSISTeam training will be held November 4th at Locust First. Plans to change the curriculum were noted.
Motion was made to hold High Attendance Day October 5, 1997. This was seconded and approved.

B. Discipleship Training - Ronny Russell

C. Baptist Men - Kenneth Lambert - looking toward a day of praise the middle of January and a time for witnessing training in February.

D. Woman's Missionary Union

E. Missions Development Council - Mac Keck spoke to this. A Hispanic Bible Study has been started by Jon Hoey in Albemarle.

F. Volunteerism - Mac Keck - Volunteers are needed and the challenge was made to pray about the involvement of each one.

G. Counseling Center - Harold McDonald. He introduced Gary McFarland, the Counselor.

Gary noted there are 13 Centers now in North Carolina. There is a need for Christian counselors. Our Counseling Center was begun in 1991, with four hours each Monday. There is now a need for more hours and we will probably do that shortly. He thanked us for our support and asks for our prayers.

I. Christian Life and Public Action - Nathan Fox -
There will be a conference at Caraway November 7th.
The topic of a lottery has come up. North Carolina is the only state in the Bible belt that does not have this.

62. Donnie Lovette, pastor to Oakboro, spoke to the Ordination Advisor Committee Report: Adam Hatley and Chris Wallace have been examined by the committee, and both are now ordained. Ordination is a confirmation of God's call.
63. Registration: 109 Messengers, 22 Visitors, 41 Pastors, total 163.
64. Dennis Helms presented the Memorials. There are 178 deceased from our 60 churches. He read from II Corinthians 4:13, and led in prayer.
65. Rev. Mac Keck installed the officers elected from the report of the Nominating Committee.
66. The hymn, "We've A Story to Tell to the Nation", was sung.

67. Sherry Poplin, pianist at Anderson Grove Church, presented special music: "Sheltered in the Arms of God" and "I Bowed On My knees and Cried, "Holy".
68. Rev. Burley Moore brought the Annual Sermon. He read from Matthew 16:13-20. The greatest need is for the church to be the church God intended. We need spiritual awakening. Apart from prayer we have nothing. In verse 18 we find foundation - Thou art the Christ. Building - upon this rock. Owner - Christ, the eternalist - the gates of hell will not prevail against it. Christ is the rock - not Peter. When you hurt the church you hurt Christ. In the last days there will be perilous times. The keys to Heaven - Keys are a symbol of authority. Our responsibility is that everyone hears the Gospel. Mere knowledge of Jesus will not save us, we must know who He is. True knowledge is to know who He is. We are to remember what He has done for us.
69. As the Session came to a close Rev. Mac Keck was called to the front of the church. For the Association, Kinney Wallace presented a trip to the Holy Lands for him and his wife, Janice. Then Alda Miller was called to the front by Mrs. Della Hollis, and from the Association, presented her with a trip to the Holy lands. She will leave January 31st. Rev. and Mrs. Keck will decide on the time and select the leader of the tour.
69. The 112th Session adjourned in prayer, led by Dr. Kinney Wallace.
70. Registration: 109 Messengers, 22 Visitors, 31 Pastors, for a total of 163.

    The first day registration - 195

    The second day registration - 163

Resolutions

We, the Resolutions Committee, on behalf of the officers, messengers, and visitors, meeting this 112th Annual Session of the Stanly Baptist Association, do hereby extend to First Baptist Church of Stanfield and Pleasant Grove Baptist Church, our sincere appreciation for their Christian hospitality the delicious meals we were served and for their efforts in making our meetings most enjoyable in every way.

Be it further resolved, that all messengers thank our clerk and secretary, Mrs. Alda Miller, for preparing the Book of Reports and for a job well done.

We further resolve that all messengers extend warm appreciation to our Moderator, Vice Moderator, Instrumentalists, Music Directors, and Program Committee for the fine program and the manner in which the sessions were conducted.

The messengers extend appreciation to our Director of Missions, Rev. Mac Keck, for his fine leadership of our Associational work, and we pledge our support and prayers to him in the work of the Association.

Be it further resolved as we close this 112th session of the Stanly Baptist Association that we pledge our support and prayers for the Pastors of the Churches in our Association, who constantly bear the burden for the lost, the sick, and the unchurched in our Association.

Be it also resolved that the messengers and friends of the Stanly Baptist Association dedicate the Minutes of the 112th Session to the memory of Rev. J. T. Baker, the retired former Pastor of Red Cross Baptist Church.

Annuity Board

Rev. Farrell Shimpock

Three boards of the Southern Baptist Convention focus on God's message. One, the Annuity Board, focuses on God's messengers. Our ministry is *Serving Those Who Serve the Lord.* We accomplish this through Retirement, Relief and Insurance programs.

For Retirement, participants and their churches or agency employers make contributions throughout their careers. The Annuity Board invests the accumulations according to participant goals and risk tolerances. Then, at retirement, each participant chooses from a variety of benefit options. In 1995, the Annuity Board paid nearly $200 million in benefits, and at December 31, there were 26,483 on the retirement benefit roles.

In that same year, Relief benefits totaled $1.29 million, with another $962,250 paid through the Board's Adopt An Annuitant Program.

Insurance benefits paid in 1995 totaled $101.1 million.

Many retired ministers and widows of ministers do not have adequate financial resources to meet their needs. The Annuity Board cares deeply about these people. The Adopt An Annuitant Program helps many. By "adoption," more than 2,000 annuitants with inadequate benefits receive an additional $50 per month. Others receive special assistance through our Relief ministry, funded primarily by Cooperative Program dollars.

While Relief will always be a vital part of the Annuity Board's work, we are committed to promoting proper planning and preparation for retirement and protection from disasters. To that end, the Annuity Board offers a wide range of products and services for Southern Baptist churches, associations, institutions, state conventions and their personnel.

The Church Annuity Plan is the retirement plan designed for paid pastors, other ministers and eligible employees. It is administered by the Annuity Board in partnership with state conventions.

The Personal Security Program and Employer Security Program offer a variety of insurance plans. They include term life, personal accident, disability and a choice of medical plans.

No Cooperative Program money is used for Annuity Board operating expenses.

Are your church and association benefiting from the Annuity Board's ministry? For personal assistance, call 1-800-262-0511. They want to serve you.

Baptist Children's Homes

Rev. Max Vanderburg

Our Baptist Children's Homes continue to provide much needed services for families and children experiencing problems.

With four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, and a home for teenaged mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year Baptist Children's Homes received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving offering. Total church gifts of almost $3 million comprised 26.2 percent of Baptist Children's Homes operating revenue.

Baptist Children's Homes is in the midst of a $10.1 million dollar "Light their way" campaign to raise money for operations, capital needs and endowment. At halfway point in June, more than $5.4 million has been committed to Baptist Children's Homes through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at 800-476-3669. Other videos are available.

Thank you for all you do for those who are being served by Baptist Children's Homes.

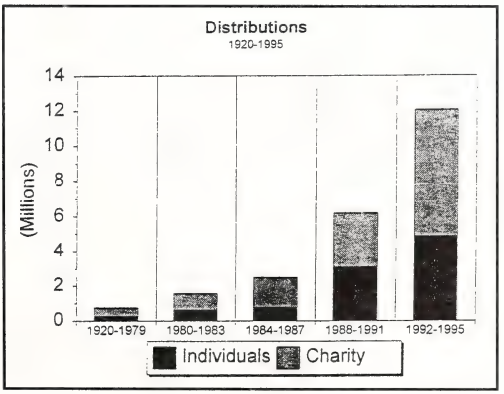
Baptist Foundation

Tony Bradley

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the N.C. Baptist Foundation totals: $9,673,682 income paid to individuals and $13,458.59 to Baptist churches, institutions and mission causes for a grand historical total of $23,132,261.



Baptist Hospital

Rev. Bill Myers

During this year various Chaplains serving in the Baptist Hospital made more than 55,000 pastoral contacts. The counseling centers had some 26,000 hours of counseling in the 11 centers. Next year two additional centers are planned.

Our state-wide Mother's Day Offering of $461,647 was used exclusively to assist those with no insurance or financial means to make payment for urgent medical service. Committed financial stewardship made it possible to lower the daily room rates to $50.00. The Hospital's Managed Care Company provided services this year to 30,500 patients.

The J. Paul Strich Center on Aging, opening in its new home this year, will not only provide specialized health care but will also provide day care programs for the elderly as a link between the Hospital and patient homes.

Since its founding in 1922, the Hospital has taken pride in a ministry of service. The Hospital has always had the goal of providing state of art patient medical care to make tomorrow's workplace constantly better. That historical goal remains the objective of the Hospital today.

Baptist Men

Rev. Kenneth Lambert

I commend and give thanksgiving to the Lord for the cooperative caring spirit of all of our churches, pastors, and laymen in Stanly Baptist Association. As a result of your cooperative team spirit, we have not only purchased and almost fully equipped the crisis trailer; but, the building to store the trailer is almost completed. However, the added blessing is the trailer has proven to be a wise step of faith for ministry, outreach, and caring by our Association. Since the purchase of the trailer, our Missions Project Coordinators have received numerous calls for us to come and help and assist areas that have been devastated by storms. During the month of September, we received over five invitations to work in areas that have been damaged by the recent storms. Just recently, three of our men served over a hundred meals at Southeastern Baptist Theological Seminary. Some of the men are planning to go and assist in the Wilmington area the last of September. If you are interested in assisting on some of the missions projects, please contact the Missions Project Coordinators and let them know of your interest and desire to be involved in this needed ministry.

I also want to encourage you to take every opportunity to be involved in the opportunities for building a stronger mission base of witnessing, outreach and missions in the Association. I trust and pray that you will permit the Lord to inspire and challenge you to use your spiritual gifts and abilities for the glory and honor of Christ.

The WMU and Baptist Men are working together to provide enrichment training for the people who work with the WMU, Baptist Men and RA's. It is our desire to provide witnessing training for the WMU and Baptist Men either in January or February of 1997. If you should have special needs or areas of interest for your WMU or Baptist Men, please let the appropriate people know.

Baptist Retirement Homes

THE BEST OF TIMES

Rev. Howard Benoy

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults.

This past year some new staff members have been added to help provide the kind of total care which residents need and deserve.

Several churches in the Fayetteville area have formed a non-profit corporation to lead a project. A 27 acre site has been selected. It will provide 105 Independent Living Units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

Thanks for your help and support.

Biblical Recorder

Rev. Phillip Hunter

What is one of the greatest threats a democracy can face? Certainly, an uninformed citizenry would qualify for such a distinction. What is one of the greatest threats that Southern Baptists face? One such threat is the fact that many Southern Baptists are uninformed of the events affecting Southern Baptist life.

Regrettably, some of those events tell us of conflict, disagreement, and dispute among Southern Baptists. While the secular news media relishes such occurrences, we do not like to read or hear about it? Will we choose to ignore what takes place within Southern Baptist life? It is the ministry of the *Biblical Recorder* to relate events, both pleasant and unpleasant, to the Baptists of North Carolina. It is not always an easy task. Yet, it is an absolutely essential task because the Baptists of North Carolina must be informed of what takes place within the Southern Baptist life. The provision of reliable and correct information is essential for Southern Baptists to continue in its role of leadership within the Christian Family. For 163 years, the *Biblical Recorder* has been that source of reliable and correct information for the Baptists of North Carolina. And, today, the *Biblical Recorder* continues to fulfill that role.

The *Biblical Recorder* offers several subscription plans for individuals and churches. The most recent of these plans is the Church News Service. CNS enables a local church to incorporate its newsletter into the pages of the *Biblical Recorder*. Further information on *Biblical Recorder* subscription plans can be obtained by contacting the *Biblical Recorder* Office in Raleigh at 919-847-2127.

Christian Higher Education

Rev. Randy Berryhill

What are many prospective college students looking for?

... A wholesome atmosphere that equips students to make a positive difference in the world ...

... A small, personal setting where the overwhelming 'megaversity' feeling does not exist ...

... An intimate family of peers, faculty, and staff that continues even after graduation ...

... A broad-based education that adequately prepares a student for his/her vocation and career transitions.

So, where can these prudent prospects find these college characteristics?

... 109 year old *Campbell University* in Buies Creek (800-334-4111)
... 148 year old *Chowan College* in Murfreesboro (800-488-4101)
... 91 year old *Gardner-Webb* University in Boiling Springs (800-253-6472)
... 140 year old *Mars Hill College* in Mars Hill (800-543-1514)
... 105 year old *Meredith College* in Raleigh (800-637-3348)
... 162 year old *Wake Forest University* in Winston-Salem (910-759-5201)
... 100 year old *Wingate University* in Wingate (800-755-5550)
... All were founded and are nurtured by the 166 year old *Baptist State Convention of North Carolina!*

The Convention's 1996 C.H.E. budget: $6,071,975.00 (20.41% of total budget). "These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering."

The 1995 enrollment ('96 not yet available): 23,005 with 4,179 graduates and 539 church-related vocational students.

Two colleges have new presidents: Dr. A. Max Lennon (Mars Hill) and Dr. Stanley G. Lott (Chowan).

Divinity schools: GWU graduated its first class in May, '96; CU opened its school in August, '96; WFU named Bill Leonard as Dean.

CHE Council administers theological education grants for students who will attend properly accredited seminaries or divinity schools other than SBC seminaries.

SBC Education Commission will cease to exist in June, 1997.

Christian Life and Public Affairs

Rev. Nathan Fox

Johnny R. Henderson, Executive Director of the Christian Action League of NC, and Joe S. Lennon, President, reported to the Associations on significant matters during 1996.

A. Christian Values The League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. The week culminated with an awards ceremony and reception for the winners of the statewide essay contest. The event was hosted at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date over 5,000 copies of the 11 x 11 prints have been distributed.

B. Lottery We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling.

C. Sex Education CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus of sex education in N.C. schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board Education in 1996 encouraging them to implement the law through abstinence-based curricula. The League has

also assisted communities in seeing that this law is properly implemented.

D. Homosexuality CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

E. Abortion The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. Although the bill did not pass this session, the League intends to work for its passage next session.

F. Alcohol CAL assisted several communities in organizing to combat liquor referendums.

Counseling Center

Rev. Harold L. McDonald

The Christian Family Counseling Center continues to perform an effective and meaningful ministry to the people of Stanly County. Through the month of June, a total of 81 out of a possible 96 available hours had been spent in counseling. It is under serious consideration to increase the hours for counseling to meet increasing demands. Gary McFarland is providing solid Christian counseling for a number of people within our county and the number continues to increase as knowledge of the availability of such a service spreads. Due to the extremely confidential nature of the counseling ministry, the full impact of such a service can never be calculated in concrete terms.

Such a ministry results in changed lives and in strength and comfort for those experiencing difficulties in their everyday lives. It must be sufficient for us, as an Association, to be assured that there are people in our county today living lives of peace and confidence because of an effective ministry of Christian concern and counseling.

Our counselor, Gary McFarland, is available for any questions following his final counseling sessions on Monday evenings. The Christian Family Counseling Center Committee meets on demand rather than a regular basis and receives regular quarterly reports on the number of hours, fees collected and subsidies required. The committee usually meets between one and three times during the course of the year to review and evaluate the ministry and to receive an updated report from Gary McFarland.

Director of Missions

Rev. Mac Keck

What a tremendous joy and privilege to be associated with such an outstanding group of believers and fellow family members of God. Thank you again for your support and cooperation during this past year in the Stanly Baptist Association. It is you, your prayers, your willingness to volunteer, your financial support and God that have accomplished all that has been done during this past year.

My year has not been much different than past years and not so different from many of your experiences. I have attended numerous committee meetings, conferences, conventions, and regular worship and prayer meetings. In addition to the regular church services I also have the monthly Associational Prayer Committee meeting, the monthly Ministers' Conference and also the monthly Preachers' Fellowship and Prayer Meeting.

Beyond these there are some things that you, the Association have done or agreed to do together. As an Association you have agreed to be a part of the partnership agreement with

Southern Africa to allow volunteers who feel led, to go there and assist in various ways according to requests that come to us from their land. The Disaster Relief Trailer is very nearly if not completely equipped and has been on the road in use to help those who suffered from hurricane Fran. The new building to house the trailer is nearing completion.

You have voted to support the fight against ABC Stores and alcohol availability by contributing $5,500.00 toward the expenses of this effort. Some 39 of our churches agreed to participate in the World Missions Conference in 1997 and you as an Association voted to pay $5,000.00 toward the expenses to help churches be able to hear from our missionaries. Many of those participating in the Annuity Board program came together at the Association Office to listen to Bob Henry, from the Annuity Board, explain changes that will be important to them in the coming years. We had a booth at the Stanly County Fair and were able to pass out witnessing tracts and give some scriptures away. All in all it has been a good year and we look for a greater year upcoming with all the opportunities God will place before us.

Discipleship Training

Dr. Ronny Russell

Discipleship Training is not a program that happens on Sunday evening or at any other time on the church calendar. It is more than TeamKid, Bible drill, Experiencing God or Making Peace with Your Past. Making disciples is a process that involves everything the church does.

In the Great Commission (Matthew 28:19-20) before Jesus said anything else, he said first to *"go and make disciples"* Therefore, the reason the church exists is to make disciples. Worship, music, Bible study, evangelism, missions and ministry all grow out of the process of making disciples. Every church has a philosophy of ministry, written or unwritten, spoken or unspoken. It is our basic belief about how ministry is done. Any philosophy that does not have disciple making at its heart and core is an inferior philosophy of ministry.

Bill Hull, author of several books on disciple making and co-founder of an intentional disciplemaking network, says that there are seven reasons churches don't make disciples effectively:

- Leaders don't know what a disciple looks like.
- Leaders don't know how to make a disciple.
- Leaders don't know how programs work together to make a disciple.
- Leaders have no way to measure progress.
- Turf guarders block process.
- Carnal leaders block process.
- Pastors haven't learned how to lead a church to change without splitting it or being a martyr.

There are a growing number of churches who are finally beginning to recognize that the primary function of the church is to make disciples. Won't you join them? Contact your Associational Discipleship Supporter or the Laity Leadership Team at the Baptist Building in Cary.

Evangelism

Dr. Kinney L. Wallace

Evangelism is that outreach arm of the Church which seeks to find the lost and bring them to Christ. Jesus said, "I have come to seek and to save that which was lost!" (Matthew 18:11) Evangelism is the imperative of the church given to us in our Lord's great commission to His Church. He said, "Go therefore and make disciples of all the nations, baptizing

them in the name of the Father and of the Son and of the Holy Spirit ..."

Our emphasis for 1996 has been the focus on the 1996 Billy Graham Crusade at the Ericsson stadium in Charlotte, N.C., on September 26-29, 1996. During this year many of our Churches, pastors and people have been involved in prayer meetings, planning, and preparation for the Crusade. Thousands are expected to be saved and brought to Christ through the Crusade. Other plans have included working on Operation Andrew, Discipleship, and Follow-Up The Crusade, just in preparation and expectation, has touched many lives. Many of our churches have seen lost people come to Christ through the Operation Andrew activities. Others will see results in the future.

As we look forward in 1997 we must look forward to obedience in Christ which drives us towards being "soul winners" for Christ. No, we cannot convict one person, nor can we save one person. This is the work of the Holy Spirit. However, we must be witnesses so that faith can come by hearing and hearing by the word of God. The Bible says, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in Judea and Samaria, and to the end of the earth." (Acts 1:8). This is not optional. This is a must! Therefore let us "Go" remembering His promise, "And lo, I am with you always, even to the end of the age." (Matthew 28:20)

Executive Committee

Rev. Terry Seamon

The Executive Committee of the Stanly Baptist Association has been active this past year. Some of the major actions include the following:

This past January, the motion was made and seconded to have another World Missions Conference, September 14-21, 1997. If your church has not yet voted to participate in this conference, please do so as soon as possible.

The Committee has approved and the work is nearly completed for a building to house our disaster relief trailer. The building is located at the Associational Center.

We have joined in the partnership with South Africa. Our Association, along with Cabarrus and Union have been partnered with a region in South Africa. The cost of volunteer trips to this area will be around $2,100.00. If you are interested in going, please contact Mac Keck.

Due to low interest rates, the Executive Committee authorized treasurer, Sam Turner, to invest $42,000 in Certificate of Deposits bearing a better return.

The Executive Committee has instructed the Counseling Center to work toward increasing the present 4 hour day to an 8 hour day as soon as possible. This will be done without an increase in the budgeted amount for this ministry.

The Executive Committee has approved $5,500.00 from the general fund to be ear marked for the fight against liquor in Albemarle.

Foreign Mission Board

Rev. Jessie R. Dennis

Jesus said: "Ye shall be witnesses unto me in Jerusalem, and in Judea, and in Samaria, and unto the uttermost part of the earth."

In this succession and pattern we reach out to our world. May God help us to bring all the peoples of the world to a saving faith in Jesus Christ. During the past year our Lord has wonderfully blessed the ministry of the SBC FOREIGN MISSION BOARD throughout

numerous ways. Please, God, bless all SBC churches for their help which undergirds the FMB. Without the cooperative efforts of all SBC churches, the ministry and mission of the FMB would only be a shadow of its present position.

Each year we are closer to reaching the world with the Gospel of Jesus Christ.

The following annual growth levels reflect the combined reports from all foreign mission points as of the beginning of 1996:

(1) A record number of newly constituted churches: 2,612
(2) Total number of countries where missionaries reside: 131
(3) Number of new people groups touched by the Gospel: 41
(5) Baptisms among least-reached peoples: 6,548
(6) Total number of missionaries: 4,129
(7) Total number of short-term volunteers: Over 15,000
(8) Total number of newly appointed missionaries: 544
(9) Record amount of Lottie Moon Offering: $89.9 million
(10) Increase in enrollment in discipleship programs: 74%
(11) Number of new cities opened to the Gospel: 528

SBC CHURCHES support the Foreign Mission Board in many ways. Daily prayer through its members, sacrificial giving through the Cooperative Program, and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the Gospel of Jesus Christ.

As missionaries preached, taught, healed, and counseled, Stanly Baptists were there. The FMB counts it an honor to partner with you as we spread the Gospel of Jesus Christ to every person in our world.

The week of December 1-7 is a time of focus on Foreign Missions and the Lottie Moon Christmas Offering in the SBC. It is hoped that every church affiliated with the Baptist State Convention will take advantage of the opportunity to learn, support, and participate in Foreign Missions.

General Board

Mr. Wayne Mabry

In November 1995, during the annual State Convention in Winston-Salem, N.C., it was my honor to be elected a member of the General Board of the North Carolina Baptist State Convention. I accepted this honor after prayerful consideration, and with a desire to make a meaningful contribution to the furtherance of God's Kingdom.

Being assigned to the Business Management Committee gives me an opportunity to witness the dedication of the staff and employees at the Baptist Building, Caswell, and Caraway to the practice of good stewardship of the gifts and possessions that we, North Carolina Baptists, have been so bountifully blessed.

In conclusion of this report, it is my desire that my service on the General Board will show my appreciation for the loyalty and fidelity of those who have previously served on this Board from churches in the Stanly Baptist Association.

Home Mission Board

Rev. Harold L. McDonald

At the end of 1995, the Home Mission Board had a total of 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. In addition, the Board has endorsed more than 2,400 chaplains who are serving in health care

agencies, institutions, businesses, the military, and pastoral-care roles. Almost 2,300 Mission Service Corps volunteers are serving on home mission fields. 1995 saw 1,458 new churches established, the second highest number in ten years. A total of 393,811 people were baptized in Southern Baptist Churches during the year, an increase of nearly 15,000 over the previous year.

The Home Mission Board is supported in two essential ways — (1) the Annie Armstrong Easter Offering and (2) the Cooperative Program. In 1995, the Annie Armstrong Easter Offering totaled $38,908,339. The Cooperative Program provides approximately 3.5 percent of the Home Mission Board's income. Areas in which the Home Mission Board is active are the Chaplaincy Ministries, church loans, Associational administrative services, language missions, volunteer programs, prayer and spiritual awakening efforts, mass evangelism, and Alternatives to Abortion Ministries.

Literacy Missions

Mrs. Susan Brooks

We have not had an active Literacy Missions program in our Association. This year we are hoping to conduct a Conversational English Workshop. The workshop would train tutor volunteers to help non-English speaking individuals to learn to speak English. There is a need in our area for trained volunteers.

This training would help tutors to organize a Conversational English Ministry. This ministry would be an evangelistic tool for our Association. We could reach out to others in our communities. There would be new witnessing opportunities for us through this ministry.

Missions Development Council

Rev. Terry Seamon

The Missions Development Council continues to be used of the Lord to help our Association develop a greater missions awareness and involvement.

The Council recommended and the Executive Committee approved volunteer missions funds to be given for two to Romania, and four to St. Lucia, at a total of $2,332.00.

During the year, the Missions Development Council was asked to investigate the need for, and possibility of, a ministry to ethnic groups in our country. After research, the Missions Development Council chose the Hispanic population. A census was taken, and there is sufficient numbers and interest to continue to pursue a ministry. This year's council will continue to look for ways to begin this ministry.

Once again this year, the Association had a booth at the County Fair. We gave out Gospel tracts, and had individuals to fill out entry forms to receive one of three Ryrie Study Bibles that were given away. We had several people fill out entry forms and the intention is to give the names and addresses of anyone who does not have a church home to the church closest to them. Over all, this booth at the fair gives our Association positive exposure to the County at large. We hope to continue this next year.

For the second year, we have held Backyard Bible Clubs. This year three were held: one at the same place as last year, Hillview Mobile Home Park in Stanfield, with workers from Kinza Memorial Church, closed with an enrollment of 61. The second was held at the McSwain Mobile Home Park, on the Canton Road. Porter led, with volunteers from other churches, and the enrollment was 26. One child accepted the Lord as her Savior. The third was led by South Albemarle Church at the Green Acres Mobile Home Park. The enrollment was 27, and four children invited the Lord to come into their hearts.

As a Council, we have sought to develop missions in our own county, across our Country, and around the world.

Music

Rev. Larry W. Petrea

God's people should be a singing people. Our Christian faith should be a singing faith. Music draws us in praise and adoration to worship our Lord and Saviour. It is in our worship that we encounter God allowing Him to draw us to deeper levels of commitment.

Music serves as an important part of Christian worship. There are times when a song may touch the emotions and spirit of a person in a way that spoken words could never do. It is often said that music prepares our hearts for the sermon of the worship service.

Our association provides assistance for our music directors and musicians through meeting and material helps that are made available to them. The churches throughout the Stanly Baptist Association have participated in the Billy Graham Crusade by having a choir represented at the Crusade. The main objective of the choir was that of praise, witness, and worship.

An old proverb says, "Sing with gladness and banish sadness." Much is said in the Bible about singing and hymns, but an all time favorite Scripture would be Psalms 100:1-2 "Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing."

North Carolina Missions

Rev. Lowell Brown

Many NC Missions Offering projects are actually Association/State Missions programs receiving money and leadership support from both the Baptist State Convention and local Associations.

For example, the Stanly Association received approximately 10 percent of the 1995 special offering collected in the association. Last year (1995) $4,192.89 of the $41,920.82 collected from 36 of the association's 60 churches was sent back to the association.

In addition to the money sent directly to the association, other offering monies were used in 1995 to finance mission projects in the associations. If the Stanly Association received additional monies, they were disbursed as listed below. In 1995, the NC Missions Offering also supported NC WMU, NC Baptist Men, and Youth and Campus Ministries. The number of individuals in the Stanly Association who participated in these groups in 1995 are:

33 Boys to Camp Caraway
10 Persons to Church Brotherhood Leadership Training
1 Person to Disaster Relief Training
30 Girls to Camp Mundo Vista
55 Persons to NC WMU Regional Training
9 Persons attending NC WMU Associational Training
18 Girls to Acteen Camp

The mission needs in NC are great. Did you know that in NC there are:

Over 7.3 million residents
Over 32,000 prison inmates
Over 21,000 blind persons
Over 12,000 deaf persons
Over 50,000 migrant farm workers
Over 8 million tourists who visit our state every year
Over 3.5 million unchurched people

Through the NC Mission Offering, we can offer help and hope. The following churches in the Stanly Association, according to Baptist State Convention records, gave to the 1995 offering:

Albemarle First
Anderson Grove
Antioch

Ordination Advisory Committee

Rev. Donnie Lovette

On Thursday, March 21, 1996, the Ordination Advisory Committee of the Stanly Baptist Association met for the purpose of examining Chris Wallace for the Gospel Ministry.

This meeting was at the request of First Baptist Church of Locust, for Porter Baptist Church which had called Chris as Pastor.

Present at the meeting with the candidate were members Lovette, Hopkins, Connell, Dennis, Hicks, visitors Kinney Wallace, and Deacon Virgil Hinson from Porter.

After extensive questioning, it was the unanimous decision of the committee to recommend to the Locust First Baptist Church, the ordination of Chris Wallace.

On Sunday, April 14th, we then shared this information in the Ordination Service for Chris at Locust First.

Prayer Committee

Rev. Mac Keck

The Association Prayer Committee for the year 1995-1996 was composed of two lay women, one lay man, three pastors of our churches, our moderator and myself. Our meetings are now scheduled for the third Tuesday of each month. We meet to pray for the work and ministry of the Association. Normally those who are prayed for are not even aware when requests are being lifted up to our Heavenly Father on their behalf. We pray for events in the Association that are about to take place, programs, program leaders, pastors and committees. For those churches who are seeking pastors our committee prays that God will lead them to that certain individual that He has in mind to lead their church.

This year we felt privileged to be a part of the Billy Graham Crusade because we had months to be involved through prayer. No one knows but God how many lives have been or will be changed because of the crusade and the prayers of God's people. One thing we know, we have a great honor and privilege to be a part of God's work here on earth through the avenue of prayer. When God is dispensing His rewards I feel certain most all of us will be surprised to discover how many are going to those who have proven their faithfulness to continue in sincere prayer.

We continue to petition God for Spiritual Awakening and Revival in our County and across our land. We believe God desires to bring a healing to our land because of the immorality and corruption that is so evident and so we will continue to pray and believe that God is able and will honor His Word when enough of His people become serious about praying and seeking Him in their own lives. Our prayer is that there will be fervent, unrelenting prayer before God until we witness the unmistakable moving of God in our land. Pray with us.

Stewardship

Burley W. Moore

God has permitted us the privilege of being stewards of His many blessings. A steward is not an owner, but a mere manager of that which belongs to another. Every good and perfect gift that we have is from Almighty God and we need to see ourselves as stewards of what He has entrusted to us. Therefore, this business of stewardship is both a privilege and responsibility. May we, as individual believers, local churches, and an association, take this matter seriously and try to please God in the expenditure of our time, abilities, and finances.

The Lord has greatly blessed Stanly Baptist Association in many ways. One of those ways has been in the leadership to us by our Director of Missions and the Administrative Assistant. Be sure to let them both know how much they are loved and appreciated.

There are many future possibilities of ministry in the association, but those possibilities can only be realized by the faithfulness of our churches in giving. The 1996-97 budget reflects an increase of 2.99% over the previous year. Let's join hands and hearts together to see the work of the Lord go forth in days ahead. God will bless and meet our need as we first learn to give of ourselves without reservation unto the Lord.

Sunday School

Robert Dixon

Again this year, each of the 60 churches of the Stanly Baptist Association offered Sunday School. The combined enrollment totaled 9,809, an increase of 108. 33 churches reported an increase in enrollment, 23 reported a decrease and 4 reported no change. Due primarily to an emphasis on Homebound Ministry, Antioch Church reported an increase in their enrollment of 68; First Church, Albemarle gained 54 and Canton Church increased by 44. Antioch's increase was 174%, Canton's was 20% and both Dunn's Grove and Fellowship Churches increased their enrollment by 18%.

On an average Sunday morning, there were 5,799 persons attending Sunday School among our churches. This is a decrease of 223 from the previous year. As a point of reference, imagine a church that had averaged 223 in Sunday School in 1994 (most of our churches average fewer than this). Now, imagine that same church going out of business last year. 22 of our churches reported an increased average attendance, 4 reported no change and the other 34 reported a decreased average attendance. West Stanly Church improved their average attendance by 18, Memorial Church by 15 and Kinza Memorial by 14. East Albemarle Church had a 43% increase in average attendance while West Stanly Church increased by 38% and Mount Calvary was up 15%.

Teacher improvement instruction exists on the local level (Associational Assist Training), the state level (Caraway and Caswell) as well as the national level (Ridgecrest). Sunday School continues to be the best way to grow a church both spiritually and numerically.

Volunteerism

Many of our people obeyed the commandment Jesus gave just before He ascended into heaven, "Go ye therefore, and teach all nations ..." (Matthew 28:19) They have gone to the foreign field, the home field, and served locally.

Thirty-seven men and women from South Albemarle Church went to St. Lucia in the West Indies. There, they did some construction work and made charcoal from "scratch." They participated in four children's Vacation Bible Schools where many children accepted Jesus Christ as their Lord and Savior. An evangelical crusade was held in the evenings at the local church, and they distributed over 3,000 Gospel tracts.

The pastor, his wife, and five laymen from Paul's Crossing Church traveled to Brasov, Romania with a medical-evangelism team and were involved with preaching, witnessing, Backyard Bible Clubs, and distributing Gospel tracts.

Ten youth and three adults from Anderson Grove Church went to Warsaw, NC to work with the Eastern Baptist Association. The work was sponsored by the Iglesia Bautista Hispana Marantha, a mission of the First Baptist Church of Clinton, NC. They did puppet shows, held worship services with the Hispanic speaking people, and took part in an Hispanic picnic.

Seven girls and four adults from Philadelphia Church went to Ulah, ND. They worked with a church of 20 members, holding BYBC and did clowning.

Our Disaster Relief Trailer was used 3 times to help clean-up after Bertha and Fran, going to Wake Forest/Raleigh with 26 men and women (22 being from Philadelphia Church). They also served at Smithfield and Kinston. Nine also served on the feeding unit at Topsail and eight went to Kinston. Volunteers from Bethel and Antioch Churches also helped clean-up after the storms.

Volunteers from Antioch Church held worship services at Britthaven and Stanly Manor each Sunday this past year.

Two Hundred and One Hispanics were located during a census taken in the Stanfield and Norwood areas. The possibility of starting a Mission and teaching an English speaking class is being discussed.

As a result of volunteers serving at the Stanly County Fair, 388 people were registered at our booth and witnessing tracts were given out. Three study Bibles were also given away.

Three Backyard Bible Clubs were held in Mobile Home Parks, with a total enrollment of 102, and 5 children were led to Jesus Christ.

If you have done mission work this past year, and it is not indicated, we are sorry, but it is because we did not know it.

Woman's Missionary Union

Mrs. Joyce C. Whitley

1995-96 has been a year of growing and learning as we began to undertake the changes in format which allowed more diversity and flexibility in our WMU organization. We set our own goals and objectives for the first time and feel some success in our accomplishments. Being able to focus on our own associational needs has allowed us to look closely at ourselves and find areas in which the need for missions can be strengthened. Communication among the churches and the leadership team is a continuing priority in achieving this end.

The emphasis for 1995-96 was "Risk the Journey." We must step out of our comfortable paths to minister to those that need us. May we continue to look beyond ourselves to further the work and will of God.

Our WMU Annual Session and Leadership Workshops were well attended. Thank you to the host churches. We were also able to present a WMU Scholarship to Miss Elizabeth Holder from Bethel Church.

WMU hosted an Association-wide Home Mission Study in March to spotlight our chaplains. Four speakers gave inspiring messages on the many aspects of Chaplaincy. Thank you to all who made this study a success.

Thank you to all pastors, churches, leadership team members and dedicated workers that contributed to WMU this year. May God continue to strengthen all of us to His service.

Youth

Rev. Mark Beasley

This year the attempt was made to form and make use of a planning group made up of full and part-time youth ministers from our association. Our initial meeting was in February. Over the next few months, we had youth ministers from Albemarle First, Anderson Grove, Highland, Locust First, and Mission join together seeking to identify the needs of teenagers in our community and how we might meet those needs. Many good thoughts and ideas were shared and much time was spent in discussion, thought, and prayer. In May we jointly came to the conclusion that this year's probably most single important religious event was taking place in our own backyard...the Billy Graham Carolinas Crusade... and we needed to tie into this once-in-a -life-time event.

After much discussion, many ideas and finally a meeting in Charlotte with the Crusade director, Scott Lenning, we were able to arrive at a goal and to begin seeking to meet it. Our goal became to provide to the churches of our association an easy and efficient way to take youth from their churches and communities to the Crusade at no (or little) cost. After planning and publicity, we had seven churches respond with a total of 141 reservations for Youth Night at the Crusade. As of the writing of this report, our trip has not taken place, but it is our prayer that God will touch many lives through this effort.

In our association, many churches have youth groups that are quite involved in their ministries for our Lord. One of the greatest needs of this time is for our churches, especially our youth leaders, to maintain the cooperative spirit that has enabled our denomination to achieve so many things in the name of Jesus Christ. We must remember that so much more can be accomplished when we work together, than when we work alone.

CENTERVIEW BAPTIST CHURCH

History of Centerview Baptist Church

Centerview Baptist Church was organized in 1940 with Reverend S. L. McIntyre serving as its first pastor. The congregation held services in a tent in the Centerview community until the church was built on Gray Street in early 1942. In 1945 the church membership had risen to 83 with a Sunday School attendance of about 70.

On May 17, 1953 the church family moved to their present location on the Palestine Road which is now known as Centerview Road.

Through the years there have been several additions and improvements. Most recently the church family remodeled the existing sanctuary and has done extensive work on the church grounds. Presently plans are being prepared for educational additions and new church offices.

Centerview has had 20 different pastors since it was organized and the present pastor, Rev. Ronald C. Vaughn has served since May 1984. The present resident membership of the Church is 453.

MEMORIAL BAPTIST CHURCH

History of Memorial Baptist Church

Memorial Baptist Church, Norwood, was constituted March 26, 1969 with 150 charter members, the majority of whom came by letter from Norwood Baptist Church.

The church had its beginning with prayer meetings in homes and the first worship service was held at South Stanly High School on November 24, 1969. Rev. A. S. Hale, retired minister from Winston-Salem, was called as interim pastor and served until December 1969 when Rev. Nathan Fox became pastor. Upon completion of the Sanctuary and educational building, dedication services were held March 28, 1971, and the property became debt free March 30, 1976.

Rev. Nathan Fox continued his pastorate of Memorial Baptist Church for 23 years and retired in June 1991. Rev. Kenneth Lambert became pastor in May, 1992 and continues to serve the congregation of Memorial Baptist Church.

STANLY BAPTIST ASSOCIATION

Bylaws

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following Bylaws. Nothing in these Bylaws shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

This Association is Southern Baptist and insofar as is practical, it will cooperate with and support the Baptist State Convention and the Southern Baptist Convention.

ARTICLE I
NAME

This body shall be known as the Stanly Baptist Association.

ARTICLE II
MEMBERSHIP

The Association's membership shall consist of affiliated churches.

Section 1. **Conditions of Affiliation.**

A. An affiliated church shall be one supporting the denominational program, the doctrines, policies and finances of the Association.

B. The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using **"THE BAPTIST FAITH AND MESSAGE,"** as adopted by the Southern Baptist Convention 1963, as a guide for interpretation but not intended to be used as a creed.

Section 2. **Process for Receiving Affiliated Churches into Membership.**

A. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the Annual Meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relation to other churches of the Association and its willingness to abide by the charter and Bylaws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next Annual Meeting.

B. If, at the Annual Meeting, the Association accepts the recommended church by a 2/3 **majority** vote of those present and voting, then the recommended church shall meet the following requirements:

1. That the recommended church be placed under the watchcare of the Stanly Baptist Association for a period of one year.

2. That the recommended church shall send non-voting representatives to attend the Executive Committee meetings of the Association.

3. That the recommended church encourage the Pastor to attend the Ministers' Conference.

4. That the recommended church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

b. A report of monetary receipts and disbursements quarterly.

c. A report of ownership and property and real estate annually.

5. Member of watchcare churches shall not be eligible to serve on any elected or appointed committees, program directors, or as officers.

C. Any affiliated church that has been received under the above procedure under the watchcare of the Association for a period of one year, may at the next Annual Meeting request approval of its full affiliate and membership status. It shall give notice of its intent to seek such full status to the Missions Development Council which shall make a recommendation for action by the Association. The Association meeting in session shall receive the recommendation and vote on the request of the church. A two-thirds majority vote of those present and voting shall be required for acceptance of full membership status. The Association may, alternatively, vote to continue the watchcare status for another year. Should no motion receive a two-thirds approval, the church's relationship to the Association shall be severed.

D. Removal from Membership: By a majority vote of two-thirds of those present and voting at the Annual Meeting or properly called Special Meeting, any church may be removed from membership status. Any motion to remove such membership status, however, must be made by the Executive Committee which prior to any vote shall advise the church subject to such action of the proposed motion and provide an opportunity for the church to address the Executive Committee.

E. Any affiliated or watchcare church may withdraw from affiliation by written notice from the pastor or messengers of that church, after an appropriate church vote.

ARTICLE III

Such rules, however, may be suspended by the Moderator when they conflict with a commitment to full discussion of the issues, or where their mechanical application would confuse or distort or unduly delay the process. Any diversion from ordinary procedures may be challenged by messengers, and a vote shall be taken on whether the procedures adopted by the Moderator will be sustained. The decision of the body on any such challenge shall be final.**

Section 5. **Absence of Moderator. In the event that the Moderator and Vice-Moderator are absent, the session members will elect by plurality vote a man to "alma moderator" for that one meeting with the responsibility of the position, Moderator. The Directors shall not have power, except as expressly authorized by the Association meeting in proper session, to purchase or sell or encumber any real or personal property, to install or remove officers or staff, to amend the Bylaws or Charter, or to bind the corporation to any contract. Consistent with our spiritual principles, Baptist polity and long term practice, the Association as a whole retains the authority to govern the affairs, spiritual and temporal, of the Association. A majority of the Directors shall constitute a quorum.

The rules governing the meetings of Directors, including, but not limited to, the time for meetings, notice of meetings, and required percentage for approval of votes, shall be the same as those for the meetings of the Associational Council. Meetings may serve as both the Associational Council meeting and Board of Directors' meetings at the same time.

ARTICLE XV
VOTING

ARTICLE XVI
DISCIPLINE

Section 1. **Types of Discipline.** The Associational Executive Committee may recommend the formal discipline of any member church by censure, suspension or revocation of membership for any conduct they deem prejudicial to the interests of the Association and the cause of Christ.

Section 2. **Procedure.** All disciplinary proceedings and actions shall be undertaken pursuant to Biblical commands especially the process set forth in Matthew 18, and the spirit of the Biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal Association action.

Section 3. **Reasonable Efforts.** No member church shall be disciplined, nor recommendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Committee in person and to forward information relevant to the matter.

Section 4. **When Made.** Any recommendations regarding discipline shall be made at a regular or special business meeting with prior notice of the general subject matter and proposed recommendation being provided shall be given an opportunity to be heard at the Associational Meeting. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII
WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Stanly Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

Section 4. **Voting.** Voting shall be limited to messengers, or an elected messenger's alternate, voting in person.

Section 5. **Special Procedures.** On any motion properly before a business meeting of the Association dealing with the purchase or sale of property, the employment terms or salaries of Association staff, or the affiliation relationships of the Association, where the Association has not announced at least seven (7) days prior to such meeting the general subject and nature of the proposals to be voted upon at such a meeting, any member of that body may, by request at such a meeting, require that the motion be tabled and referred to the Associational Executive Committee who will have up to thirty (30) days to make a nonbinding recommendation regarding the proposal. Upon their recommendation or the expiration of thirty (30) days, the members may vote upon the motion.

Proceedings of the First Day's Session at

MEMORIAL BAPTIST CHURCH

Tuesday, October 28, 1997

Theme: *People Sharing Jesus*

Empowered to Share Jesus

1. Mrs. Helen Garner and Rev. Justin Hill played the prelude.
2. The first session of the 113th Annual Session convened with the messengers and visitors singing, *Stand Up, Stand Up for Jesus*. The music for both days will be under the direction of Mr. Dan Hazlett, Associational Music Director.
3. Devotion was led by Robert Ellis, pastor at Aquadale Church. He read fron I Corinthians and led in prayer.
4. At the sound of the gavel, the Moderator, Rev. Ronnie Vaughn, pastor of Centerview Church, declared the 113th Annual session open.
5. The motion was made that all the reports, as printed in the Book of Reports, be approved. This was seconded and approved.
6. The Moderator, speaking for Rev. Howard Benoy, member of the Credentials Committee, who could not be here, made the motion that all those who have registered and those who will later register, make up the 113th Annual Session of the Stanly Baptist Association. This was seconded and approved.
7. The Program Committee Chairman, Rev. Lowell Brown, pastor of Bethlehem Church, moved we adopt the printed program as a guide to these sessions. This was seconded and approved.
8. Rev. Mac Keck, Director of Missions, recognized pastors who have come into the Association since the last Annual Session: Keith Austin, interim to Berea —Steve Jackson, pastor at Dunn's Grove — Gerald Lanier, interim to Kinza Memorial — Gerald Baucom, pastor at Freedom — Danny Laws, to Mt. Calvary (came from Dunn's Grove) — Alvin Melton to Plyler — Terry Burris to Poplins Grove — Kenneth Martin, probably moving into the parsonage as pastor at Mineral Springs at this moment. Sid Martin, Minister of Music at Canton. Bill Taylor, interim at Stanfield First — Russell Myers, interim to Kendalls — and Nathan Fox, interim to West Albemarle.
9. Ronnie Vaughn recognized visitors: Luther Osment, from the Retirement Homes.
10. Special Music: Mrs. Gale Hoey sang, *Is There a Heaven For Me?* and Jon Hoey sang, *I'd Rather Have Jesus*. Mrs. Elaine Russell accompanied both Gale and Jon.
11. Ronnie Vaughn introduced the guest speaker, Rev. Kenneth Riddings, soon to be president of the Fruitland Baptist Bible Institute.
12. The message from Kenneth Riddings came from the Book of Jonah. It seems impossible that someone knowing as much about God as Jonah did, would do the things he did. Jonah was angry with God. Jonah knew that God is the God of all

grace, and he has chosen to give that grace to us. God is slow to anger, a patient God, puts up with a lot. Our God is a God of forgiveness. How can we know so much about God and do so little? When Jonah did what God told him to do, everyone heard, believed, returned, repented, got right — even the king. There are reasons why we should be obedient:

1. because specific assignments never change.
2. senseless assumptions will always confuse and cost.
3. supernatural activities will forever confront.

Miracle after miracle was performed by God:

a. He hurled the winds.
b. He prepared the whale (so called in Matthew 12:40)
c. He grew a weed overnight.
d. He controlled the worm.

God did all this for PEOPLE who don't know Him.

13. Lowell Brown led in prayer.
14. The hymn, *All Hail the Power of Jesus' Name*, was sung by Messengers and visitors.
15. Registration slips were collected.
16. Associational Business I.

Rev. Otis Goins, pastor of Immanuel Church, presented the Committee on Committees report. Motion was made, seconded and approved.

Mr. Wayne Mabry presented the report on the General Board, then spoke to it. The General Board will meet shortly and make decisions.

Rev. Lowell Brown presented the Executive Committee Report.

Rev. Kinney Wallace, pastor of Locust First Church presented the report on Evangelism.

Rev. Mac Keck, Director of Missions report and the Prayer Committee report. He spoke to the report. He did the plus and minus on the figures on the Digest of Profiles.

Mr. Sam Turner, treasurer. Financial reports, disbursements, contributions.

Rev. Ronald Honeycutt, pastor of Anderson Grove Church, presented the proposed budget for Rev. Burley Moore. This will be voted on during the business time tomorrow.

17. Registration count — 158.
18. Rev. Lowell Brown, Vice-Moderator, presided over the meeting.

Agency reports were given:

Christian Higher Education — Rev. Tab Whitley
Baptist Hospital — Rev. Ronald Honeycutt.
Baptist Children's Homes — Rev. Danny Laws.
Annuity Board — Rev. Farrell Shimpock.
Biblical Reporter — Rev. Phillip Hunter.
Baptist Foundation — Rev. Bobby Mowery.
Baptist Retirement Homes — Rev. Robert Ellis.

Rev. Luther Osment spoke for the Baptist Retirement Homes. He expressed ap-

preciation for help at the Open House and Barbecue at the Taylor House, September 9, 1997. The fastest growing group in America is those 85 years of age and above. The second is 75 years of age and above. 12 years ago there were 200 in residential care — now there are 500 and growing. Two major facilities are on the drawing board, one in Fayetteville and one in Concord. The special offering for older adults will be taken in February.

19. The hymn, *There's Within My Heart a Melody*, was sung by all.
20. Lowell Brown introduced Ronnie Vaughn, Moderator, and pastor of Centerview Church.
21. Moderator's Address — Rev. Ronnie Vaughn.

    Prepared to Hear, Isaiah 6:1-9.

    God was about to send His message of impending judgement, and Isaiah would be that messenger. But first he had to be prepared to hear. King Uzziah was dead and the nation was in rebellion against God's will for their lives. When all seems to be going the wrong way God is still on the throne. Isaiah is allowed to see into the very throne room of God and experienced His Holiness. In his humble state he is prepared to be the Messenger of God. His awareness of the majesty of God is renewed. He is repentant of personal sin. He is aware of public sin. He is then forgiven and hears the call of God on his life. We must be prepared to hear if we are going to reach this world for Christ.
22. Jake Carpenter presented a trumpet solo.
23. Kenneth Lambert, pastor of Memorial Church, gave instructions and then asked Rev. Kinney Wallace to lead in prayer.
24. SUPPER
25. The prelude was played by Mrs. Helen Garner and Rev. Justin Hill, as the evening session was convened.
26. The Memorial Church Choir sang, *Majesty.*
27. All joined to sing the hymn, *To Worship, Work and Witness.*
28. Associational Business II

    World Missions Conference report was given — Tab Whitley.

    Volunteer Missions:

    a. Hispanic — Mrs. Gale Hoey: Ministry to Hispanics in our Association. Weekly Bible Study was held at the Mazatlan Restaurant. Visitation, teaching English as a second language. Do counseling, work with the women, lifetime friendships, Backyard Bible Club in Spanish at Morgan's Mobile Home Park with an enrollment of 102. Some are Christians and travel to Charlotte to go to church. Backyard Bible Club in English was held at Norwood. The first Spanish WMU was started. Volunteers are needed. There is the hope of beginning a church, with a language pastor.

    b. Mission Trip — Rev. Mark Beasley, Director of music and youth for Anderson Grove Church. In 1944 we began to take our youth on mission trips. Started with 5 and last year 29 to Tennessee. One year we were doing BYBC in Warsaw, NC and we saw a group from the church in Warsaw coming from doing missions in the Pennsylvania area. The Lord asked who was doing BYBC in our backyard. That really hit home and we decided to do BYBC in our own area. Had BYBC across the road from our church, and now this is a require-

ment. Showed video of what the young people have done. They were involved in fund raisers, did BYBC, variety show to get ready for the mission trip. Worked on a house for one woman: worked on the roof, concrete, plumbing. Witnessed to her and her granddaughter, who was not a Christian.

c. Campers on Mission — Mrs. Marge Brewer

Campers on Mission was formed by the North American Mission Board and the Sunday School Board in 1971. It was to motivate Christians that were already campers to become more visible in sharing their faith while camping. Campers on Mission witness and help in many areas. Campers have served in a ministry to the North Carolina State Fair for the past three years. Served 125 chicken dinners to the carnival workers and gave each one a hygiene bag. They are a witness to Jesus wherever they go, with the Scripture and helping with all kinds of needs. Over 200 made profession of faith thru SMARM. Their theme is "Bein' as how you are goin', be a witness for Jesus wherever you are".

29. The registration count was given: 49 were added to the afternoon total, 158 — for a total of 207.
30. Hymn, *We are called to be God's People*, was sung.
31. The choir of Memorial Baptist Church presented *I Worship Only at the Feet of Jesus*.
32. Rev. Lowell Brown introduced Rev. Tony Bradley, pastor of Barbee's Grove Church, who will present the annual sermon.
33. Entitled *Entrusted to Share,* Scripture, *II Corinthians 5:17-20 and Matthew 28:19-20.*

    In II Corinthians we have been given our calling. We are Ambassadors for Christ, and our message — reconciliation — "God was in Christ, reconciling the world to Himself ". And then in Matthew 28:18-20, we have our commission — "Make Disciples". There are 3 steps to making disciples: caring, sharing, and preparing. Jesus cared. He was always filled with compassion. We are also commanded to care, or have compassion. The church often finds itself like Jonah, who cared more for plants than he did for people (4:10).

    We are to share. Sharing is simply telling others what Jesus has done in our lives as we are going.

    We are to prepare, Matthew 28:20. "Teach them all things". We are to make disciples, so that those who have been won can win others.
34. Rev. David Howard, pastor of Union Grove Church, gave the benediction.

43. Rev. Lowell Brown introduced our missionary speaker, Dr. J. Billy Graham, Director of Missions at the Sandhills Association. His topic was *Equipped to Witness* from Isaiah 45:22 and Mark 1:17. Missions is the heartbeat of the Lord. When he was called to preach he taught us what His mission was to be and then in the last seconds as He raised his arms and ascended to the Father, He gave us the Great Commission. We read of the mission of Jesus — what He was expected to do. The Plan of Jesus — and the Call of Jesus to us.
44. Reports from the Mission Boards were given:

    North American Mission Board — Rev. Kenneth Lambert.
    North Carolina Missions — Rev. Phillip Hunter.
45. Rev. Garry Baker, pastor of Red Cross Church, read the resolutions from the committee.

50. Rev. Mac Keck led the installation of officers.
51. The hymn, *I Am Resolved*, was sung by all.
52. Special music was presented by Diane and Ronnie Harris: *No Other Name for Grace But Amazing* and *Move Me With Compassion*.
53. The annual sermon was presented by Rev. Isaac Hicks, pastor of Fairview Church. His topic was, *Equipped to Share Jesus* — Scripture from Acts 1:8, Matthew 3:16-17, John 14:10-15, 21, and 23-24.

    We have allowed the charismatic movement to rob us of the power of the Holy Spirit, which is the third Godhead of the trinity. Jesus did not face Satan until He Himself received the power of the Holy Spirit from His Father, and the assurance that the Father was pleased with Him. If speaking in tongues were a sign of being filled with the Holy Ghost, Jesus set no such an example. Jesus preached clearly, people understood what he said. The apostles also speak in a way that people understand.
54. The gavel was passed from Rev. Ronnie Vaughn to Rev. Lowell Brown, who will serve as Moderator for the next two years.
55. Announcements and thanksgiving were given by Rev. Ronnie Vaughn.
56. LUNCH

Registration the first day: Messengers, 126 — visitors, 56 — pastors, 35 — for a total of 217.

Registration the second day: Messengers, 107 — visitors, 8 — pastors, 29 — for a total of 144.

Resolutions

On behalf of the Stanly Baptist Association, we, the Resolutions Committee, would like to express our gratitude and appreciation to Memorial Baptist Church and to Centerview Baptist Church. Both churches have shown Christian love by opening their doors for this our 113th annual Associational meeting.

Therefore, we say thank you for the love, the hospitality and the delicious meals served. May God richly bless your churches.

We also resolve that all messengers give a special thanks to Mrs. Alda Miller, our clerk and secretary, for all the work she has put into preparing the Book of Reports.

We also resolve, that we acknowledge with grateful hearts the fine job of of our Moderator, Vice Moderator, Music Directors, Instrumentalists, Special Singers and Program Committee.

We further resolve, that all messengers and all Baptists in our Association extend a warm appreciation to Rev. Mac Keck, our Director of Missions, for his great leadership of our Association.

Annuity Board

Rev. Farrell Shimpock

The Southern Baptist Convention has given three ministry assignments to the Annuity Board: Management of Retirement Annuities, Relief for Ministers and Their Widows, and Insurance and Risk Management Programs. Our motto is **Serving Those Who Serve the Lord**. We've been doing it since 1918.

Retirement preparation is a career-long endeavor. It requires a commitment by the participant and the employer. The money contributed is invested according to individual participant goals and risk tolerance. Then, at retirement, each participant chooses from a variety of benefit options. In 1996, the Annuity Board paid more than $200 million in benefits, and at December 31, there were 27,865 on the retirement benefit roles.

Relief benefits totaled $1.51 million last year. In addition, at year end we were paying an extra $50 each month to 2,124 individuals or couples through the Adopt An Annuitant Program. Relief benefits were funded by the Cooperative Program ($1.19 million) and from earnings on the Retired Ministers Support Fund of the Annuity Board. Adopt An Annuitant benefits are funded by direct gifts to the Board from interested individuals, Sunday School classes or other groups.

Insurance benefits paid in 1996 for life, health, accident and disability claims totaled $107.8 million.

In 1996, trustees of the Annuity Board adopted a resolution. "That no retired minister or his widow should live in poverty." To fulfill that promise, some $12 million will be required in the period 1997-1999. Many retired ministers and widows of ministers do not have adequate financial resources to meet their needs. The Annuity Board cares deeply about these people, and Southern Baptists care, as demonstrated by gifts to the Cooperative Program and Adopt An Annuitant.

Relief will always be a vital part of the Annuity Board's work, but we are committed to promoting proper planning and preparation for retirement and protection from

disasters. To that end, the Annuity Board offers a wide range of products and services for Southern Baptist churches, associations, institutions, state conventions and their personnel.

The Church Annuity Plan is the retirement plan designed for pastors, other ministers, and eligible employees. It is administered by the Annuity Board in partnership with state conventions.

The Personal Security Program and Employer Security Program offer a variety of insurance plans. They include term life, personal accident, disability and a choice of medical plans. No Cooperative Program money is used for Annuity Board operating expenses.

Baptist Children's Homes of North Carolina

Rev. Danny Laws

Helping hurting children and healing broken families through the love of Jesus Christ, has been Baptist Children's Homes goal since it began 112 years ago.

At four residential campuses, six emergency care cottages, two homes for behavioral troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found love and help in troubled times last year.

During the past year Baptist Children's Homes received $1.5 million through the Cooperative Program, and $722,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the Baptist Children's Homes budget.

In June 1997, Baptist Children's Homes successfully completed the $10.1 million "Light Their Way" Campaign to raise money for the operations, capital needs and endowment. The Hubert M. Craig Lodge at Cameron Boys Camp, has been completed as a result of their campaign.

Baptist Children's Homes has adopted a missions statement this year, which is "Helping hurting children, healing broken families." Through the support of Baptists some child's life will be changed, some family will be restored.

Wherever children are hurting and families are strained Baptist Children's Homes strive to aid.

Baptist Hospital

Rev. Ron Honeycutt

The Christ-like spirit found at Baptist Hospital has inspired patients like Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come." What a precious sentiment from a precious saint of our Lord.

I am proud of Baptist Hospital with its rich history, its superior care, and its Christ-like ministry of healing, which is second to none. Baptist Churches all across our state have helped this institution provide this Christ-like ministry of healing to many who have no health care insurance or financial means to pay their hospital bills. You have provided this care through the Mother's Day Offering for Baptist Hospital. In 1996 you gave $456,497.00. Thanks for caring enough to give!!

The North Carolina Baptist Hospital continues to grow with its new CompRehab Center providing a full spectrum of physical rehabilitation and related clinical care. Baptist Hospital provides the only Level 1 Trauma Center in Northwest North Carolina. A report in the February issue of *Applied Clinical Trials,* ranked the Bowman Gray School of Medicine among the top 10 U.S. clinical research institutions. QualChoice is a new benefit of managed care provided for pastors and church staff through the N.C. Baptist Hospital, the Bowman Gray School of Medicine, and Wake Forest University. This plan provides quality health care and patient physician choice to ministers and church staff.

I am thankful for our North Carolina Baptist Hospital and as Helen Keller wrote, "If I ever have to go back to a hospital, this is where I would come."

Baptist Men

Rev. Kenneth Lambert

I am pleased and excited over the fine response from our churches, pastors, and laymen for their support and participation in the Lay Rally, Witness Training and the two joint leadership training sessions with the Woman's Missionary Union and the Baptist Men. I commend all of you for your caring, cooperative enthusiastic spirit. I also want to commend you for your cooperation and labor of love and participation with the Open House and barbecue at the Taylor House Retirement Home in September.

The building for the disaster trailer has been completed. The paving was completed a few weeks ago. The remaining need is for the sowing of some grass. Again, thank you for making it all possible. Because of you, we can move on and press forward with the exciting, rewarding work that God has in store for us in our association this coming year. Thanks for your continued cooperation to make this coming year a great one.

Cletus Whitley, Coordinator for the disaster relief trailer, reports the following: responded to Hurricane Bertha, July 1996, 9 men and women, from 5 churches. Hurricane Fran, September 1996, 3 men and women working at Wilmington. 35 men and women went to Raleigh and Wake Forest, feeding and cleaning up trees and debris. In Kinston, 25 workers from 4 churches responded. Flood in Kentucky in April. On standby after flood in North Dakota. Flood in July: Albemarle, Stanfield, and Charlotte – 26 workers from 4 churches.

Also worked with prisoners at Concord in June and Black Mountain, August 1997 – 9 workers.

Biblical Recorder

Rev. Phillip L. Hunter

The old adage claims that the only things that are certain in life are death and taxes. Perhaps change should be added to those two certainties. Much change has occurred in Baptist life over the past year. And in all likelihood, that will not change. The Biblical Recorder offers a reliable source of information about the changes that occur within Southern Baptist life.

Some people tend to want to dismiss Southern Baptists as relics of a by-gone day. And yet, Southern Baptists are continually making an impact in their communities, within North Carolina, within our nation, and around our world. The Biblical Recorder

offers a reliable witness to these acts of mercy, ministry, and mission that are carried out in the name of Christ.

We like to observe that if you get two Southern Baptists together, you will have three opinions on any subject. We are an opinionated people. The Biblical Recorder offers a forum for the expression of our opinions. But, perhaps more importantly, the Biblical Recorder offers a forum in which we are able to read the views and opinions of our fellow Baptists.

Do you subscribe to the Biblical Recorder? Does your Church subscribe to the Biblical Recorder? The Biblical Recorder offers several subscription plans for individuals and churches. The most recent of these plans is the Church News Service. CNS enables a local church to incorporate its newsletter into the pages of the Biblical Recorder. Further information on Biblical Recorder subscription plans can be obtained by contacting the Biblical Recorder office in Raleigh at 919-847-2127.

Baptist Retirement Homes

Rev. Robert Ellis

Thank you, North Carolina Baptists!

Our February Offering this year was the strongest yet. Gifts through the Cooperative Program have come to us above the norm. Thank you for making it possible for us to make this year "The Best of Times" for so many North Carolina Baptist Older Adults.

NEW PLACES

Cliffwood Retirement Community, Fayetteville

Opening in early 1999, The Cliffwood Retirement Community is designed to meet the needs of middle income Older Adults. It will offer residents a continuum of care ranging from Independent Living and Assisted Living options to nursing care.

A New Retirement Community, Concord

Design work for a new continuing care retirement community in the Concord area has begun with ground breaking expected in the spring of 1998.

NEW PROGRAMS

Home and Community Based Programs

The Solarium Programs for Older Adults suffering from dementia related disorders are well established in the Prince Nursing Center at Brookridge Retirement Community in Winston-Salem and in the Rickman Nursing Center at the Western North Carolina Baptist Home in Asheville.

A new home and community based program offering respite care to Older Adults in the Asheville area began this year. This service provides safe, structured, creative enrichment for seniors diagnosed with dementia-related disorders such as Alzheimer"s disease, and provides relief for families giving in-home care to these dear ones.

OPEN HOUSE

On September 9th, the Taylor House celebrated with an Open House. Barbecue was served to over 400 people, and tours of the facilities were enjoyed.

We can all help in making Life For Older Adults The Best of Times by participating in the offering in February for N.C. Baptist Retirement Homes, but in a more personal way by ministry to our Older Adults (visiting, helping, praying for, and listening to them).

Christian Higher Education

Rev. Tab Whitley

Making a choice concerning higher education can be one of the most important and yet complex decisions prospective students face. Many areas of concern must be addressed such as curriculum, setting, peers, faculty and atmosphere just to name a few. Along with the many opportunities provided by state and private institutions there are several available through North Carolina Baptist Colleges and Universities.

The convention's budget for higher education in 1996 exceeded $6,000,000 and was a little over 20 percent of its total budget. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering. Meredith College has formally requested a new relationship with the Baptist State Convention, patterned after the one with Wake Forest University.

The 1996 Enrollment ('97 not available): 24,125 with 4,119 graduates and 526 church-related vocational students.

Following is a list of the North Carolina Baptist Colleges and Universities:

... 110-year-old Campbell University in Buies Creek (800-334-4111)
... 149-year-old Chowan College in Murfreesboro (800-448-4101)
... 92-year-old Gardner-Webb University in Boiling Springs (800-253-6472)
... 141-year-old Mars Hill College in Mars Hill (800-543-1514)
... 106-year-old Meredith College in Raleigh (800-637-3348)
... 162-year-old Wake Forest University in Winston-Salem (910-759-5201)
... 101-year-old Wingate University in Wingate (800-755-5550)
... All were founded and are nurtured by the 166-year-old Baptist State Convention of North Carolina!

The SBC Education Commission ceased to exist in June, 1997.

Christian Life and Public Affairs

Rev. Nathan W. Fox

CHRISTIAN VALUES The Christian Action League of North Carolina published The Beacon newsletter, with circulation of 22,000, which kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations. The League worked for the passage of HB511, Evolution Not Taught As Fact.

LOTTERY Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina, one of the several states in the south without a state-sponsored lottery. The lawmakers received a barrage of letters and calls from across the state saying that the lottery would be very bad for North Carolina's economy. The result is that the lottery seems to be defeated for another season.

SEX EDUCATION The League worked with other Christian and pro-family groups to see that the state mandate for the Abstinence Until Marriage education was implemented state-wide. It also supported efforts to insure that federal grant money was used to promote abstinence education.

ABORTION The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB303 and SB536 (Ban Partial Birth Abortion),

HB594 (Fetus Death from Criminal Act) and HB536 (Abortion Woman's Right to Know). The video, "Reversing Roe" was offered through the newsletter. The video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25 years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

HOMOSEXUALITY CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. The League successfully lobbied against legislation that would have eradicated present North Carolina law making homosexuality illegal.

Appreciation is due Johnny R. Henderson, Executive Director of CAL and Joe S. Lennon, President.

Counseling Center

Rev. Harold L. McDonald

One of the most significant ministries which directly affects Stanly County is the establishment of the Christian Family Counseling Center. Our counselor, Gary McFarland, continues to provide sound Christian counseling for people within our county. His hours continue to increase as the demand becomes greater. Over the past year, out of 296 available hours, 243.5 hours were filled. During that time, from September 1996 through the middle of September 1997, the Association subsidized the program with a total of $2,453 which averages $10.07 per hour.

During a day when Christian counseling is becoming increasingly difficult to find, such a center as Stanly Baptists are offering provides a tremendous service in our county. We are fortunate, indeed, to have such a counselor as Gary McFarland who provides sound and compassionate Christian counseling. Gary is a graduate of Southeastern Baptist Theological Seminary, from which he received the Master of Divinity degree. He was ordained in 1981 and has since completed two years of Clinical Pastoral Education, as well as a two-year Pastoral Counseling Residency through a center of North Carolina Baptist Hospital. He is currently on the staff of the Counseling Center at Charlotte.

Director of Missions

Rev. Mac Keck

I would like to begin this report with something that doesn't have anything to do with the work of the Stanly Association. At last year's annual meeting you surprised Janice, Mrs. Miller and myself when you voted to give us all a trip to the Holy Land. Janice and I went in the early part of this year. It was just great. I can not begin to tell you what this trip meant to us. We had not anticipated going, so to suddenly be in the land where our Lord lived and ministered was a feeling that is hard to describe. Thanks to you folks we had an experience that will forever be remembered and appreciated more than I could possibly convey to you. Thank you again. I wanted the trip to be mentioned in this report so that it is recorded for the history of the Association.

Thanks also for another year of your cooperation and support. We have such a great group of people here to work with and we thank you for every effort you make in your church and in the work of the Association. It looks like this has been a good year in the area of financial support. It appears that your contributions to the Association is up about 10% this year, almost $12,000 above last year. This kind of giving will help

us to consider areas of ministries or directions that perhaps we haven't considered before. I have always believed that God honors His Word. The Word says when we give it will be given to us in return with the same measure plus a little more so I know that God will bless your church in return. Pray with us about what God would have us do as churches ministering together.

My year is typical of most others in some respects with numerous meetings of one kind or another during the year, as well as various conferences and the State and National conventions. There have been many opportunities to work with our churches and with individuals throughout the course of this year.

There were two things this year that were different from what we normally experience. One was the World Missions Conference that took place on September 14-21. Thirty-two of our churches took part in this event. I am grateful for our WMC Committee and for the time and effort they gave so that the churches could hear and visit with missionaries from the International Mission Board, the North American Mission Board and the NC Baptist State Convention.

Thanks also for several volunteers who have put in many hours as they have worked with and sought to witness and minister to many of the Hispanics in the area. Classes teaching Conversational English have been held at the Stanly Baptist Associational Office and the Memorial Baptist Church. Separate Bible studies are held.

Our volunteers and our Disaster Relief Unit have been very busy. We are proud of these volunteers and what is being done.

Evangelism

Dr. Kinney L. Wallace

Following the 1996 Billy Graham Crusade in Charlotte, in which many of the churches of the Stanly Baptist Association participated, there was much excitement as to what our Association could do to continue evangelism effort. A Stanly Baptist Association Evangelism Committee was established. The first meeting of the Committee was February 24, 1997. In this meeting we discussed the prospects of Evangelism through the Association. The Committee discussed Area Wide Crusades. Evangelism Rallys at the Agri-Civic Center, James Dobson Family Meetings, the Power Team, Mr. Sunday School, Henry Blackabee's Experiencing God, a Jay Strack Crusade, Promise Keepers meetings, Evangelism Explosion, Christian Witness Training, etc.

After looking into many of these possibilities, several programs and efforts were done. Kinney Wallace, the Evangelism Director, conducted a "Christian Witness Seminar" at the Memorial Baptist Church and the Churches of the Association were invited to attend. During the Pastor's Conference on July 15, 1997 a leader from the Promise Keepers Organization met with the Pastors and shared with them the work and organization of the Promise Keepers. In April and also in June all Pastors were contacted by letter concerning the "Experiencing God through Revival" Regional Conference which will be led by Henry Blackabee at the Brookwood Baptist Church in Burlington, NC. Some of the Pastors of the Association are planning to attend in October, 1997.

Each Church is encouraged to remember that we must fulfill the Ministry of Evangelism. As Paul, the Apostle, said to Timothy "Do the work of an Evangelist!" All of us can not be "Evangelists" in the sense of a full time profession, but all of us must be "Evangelists" in the sense of being a "Witness" for Jesus Christ. Remember Acts 1:8 "But you shall receive power after the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

Executive Committee

Rev. Lowell Brown

The Executive Committee of the Stanly Baptist Association held its quarterly meetings in January, April, July, and September, to conduct the business of the Association. From these meetings we made the following actions:

JANUARY:

1. Approved the approximate cost of $100.00 for the completion of the act of incorporating.
2. Approved the paving of the driveway on each end of the building which houses the disaster relief trailer. To pave 28' on each end of the building — plus 60' between the existing parking lot and building. An amendment was made to the motion to approve $4,000.00 from the General Fund to pay for the cost.
3. Committee on Committees asked to work toward Associational committees for upcoming World Missions Conference.

APRIL:

1. Report given by Director of Missions that final part of incorporation has been completed.
2. Associational Committee for the World Missions Conference has been completed.
3. Approved Missions Council recommendation to supplement the cost of the St. Lucia Missions trip from the Volunteer Missions Funds.

JULY:

1. Moderator, Ronnie Vaughn, spoke about the alcohol issue in Albemarle. The Association had approved $5,500.00 to help with this cause. A request was made for $2,500.00 at this meeting for radio spots and newspaper articles.
2. Report given of a training meeting for the World Missions Conference for committee leaders, to be held August 4 at 7:00 PM at Pleasant Grove Church.

SEPTEMBER:

1. World Missions Conference set for September 14-21.
2. Missions Development Council brought a report that they had reached a decision about a church seeking to come under watchcare of the Association. New Life Baptist Church had requested watchcare, having met with the Council in August. The Council had received a letter from the pastor asking for withdrawal of the request. It was approved unanimously to accept the Council's recommendation that the church not be admitted under watchcare at this time. It was also approved to accept the removal of this request of The New Life Baptist Church. This was also unanimous. Most of the business of the Executive Committee was hearing reports of the various mission organizations. It is exciting to see that our Lord continues to lead our Association in missions endeavors.

General Board

Mr. C. Wayne Mabry

The General Board of the Baptist State Convention of North Carolina has had a busy, and I feel, a very fruitful year in 1997.

The Business Management Committee, of which I am a member, met three times this year at Caraway. It is a sincere pleasure to report the staff and employees of our

State Convention continue to be dedicated, loyal stewards of the gifts and possessions which we North Carolina Baptists have received. This was further verified and confirmed by the favorable management letter from the outside auditors to the Audit/Contingency Committee in March of 1997.

The Investments Committee is a relatively new committee. We have been charged with the responsibility of developing facts and information in order to, if needed, formulate a concise and detailed plan to maximize return, and minimize risk on investments held by the convention. Since this matter should be considered frequently, we will be proposing to the Constitution and By-Laws Committee, that proper amendments be made to create the Investments Committee as a permanent sub-committee.

I will forever be appreciative of the chance to serve God in this way. I feel humbled and grateful to meet and work with fellow Baptists from throughout the state of North Carolina.

International Mission Board

(Formerly The Foreign Mission Board)

Rev. Ron Honeycutt

On June 18, 1997 the Foreign Mission Board became the International Mission Board. The ministry of IMB is as always to international peoples who are foreign only in the sense that they are alienated from God. It is to the international communities throughout the world that our IMB goes to plant the gospel seed, to water the seedling, to harvest the produce, and to rejoice in the victories of souls being saved. May you and I as Southern Baptists rejoice in:

1. **The Planting of the Gospel Seed**
   In 1996 Southern Baptists planted 803 new congregations among the international communities of our world. Today Southern Baptists are involved in 39,876 churches overseas. This is roughly equivalent to the number of churches in the United States. We rejoice that the seed of the gospel is being planted around the world.
2. **The Watering of the Seedling**
   a. Prayer propagates mission work and the IMB provides many resources to aid you and I in watering the seedlings of the gospel. *Compassion Net* is an electronic prayer network that helps shower prayer power on requests as quickly as they are posted and accessed by computer. The *toll-free prayer line* is a prayer resource available to all via telephone. Prayer-warriors water the seedlings!
   b. About one in a thousand Southern Baptists volunteer to do more than giving and praying: they go. Last year 15,847 Southern Baptists co-labored with international missionaries. Volunteers water the seedlings!
   c. Ministry evangelism, meeting human needs, is another way that we water the seedlings of the gospel. Last year Southern Baptists helped hurting people in 58 countries providing more than $5.7 million of aid through world hunger and relief contributions.
   d. Your Cooperative Program and Lottie Moon Christian Offering gifts also water the gospel seedlings. Cooperative Program receipts continue a two year record breaking trend with: the IMB receiving nearly $74.7 million which is an increase of more than $2.3 million over last year's receipts.

The Lottie Moon Christmas Offering exceeded $91.7 million beating the 1995 figures by more than $3 million.

3. **The Harvest of Souls**

The harvest of 1996 was indeed plentiful with 2,367 new churches being constituted. This continued a four-year growth rate of 6.9% with some of the churches being planted among previously unreached people groups. But, the most precious fruit of all was the 283,674 baptisms.

In 1996 our Heavenly Father has given each of us much to rejoice in. However, the work of the International Mission Board must not cease, for as Jesus said, **"... the harvest is great. But the laborers are few ..."** God's people must continue praying, giving, and going so that there might continue to be great rejoicing over that one soul that once was lost but now is found.

Literacy Missions

Mrs. Susan Brooks

1997 has been an exciting year for Literacy Missions. Our goal for this year was to have a Conversational English workshop to train tutors. We had that workshop in February. As a result we now have trained volunteers working in our Association to help others learn to speak English.

Our Association sponsors an English as a Second Language class each Saturday night at the Associational Center. This class is directed by Rev. Jon Hoey. We have had a wonderful response to this class. There is also a class being held at Memorial Church in Norwood. It is directed by Marge Brewer. Many thanks to all our volunteers. God is working through them in a mighty way. This ministry could not continue without our dedicated volunteers.

God is blessing our Association and wonderful things are happening through our literacy ministry. He has given us the privilege of bringing the message of Jesus to a growing population of non-English speaking people in our county. While we are helping them to learn English, we are given the opportunities to witness and show God's love to people we have ignored in the past.

We have seen the Lord at work throughout this ministry. He is certainly blessing our efforts. Our prayer for this year is that through teaching others to speak English, we might be able to show the love of Christ. For all that is done we give Him the glory.

Missions Development Council

Dr. Rick G. Miller

The Missions Development Council continues to be involved in the development and awareness of mission opportunities both locally and abroad.

In October the Missions Development Council made recommendation for disbursement of $1,000 to the local Pregnancy Crisis Center. An additional $2,000 was allocated for the Stanly County Hispanic Outreach for current Spanish work in Albemarle, Norwood, and Stanfield. Funds were used for hymnals, outreach and discipleship materials, guest speakers and the over all development of an Hispanic ministry in Stanly County.

The Missions Development Council also recommended funds be made available to the Hispanic Outreach Ministry team leaders that enabled them to take a Spanish language refresher course at Stanly Community College.

The Council recommended and the Executive Council approved volunteer missions funds to be allocated for two volunteers to Romania and six to St. Lucia. Funds were distributed based on actual need.

Thank you, Stanly Baptist Association, for doing your part in the evangelization of our county and the world through your prayer, giving and going!

Music

Mr. Dan Hazlett

At the World Missions Conference opening dinner I was discussing an article from the Charlotte Observer with one of our pastors. The article was written by a retired minister who was visiting area churches and identifying the characteristics he thought would encourage visitors to return to a particular church. He ranked the preaching as the second area and music as the first. The minister to whom I was talking said his church here in Stanly had done a survey with new members from the past couple of years and the results made him wish he had come in second; he indicated their survey showed music, friendliness of the congregation, and preaching as the three highest considerations. Well, certainly there is nothing more important than solid, Gospel-based preaching; however, both surveys show the effect that music has on people, whether visitors or members. The goal of music programs throughout Stanly Association is to present Biblical truths through anthems, hymns, cantatas and special music programs, as well as preparing listeners for the message. Music is unique in its ability to bind us together, focus our attention and move our emotions.

Stanly County is fortunate to have a large number of dedicated music program leaders and participants, and the Association attempts to promote and assist those programs.

A highlight of the year was a meeting of choir directors. Topics of the evening included sharing anthems, reviewing orders of service, and discussing solutions to some of the typical challenges. The longest-serving and newest directors were recognized.

Another opportunity to share through music came with the Taylor House picnic and open house, and special thanks again goes to the 14 musicians from Anderson Grove Baptist who sang and played during that evening.

The Association officers recognize and say thanks to those who are willing to give the extra time choir rehearsals demand. Talent and willingness bring results — both in assisting worship and in winning goals — and we give God the glory for how blessed we in Stanly are.

I'm glad to be of service in the Association ministry and will try to help the local churches in any way I can.

Jesus, Jesus, Jesus, sweetest name I know.
Fills my every longing, keeps me SINGING as I go!

The North American Mission Board

Rev. Kenneth Lambert

The primary responsibility of the North American Mission Board (formerly the Home Mission Board) is to reach the United States, Canada, the Caribbean, Guam, and American Samoa for Jesus Christ, using every appropriate means of evangelism and church planting. The resources of three former SBC agencies — the Home Mission

Board, the Brotherhood Commission, and the Radio and Television Commission — were merged to create a dynamic synergy that will propel missions into the 21st century.

Leaders of the North American Mission Board are committed to working even more closely with local associations and state Baptist conventions/fellowships in serving the needs of churches as they attempt to reach people for Christ. Every activity of the new agency will be focused on meeting the needs of local churches as they share Christ with their communities.

The home missionary force of almost 5,000 jointly supported missionaries will continue to be vital to the front line of hands-on ministry. North American Mission Board calls on Southern Baptists to renew and strengthen their support of our missionaries by praying for them, serving alongside them as mission volunteers, and giving sacrificially to the Cooperative Program and the Annie Armstrong Easter Offering.

The agency will support missionary and local church efforts by giving increased attention to evangelism, church planting, and evangelistic ministries in major cities, on campuses, and among every people and language group in our assigned area. Our efforts will be undergirded with national prayer support and the most technologically advanced media resources available.

North Carolina Baptist Foundation

Rev. Bobby Mowery

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1996, the Foundation held $60,892,220 under management. In 1996, $2,600,680 was distributed to Baptist work and $1,259,082 was distributed to individuals for a total distribution of $3,859,762.

The income distributions for the entire 77-year history of the N.C. Baptist Foundation totals: $10,932,764 income paid to individuals and $16,059,259 to Baptist churches, institutions and mission causes for a grand historical total of $26,992,023.

The North Carolina Missions Offering

Rev. Phillip Hunter

Thirty-three of our sixty churches contributed to the North Carolina Missions Offering in 1996. Those churches contributed $49,080.61 to the cause of North Carolina missions.

The wonderful thing about the North Carolina Missions Offering is that a portion of the offering is returned to the local Baptist Association for use in support of associational programs and leadership support. Thirty-three of our sixty churches contributed to the North Carolina Missions Offering in 1996, and $4,859.37 of their offerings were returned for use in Stanly Baptist Association.

An additional $240.50 was sent directly to Stanly Baptist Association from the North Carolina Missions Offering. This money was used in Bivocational Ministries.

The North Carolina Missions Offering also enabled the following number of individuals to participate in these groups during 1996:

37 boys went to Camp Caraway
1 Person went to Disaster Relief Training
1 Person went to a Medical/Dental Conference
1 Person went on a Sports Mission Trip
8 People went to the NC WMU Associational Leadership Team Training
36 Girls went to GA Camp at Mundo Vista
8 Girls went to Acteens Camp at Mundo Vista
37 People participated in Seminary Extension

We, as an Association, are deeply indebted to our thirty-three churches who chose to contribute to the North Carolina Missions Offering. At the same time, let us each pray that our other churches will choose to contribute to the North Carolina Missions Offering during this Church Year.

Ordination Advisory Committee

Rev. Donnie Lovette

On Tuesday, June 10, 1997, the Ordination Advisory Committee of the Stanly Baptist Association met for the purpose of examining Gerald Baucom for the Gospel Ministry. This meeting was at the request of Silver Road Baptist Church and Pastor Gene Hopkins, after Gerald had received a call as Pastor from Freedom Baptist. After extensive questioning it was the unanimous decision of the committee to recommend to Silver Road Church the ordination of Gerald Baucom. The ordination service was held on June 22, with Member Fred Hopkins participating.

On Wednesday, August 6, 1997, the Committee met at Oakboro First for the purpose of examining Brady Huneycutt. Brady had been called as Pastor to First Baptist Church in Archdale, and the request came from his home church, Locust First Baptist and Pastor Kinney Wallace. After extensive examination, the committee unanimously recommended that the ordination proceed. The ordination service was held August 31, with Members Lowell Brown and Jessie Dennis participating.

Prayer Committee

Rev. Mac Keck

The Stanly Baptist Association Prayer Committee meets on the third Tuesday of each month at the Associational office to join together for a time of prayer requests, prayer and praises for answered prayer. This year the committee was composed of six individuals plus the moderator and the Director of Missions. Our purpose is to pray for the work and ministry of the Association as well as the leaders and churches of the Association. Another purpose we have in meeting for prayer is to petition God for revival and spiritual awakening.

If there were no other request or purpose for meeting we feel that our time is well spent if we are praying for God to do a mighty work in our midst that only He can do. We do hear requests from each of our prayer committee members The requests may be concerning their church, the Association, or something personal. It seems we always have churches that are looking for pastors so we feel that we can contribute to those churches by lifting their search committees before the Lord in prayer. We know they are praying for God's leadership and we join them in that petition.

This year an additional area of prayer need was the World Missions Conference. We began praying for the conference last year about this time. We prayed for the directors, for the missionary boards and for the missionaries. I hope that those who were privileged to hear the visiting missionaries were blessed.

The prayer committee does not seek to take the place of anyone or any church. We are just seeking to make sure that there are specific requests concerning the Association and its work that are prayed for during the time of need.

Stewardship

Rev. Burley W. Moore

Giving unto the Lord is an act of worship. God does not expect us to give Him more than what we have, but He does expect us to surrender unto Him all that we have. As an expression of worship, we are privileged to give back unto Him a portion of the financial goods that He has entrusted to us. I would not only challenge every believer to become a cheerful giver, but every church in our association when it comes to the support of our local ministry.

God has greatly blessed Stanly Baptists with leadership and a fellowship that is far above the norm. Let us do our part financially to see that we remain a strong association of churches who endeavor together to carry on the Lord's work in our locality.

This year's proposed budget reflects barely over a 3% increase from the year before. It can easily be attained if every church will do its part in giving. Thank you for all you do to make the ministry of Stanly Baptist Association possible.

Volunteerism

Rev. Mac Keck

Volunteers are important to the advancement of God's Word. They can go and do as God leads. We are blessed with both leaders and workers in areas of evangelism done through many channels.

International Mission Trips:

6 members from Paul's Crossing and 1 from Centerview Churches were part of a

team of 60, working as medical/evangelism missionaries preaching, witnessing, Backyard Bible Clubs, distributing Gospel tracts. They served in Brasov, Romania for 12 days.

12 people from Stanly County spent 11 days in St. Lucia doing construction work, leading Vacation Bible School, teaching, and witnessing.

Highland Church sent 14 volunteers to Jamaica to do Backyard Bible Clubs, puppet shows, and witnessing.

North American Mission Trips:

13 youth and 6 adults from Anderson Grove Baptist Church spent time working in the Appalachian Outreach program in Jefferson City, Tennessee. They worked on one house for four days, doing repairs and witnessing as they worked.

18 volunteers from Highland Baptist Church spent time in South Carolina doing Backyard Bible Club and puppet shows.

Local Missions:

The Association sponsored Backyard Bible Clubs in three Mobile Home Parks: Paul's Crossing led at Canton Heights, with an enrollment of 13. On Austin Road, members of Plyler and Kendalls Churches worked together with an enrollment of 25. At the Morgan Mobile Home Park, South Albemarle Church and Centerview Church worked together to reach the Hispanics. 30 faculty saw an enrollment of 102. The average attendance was 60.

A "Front Yard Bible Club" was held at Rock Haven Mobile Home Park in Norwood by members of Memorial Church. 9 adults and youth worked with an enrollment of 26 children. Backyard Bible Clubs were held in other areas, sponsored by individual churches.

The Disaster Relief Trailer was used in six areas, with the help of 98 volunteers. They helped to clean-up and to feed the workers and those who had lost so much through the storms.

Volunteers serve at the Associational Center each Saturday evening as they teach "English as a Second Language". As the semester begins there are about 20 students. A class is also being held at Memorial Church in Norwood each Wednesday from 10:00 to 12 Noon. Bible Study is offered each Tuesday evening in Albemarle, for the Hispanics.

Volunteers from Antioch lead worship services each week in three nursing homes.

There are 185 families in North Carolina involved in Campers on Mission. Their motto: "Bein' as how you are goin' — be a witness for the Lord". The volunteer from Stanly Association is involved in the State Fair as host for "The Church in the Village of Yesterday". Campers serve as they are needed.

World Mission Conference Report

Rev. Tab Whitley

This year it was our privilege as an association to host a World Mission Conference the week of September 14-21. This conference allowed the participating churches to hear first hand from missionaries concerning their spiritual call and their particular field of service.

Our association was able to have sixteen missionaries representing the International, North American and State Mission Boards. Thirty-two of our churches participated, each having five different missionaries speak during the week. Throughout the week the missionaries shared in a wonderful way, insight into how we as Southern

Baptists can be a part of their ministry through prayer and support. They expressed their dependence upon God and His grace in their work, be it in Nigeria or North Carolina. Their words and their work were a wonderful witness to their faith and God's faithfulness.

Each day a WMU group from one of six different churches served lunch to the missionaries and pastors from participating churches. We were blessed each day during this time by both the fellowship and the ministry information which was shared. During the day the missionaries went wherever they were asked to speak in the community, including elementary schools, the community college, to senior groups, or to witness individually.

The work of both the WMC Committee and the Associational Staff, along with the cooperation and support of our churches made for a most successful World Missions Conference. The response from our missionaries and the churches in which they shared has been overwhelmingly positive. Our prayer is that we will use all we have learned to serve our Lord in a more active way, personally and collectively.

Woman's Missionary Union

Mrs. Joyce Whitley

Walking "Hand in Hand" with God throughout the 1996-97 year has given new strength to our mission endeavors. Working together with many of our county agencies allowed us many successes and blessings that may have otherwise been lost. We had 15 churches added to the list of those already supporting Stanly County Christian Ministries. The Pregnancy Crisis Center received much needed help from many churches as well. Let us always remember that with God, nothing is impossible.

In October, over 70 leaders attended our training session at Union Grove. Thank you for hosting this event.

Our WMU "Celebration of our Success" was indeed a celebration of YOUR success and dedication to Christ. Speakers and musicians from among our faithful shared with the over 120 in attendance. The projects in the fellowship hall were informative and inspiring. Thank you to Pleasant Grove, our host church.

We were able to present a WMU scholarship to Ashley Eudy from West Stanly High School. Ashley is a member of Mineral Springs Baptist Church and is attending Wingate this fall.

Stanly Association WMU was recognized at Ridgecrest in May for our growth in membership. Several youth as well as women's groups have started this past year.

Thank you to all pastors, churches, leadership team members, and dedicated workers that contributed to WMU this year. May God continue to strengthen all of us to His service.

Youth

Rev. Kevin L. Graham

For this associational year, 1996-97, as director I attempted to get input of our youth ministers from the Association concerning direction, focus and activities concerning the youth of our churches. Two meetings were scheduled for early spring at the associational Center. Response was limited to 4 of our churches: Anderson Grove – Mark Beasley, Canton – Mrs. Pattie Huneycutt, Prospect – Rev. George Ferrell, Union Grove – Mrs. Darlene Kepley. Many great ideas were presented and several were con-

sidered for future action: ideas such as a quarterly associational get-together, low cost youth retreat, associational youth study.

Through our discussions, though, a consistent statement was made concerning the lack of time we have to devote to other activities outside of our respective churches. It seems that time is passing for all of us and somewhere along the line we need to redevelop the cooperative spirit that binds us together in Christ. In Luke 11:17 Christ said: "Any kingdom divided against itself will be ruined and a house divided against itself will fall.

This scripture can also be applied to His churches and associations. I pray that we will see the need to come together as Christians to love and strengthen one another then cooperating together as an associational body. Not just one appointed associational youth director can accomplish the work of the body without cooperation.

GRACE BAPTIST CHURCH

History of Grace Baptist Church

Following revival services in Almond's Hall by the Reverend John S. Harris, a number of people met on Sunday afternoon, September 25, 1921 with Pastor Q. C. Davis and Deacons from First Baptist Church for the organization of Grace Baptist Church. Grace joined Stanly Baptist Association in 1921 with a total membership of 38 and yearly contributions of $110.

After several months of meeting in Almond's Hall, an old church building owned by Salem M. E. Church on the Concord Road was purchased and torn down. Materials from the church were used to construct a one-room building on the current location. Wiscassett Mills Company donated the land. As the church grew, additional rooms were constructed.

Charter member, Mrs. Zora Russell, writes: *Our Pastor told us to meet every week and give all we had; just lay ourselves on the altar. We did that. We pledged to give our money; we gave our time, and we could count on each other. I went to work in the Mill and gave all I made. I wore fifty cent dresses. I had nothing to be proud of except God's house because where your treasure is, there will your heart be also. Sometimes we all would give every penny we had. We had sweet fellowship because we were as one. We would stand up and testify for our Lord and His goodness.*

Additional construction includes:

April 1952:	Educational building now used for offices and children's department
September 1957:	Sanctuary
July 1970:	Educational unit containing Sunday School classrooms, nursery, fellowship hall and kitchen facilities.

Serving as pastor is Reverend Eddie W. Barbee. Rev. Gary W. Pinion serves as Associate Pastor.

SOUTH STANLY BAPTIST CHURCH

History of South Stanly Baptist Church

South Stanly Baptist Church traces its beginning back to May 19, 1962 when a group of interested people met in the home of Wink Hinson to make plans to start a Mission. The next day the first Sunday School and preaching service were held in the yard of Mr. Hinson with 71 present and an offering of $102.00. Rev. Wayne Austin was the first Pastor. In June Bethlehem Baptist Church voted to become the Mother Church and the Mission was called Friendship Baptist Mission.

With continued meetings in a tent and the VFW Hut, land was purchased on the Aquadale-Norwood Road in April of 1964 and in October The Stanly Baptist Association approved that Friendship Mission become a Church. Friendship voted in December to change their name to South Stanly Baptist.

Service was held in a new church building on December 26, 1965 and a new parsonage was completed in 1975. Because of growth a new educational building was dedicated in 1987 and a new Mini Bus was purchased in 1992.

As we continue to grow in number and in Spirit we are making future plans to build and enlarge our present facility.

STANLY BAPTIST ASSOCIATION

Bylaws

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following Bylaws. Nothing in these Bylaws shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

This Association is Southern Baptist and insofar as is practical, it will cooperate with and support the Baptist State Convention and the Southern Baptist Convention.

ARTICLE I
NAME

This body shall be known as the Stanly Baptist Association.

ARTICLE II
MEMBERSHIP

The Association's membership shall consist of affiliated churches.

Section 1. **Conditions of Affiliation.**

A. An affiliated church shall be one supporting the denominational program, the doctrines, policies and finances of the Association.

B. The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using **"THE BAPTIST FAITH AND MESSAGE,"** as adopted by the Southern Baptist Convention 1963, as a guide for interpretation but not intended to be used as a creed.

Section 2. **Process for Receiving Affiliated Churches into Membership.**

A. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the Annual Meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relation to other churches of the Association and its willingness to abide by the charter and Bylaws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next Annual Meeting.

B. If, at the Annual Meeting, the Association accepts the recommended church by a 2/3 **majority** vote of those present and voting, then the recommended church shall meet the following requirements:

1. That the recommended church be placed under the watchcare of the Stanly Baptist Association for a period of one year.

2. That the recommended church shall send non-voting representatives to attend the Executive Committee meetings of the Association.

3. That the recommended church encourage the Pastor to attend the Ministers' Conference.

4. That the recommended church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

a. A report of enrollment and attendance quarterly.

b. A report of monetary receipts and disbursements quarterly.

c. A report of ownership and property and real estate annually.

5. Member of watchcare churches shall not be eligible to serve on any elected or appointed committees, program directors, or as officers.

C. Any affiliated church that has been received under the above procedure under the watchcare of the Association for a period of one year, may at the next Annual Meeting request approval of its full affiliate and membership status. It shall give notice of its intent to seek such full status to the Missions Development Council which shall make a recommendation for action by the Association. The Association meeting in session shall receive the recommendation and vote on the request of the church. A two-thirds majority vote of those present and voting shall be required for acceptance of full membership status. The Association may, alternatively, vote to continue the watchcare status for another year. Should no motion receive a two-thirds approval, the church's relationship to the Association shall be severed.

D. Removal from Membership: By a majority vote of two-thirds of those present and voting at the Annual Meeting or properly called Special Meeting, any church may be removed from membership status. Any motion to remove such membership status, however, must be made by the Executive Committee which prior to any vote shall advise the church subject to such action of the proposed motion and provide an opportunity for the church to address the Executive Committee.

E. Any affiliated or watchcare church may withdraw from affiliation by written notice from the pastor or messengers of that church, after an appropriate church vote.

ARTICLE III

Section 4. **Rules of Procedure. The procedures governing the business sessions of the Association shall be the general procedures set forth in the most recent edition of Roberts Rules of Order. Such rules, however, may be suspended by the Moderator when they conflict with a commitment to full discussion of the issues, or where their mechanical application would confuse or distort or unduly delay the process. Any diversion from ordinary procedures may be challenged by messengers, and a vote shall be taken on whether the procedures adopted by the Moderator will be sustained. The decision of the body on any such challenge shall be final.**

Section 5. **Absence of Moderator. In the event that the Moderator and Vice-Moderator are absent, the session members will elect by plurality vote a man to "alma moderator" for that one meeting with the responsibility of the position, Moderator. In their capacity as Directors, they shall have the duties and responsibilities attendant to Directors, subject however to the limitations set forth in the Charter and Bylaws. The Directors shall not have power, except as expressly authorized by the Association meeting in proper session, to purchase or sell or encumber any real or personal property, to install or remove officers or staff, to amend the Bylaws or Charter, or to bind the corporation to any contract. Consistent with our spiritual principles, Baptist polity and long term practice, the Association as a whole retains the authority to govern the affairs, spiritual and temporal, of the Association. A majority of the Directors shall constitute a quorum.

The rules governing the meetings of Directors, including, but not limited to, the time for meetings, notice of meetings, and required percentage for approval of votes, shall be the same as those for the meetings of the Associational Council. Meetings may serve as both the Associational Council meeting and Board of Directors' meetings at the same time.

ARTICLE XV
VOTING

In any election or matter in which messengers or officers or pastors are eligible to vote, all votes must be cast in person by those qualified to vote. No absentee ballots nor voting by proxy shall be permitted in any election or vote.

ARTICLE XVI
DISCIPLINE

Section 1. **Types of Discipline.** The Associational Executive Committee may recommend the formal discipline of any member church by censure, suspension or revocation of membership for any conduct they deem prejudicial to the interests of the Association and the cause of Christ.

Section 2. **Procedure.** All disciplinary proceedings and actions shall be undertaken pursuant to Biblical commands especially the process set forth in Matthew 18, and the spirit of the Biblical commitments to confession, repentance, forgiveness and reconciliation. Private admonition, spiritual instruction and encouragement to faithfulness must precede any recommendation of formal Association action.

Section 3. **Reasonable Efforts.** No member church shall be disciplined, nor recommendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Committee in person and to forward information relevant to the matter.

Section 4. **When Made.** Any recommendations regarding discipline shall be made at a regular or special business meeting with prior notice of the general subject matter and proposed recommendation being provided shall be given an opportunity to be heard at the Associational Meeting. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII
WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Stanly Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

Section 3. **Quorum.** A quorum shall consist of messengers from at least sixty (60) percent of the annual churches when the Association is in session.

Section 4. **Voting.** Voting shall be limited to messengers, or an elected messenger's alternate, voting in person.

Section 5. **Special Procedures.** On any motion properly before a business meeting of the Association dealing with the purchase or sale of property, the employment terms or salaries of Association staff, or the affiliation relationships of the Association, where the Association has not announced at least seven (7) days prior to such meeting the general subject and nature of the proposals to be voted upon at such a meeting, any member of that body may, by request at such a meeting, require that the motion be tabled and referred to the Associational Executive Committee who will have up to thirty (30) days to make a nonbinding recommendation regarding the proposal. Upon their recommendation or the expiration of thirty (30) days, the members may vote upon the motion.

GRACE BAPTIST CHURCH

Tuesday, October 27, 1998

Theme: *Celebrate Jesus 2000*

PRAYER

1. Mrs. Leesa Bell played the prelude.
2. All joined to sing, *"I Am Thine, O Lord"* and *"Sweet Hour of Prayer"*, led by Dan Hazlett, accompanied by Mrs. Lessa Bell and Mrs. Adyth Lanier.
3. The devotion was led by Rob Roberts, pastor of West Albemarle. He read from Jeremiah 33:2-3. Have a vision of what God wants. He closed in prayer.
4. The sound of the gavel by Moderator Lowell Brown, pastor of Bethlehem Church, opened the 114th Annual Session of the Stanly Baptist Association.
5. Farrell Shimpock, Chairman of the Credentials Committee, made the motion that those who have registered and those who will register later make up the 114th Annual Session of the Stanly Baptist Association, that we may hear the reports, conduct business, worship and fellowship together. This was seconded and approved.
6. Program Committee Chairman, Kenneth Lambert, pastor at Memorial Church, announced two changes in the program as printed. With these two changes a motion was made to adopt the printed program as guidelines for these sessions. This was seconded and approved.
7. Motion was made to approve all reports as a block, with the exception of the Committee on Committees, giving the author of each report an opportunity to speak to the report. This was seconded and approved.
8. Rev. Mac Keck, Director of Missions, recognized pastors who have come into the Association since the last Annual Session, asking them to stand as their name was called: Dan Abernathy, Badin Church — Keith Austin, Berea Church — Eddie Barbee, Grace Church — Sonny Reeves, Kendalls — Kenneth Martin, Mineral Springs — Reese English, Oak Grove — Terrell Watts, Oakboro First — Ray Osborne, Stanfield First — Rob Roberts, West Albemarle — and Claud Dick, Palmerville. Associates called: Sid Martin, Canton — Mike Bradley, Fellowship — Gary Pinion, Grace — Glenn Johnson, Propsect — Jason Lee, Richfield — Steve Chipps, South Stanly — Mike Dunn, West Albemarle.

   Youth and Activities: Nathan Davis, Albemarle First — Jeffory Kapusta, Centerview — Senior Adults: Nathan Fox, West Albemarle.

9. Lowell Brown introduced speaker, Dr. Mac Brunson, Pres., Baptist State Convention, and Pastor at Green Street, High Point, NC.
10. Dan Hazlett introduced Mrs. Lessa Bell who brought our special music. She played and sang "TheTwenty Third Psalm".
11. Dr. Mac Brunson spoke concerning the human touch and what it means to each of us. In reading Mark 5, beginning with verse 21, we learn that to reach the world for Christ we must be willing to cross great barriers — that of position, tradition, and interruption. We must do it with confident faith as we learn to depend on God.

    (He then took questions and tried to answer)
12. Registration slips were taken up.
13. Reports:

    Committee on Committees Report. Motion, second, approved.
    General Board — Wayne Mabry
    Executive Committee — Kenneth Lambert
    Evangelism — Grady Taylor
    Prayer Committee — Mac Keck spoke to report
    Treasurer — Sam Turner
    Stewardship — Ron Honeycutt spoke to report
    Budget will be approved tomorrow
14. Misc. Business — Mac Keck:
    1. Medical/Dental Mobile Unit — This is a ministry that helps those who cannot financially go to doctor/dentist and at the same time is a sharing witness to Jesus Christ. The dates scheduled are Monday and Tuesday, July 26th and 27th. There is a need for funds to cover expenses. There will be a charge for each patient: $3.00 per patient for doctor and $5.00 per patient for dentist.

       Charge of so much per mile driven – provide lodging and meals for drivers. Tracts will be needed. Asking for approval of $1,000. Missions Development Council Director, Dwight Mabry, recommends this come from MDC. This was seconded and approved.
    2. There is a need to up-date one of the computers at the office. We have a quote for one — the middle of the road, $1,505.45. Motion was made to purchase this computer. An amendment was made that we purchase the top of the line at $1,926.00. This was seconded and approved. The original motion with amendment was then seconded and approved — to buy the computer at $1,926.00 plus tax.
    3. Support of church planter in Southern Africa. Nine churches have agreed to give $750 over a period of four years to support a Church Planter in Southern Africa.

       (If this is approved, but your church would like to participate, then the Association will pay the amount left.)

       Motion was made, seconded and approved that the Association be allowed to make up the other three months at a cost of $900 the 1st year, $675 the second, $450 the third year, and $225 the 4th year.
15. Registration report: 123 messengers, 33 pastors, 15 visitors. 171 present.
16. Agency Reports with Kenneth Lambert presiding were given.
    Christian Education — Tab Whitley

Retirement Homes — Robert Ellis
Baptist Hospital —
Children's Homes — Danny Laws
Biblical Recorder — Phillip Hunter
Baptist Foundation — Bobby Mowery
Annuity Board — Farrell Shimpock spoke to report. Jim Tucker also spoke of his appreciation of the agency.
Kenneth Lambert introduced Jim Lambert, from the State Convention who spoke for the Annuity Board. Mr. Lambert has been retired for 3 1/2 years and living off the Annuity Board. The Southern Baptists established three boards that dealt with ministry: the Sunday School Board, the Foreign Mission Board, and the Home Mission Board. Then in 1918 the Board for Relief and Annuity was established. In the beginning it was mostly Relief. John D. Rockefeller gave millions of dollars to this Board. This past year we gave two million dollars to ministers and church employees who were destitute in their golden years. Every penny the Annuity gets from the Cooperative program, about 1.1 million, goes to relief. The Annuity Board established a mission program to adopt an annuitant. Each church needs to have a plan.

17. All joined to sing, "Victory in Jesus".
18. For special music, Kerry and Dale Burris sang, "I'll Rise Again" and "No Friend Like You".
19. Kenneth Lambert introduced our Moderator, Lowell Brown.
20. In bringing the Moderator's Address, Lowell Brown read from Revelation 1:4-11. Christ expressed concern for His churches by His verbal communication to his Church, By His compassion to the church and by His convictions. He personally evaluated each church. We must obey God's Word. We need to know Christ in a more real way. We must be faithful and in the end there will be a crown. Nothing can change His love for each one of us.
21. During the Call To Prayer, Mac Keck made remarks, using the Scripture, 2 Chronicles 7:14, and after silent prayer, Kinney Wallace led in prayer.
22. Eddie Barbee, pastor of Grace Church, gave instructions and led in Thanksgiving.
23. SUPPER

PERSONAL WITNESS

24. Mrs. Adyth Lanier opened the session with the prelude.
25. The hymn, "At Calvary", was sung.
26. Mac Keck, Director of Missions, spoke to his report.
The Association has voted to adopt two Annuitants for 15 months.
The Executive Committee voted to give another $1,200 to the Cents Corporation.
He went through the Digest of letters noting the plus and minus.
27. Registration — 123 Messengers, 33 Pastors, 15 Visitors for a Total 171.
8 Messengers, 6 pastors, 14 Visitors — an additional 28.
Total — 198
28. The Associational Choir, made up of members from 13 churches, sang the Cantata, "His Story". This was made up of familiar hymns, taking you from the birth of Jesus to His death and resurrection. This was led by Dan Hazlett, Associational Director of Music, accompanied by Mrs. Leesa Bell and Mrs. Adyth Lanier, nar-

rated by Gale and Jon Hoey.

29. After the Cantata, Mac Keck led in prayer and all joined to sing, "Amazing Grace".
30. Kenneth Lambert introduced Joe E. Smith, pastor of West Oakboro, who brought the Annual Sermon.
31. Joe E. Smith used Habakkuk 1:1-4 and 2:1-4.

    Sometimes when we get tired of the constant struggle that we have to carry on with evil in our society, we would probably like to escape somewhere and leave all of the evil and strife behind us.

    The prophet Habakkuk felt this way as he looked around at the Judean society and saw the evils of the people. He asked God how long was this going on. Habakkuk had a vision of the kingdom of God when human evil will no longer rule our lives, and God would reign supreme in every life. God not only gave His assurance that His kingdom would come on earth but then He told Habakkuk how life should be lived in the meantime.
32. The session closed in prayer, led by Kenneth Martin.

Second Day

at

SOUTH STANLY BAPTIST CHURCH

Wednesday, October 28, 1998

PROCLAMATION/PRESERVATION

33. Mr. Grady McCroskey played the prelude to open the final session.
34. The hymn, "Stand Up, Stand Up for Jesus", was sung by messengers and visitors.
35. Bobby Mowery, pastor at South Stanly, made announcements. He led in prayer and then presented the devotion, reading from Matthew 7:24-28.
36. Reports:

    Place and Preacher — Dr. Doyle Holder
    Nominating Committee — Ronnie Vaughn
    Misc. Business
    Stewardship Com. — Ron Honeycutt

    Made motion to approve the proposed budget — second. Ron offered some explanations about the changes in the budget. For the Christmas Gift for the Director and Administrative Assistant, the committee recommends that we give 3% of the Ministerial support line item and 3% of the Administrative Assistant line item — this would be an annual increase.

    Also a new line item for the Minister's Conference. New item — Internet — $238.00 — by paying in full we will save 10% — $21.95 per month. Insurance and Bond increased by $800.00 — this will take care of the new building for the Disaster Relief trailer.

    Director of Missions — 3.5% increase. Adm. Asst. — 3.5% increase. 4% increase over the last year's budget. Vote was taken and budget was approved.
37. Special music — Mr. James Gill. He sang "To Be a Christian" and "Home Free".
38. Lowell Brown introduced the speaker, Rev. Mike Cummings, Vice President of

the Baptist Convention. DM — Burnett Swamp Assoc.

39. In 2 Corinthians 8:1-7, Paul is talking about raising a love offering for the Saints in Jerusalem and how God has worked to provide for Macedonia. Paul is excited about the Grace of God. We need to be a contagious Christian. There are three marks that identify this kind of Christian: we must be authentic, compassionate (sacrificial), and sincere. We must keep making progress in our work. Grace keeps us going.
41. Dwight Mabry read the Resolutions from the Committee.
42. All sang the hymn, "He Keeps Me Singing".
43. Reports:
    Baptist Men — Kenneth Lambert — spoke to report
    Counseling Center — Harold McDonald — Spoke to report
    Discipleship Training — Jon Hoey — spoke to report
    Music — Dan Hazlett — spoke to report and introduced the Herbert Grays, who have been given the Joe E. Parks, *"Heart of a Servant"* award during the Parks Choral Festival in August in Spartanburg, SC.
    Sunday School — Dan Abernathy — spoke to report
    Volunteerism — Mac Keck — spoke to report
    Woman's Missionary Union — Joyce Whitley
    Christian Life and Public Action — Grady Taylor
    Ordination Advisory Committee — Otis Goins
    Literacy — Susan Brooks
44. Yates Brooks presented the Memorials.
    There were 190 names listed. He read the 23rd Psalm and led in prayer.
45. Harold McDonald introduced Gary McFarland, our counselor. In speaking, Gary McFarland said the Counseling Center was here because God told us to do it. The Lord said, "go and make disciples of all nations." Salvation happens one person at a time. Our efforts are not only for them to resolve their problems, not only to find a new way of relating to others, but understanding themselves as a child of God. The support of the Center allows us to do that in a way that makes services available to many people throughout the County.
46. Registration report — 155.
47. Installation of Officers and Directors by Mac Keck.
48. Grady McCrosky played the piano — "It Is No Secret What God Can Do".
49. The hymn, "The Church's one Foundation" was sung.
50. Special music — Rob Roberts, pastor of West Albemarle, sang, "Family of God" and "The Lighthouse".
51. Lowell Brown read Scripture: Romans 9:1-10, 10:1, followed by prayer by Farrell Shimpock for loved ones who are lost.
52. Lowell Brown introduced Jon Hoey, pastor of South Albemarle Church, who will bring the Annual Sermon.
53. Jon Hoey read from Luke 5:1-11. We are here to celebrate Jesus. Success is different things to different people. Our Lord loves us and wants us to be successful. Not just in temporal things but in eternal things. There are some secrets of spiritual success. The disciples needed to accept the limitations of their human efforts and plans. They could not control everything. We see the importance of team work and how we should be humble. God will give you more than you ask for.

God wants obedience from each of us. We must accept our own limitations. God has called us to work together for His honor and His glory and His magnification.

54. Announcements and Thanksgiving were given by Bobby Mowery.

Resolutions

We, the Resolutions Committee, of the Stanly Baptist Association, would like to express our grateful appreciation to Grace Baptist Church and to South Stanly Baptist Church. By opening their doors for this, our 114th Annual Associational Meeting, both have expressed Christian love and hospitality.

We also resolve that all messengers give a special thanks to Mrs. Alda Miller, our clerk and secretary, for many hours of hard work in preparing the Book of Reports.

We also resolve that we recognize and commend our Moderator, Vice Moderator, Music Director, instrumentalists, Special Singers and Program Committee for a job well done.

We also resolve that all messengers and all Baptists in our Association extend a warm appreciation to Rev. Mac Keck, our Director of Missions, for his dedication and commitment to our Lord Jesus Christ and our Association.

Annuity Board

Rev. Farrell Shimpock

FULFILLING THE PROMISE: A voice from the past, our aim is to persuade our people to say to the minister in active service today, *"Give yourself whole-heartedly to the work; spend yourself freely; be not afraid; we do not pay you just the salaries that we should, but this we do at least solemnly promise, that we will stand back of you; if you fall in the work, we will care for you; if you die, we will not permit your family to suffer; if you grow old in it, we will comfort your declining years."*

OUR MISSION: To improve financial security for Southern Baptist employees by blending sound stewardship with Christian compassion in efficient and effective retirement, insurance and relief programs.

HIGHLIGHTS: Total assets of the Annuity Board are $6,348,571,000 and this is an increase of $676,203,000 over last year. As of January 1, 1998 there were 28,343 annuitants in the Annuity Program.

It should be the desire of every Southern Baptist church to have their pastor in the Annuity Program.

Outstanding earnings and outstanding results in fund raising in 1997 allowed trustees to make decisions enhancing the quality of life for our annuitants and for our relief recipients. For these blessings we are grateful to God and to Southern Baptists.

Baptist Children's Homes of North Carolina

Rev. Danny Laws

Helping hurting children and strained families, through the love of Jesus Christ, has always been the goal of Baptist Children's Homes.

At four residential campuses, six emergency care cottages, two homes for behavioral troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found love and help in troubled times last year.

During the past year Baptist Children's Homes received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 10 percent of the nearly $18 million in revenue.

Two major priorities of the $10.1 million "Light Their Way" campaign were dedicated: The Winifred Lindsey Education/Administrative Center at Odum Home in Pembroke on January 20th, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12th.

U.S. Congressman Mike McIntyre, co-chairman of the Congressional Task Force for Responsible Fatherhood, said, "Baptist Children's Homes has the purpose, people, and passion to successfully help children and families turn their lives around." When we reach out to our children we're making the best investment for tomorrow we could ever make for our country.

Baptist Hospital

Rev. Issac Hicks

In May 1998 the North Carolina Baptist Hospitals, celebrated 75 years of service to North Carolina Baptists. During these years the hospital has been faithful to the vision of the North Carolina State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Churches from all across North Carolina joined us in a mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the Mother's Day Offering amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other means to pay their hospital bills. From the offering this past year, more than $200,000 was used to assist members of our Baptist Churches in North Carolina.

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion. May God bless all who support us with prayer and give so generously.

Baptist Men

Rev. Kenneth Lambert

I am grateful for the continued cooperation and support of the Baptist Men's work throughout the association and across the state. I commend all of the Baptist Men and church families who are funding and encouraging and assisting members of your church family to explore and invest their gifts, talents and abilities in a number of short term mission projects. It was uplifting and encouraging to see a number of the Baptist Men take advantage of the joint leadership training of the Baptist Men and WMU the first of September. I am confident God is going to honor and bless the ministries of the church families that continue to reach out with a hands-on involvement in missions, outreach and personal witnessing. Someone said, "The light that shines the furthest shines the brightest at home." May the Lord bless you for letting your light shine for Jesus in the days ahead.

Our Baptist Men have been involved in various ways:

1. October 9, 10, 11, 12, 1997 and October 16, 17, 18, 1997 we were in Fayetteville at Immanuel Baptist Church to do repairs on the Educational Building after Hurricane Fran. While there, four men and four women worked on the feeding unit.
2. January 30-31, 1998 five attended the Baptist Men's Convention in Raleigh.
3. March 25, 26, 27 four men went to the First Baptist Church in Stoneville and worked on the feeding unit after the tornado.
4. April 6, 7, 8 men were in the mountains building and repairing bridges and homes following flood.

5. April 30-May 1-2 three men worked in the mountains to complete the work on bridges and homes.
6. May 6, 7, 8, 9 two men did prison ministry at Black Mountain. Men went out to do repairs on a home, taking prisoners to help.
7. August 26, 27, 28 three men worked on the feeding unit at Winter Park Baptist Church in Wilmington after the hurricane.
8. Seven men went back to Wilmington in early September and worked on the feeding unit at Winter Park Baptist Church following the hurricane.

Biblical Recorder

Rev. Phillip L. Hunter

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress. Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary — the autonomy of the local church. But, Baptists will never preserve their democratic form of decision-making if they are not properly informed.

With a view to the two above observations, the *Biblical Recorder* seeks to provide information to North Carolina Baptists. The *Biblical Recorder* deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which seek to encourage individuals and churches in their witness and ministry.

Because people are reading less than any time in recent history, the *Biblical Recorder* launched a web-site in September 1997. You can access the *Biblical Recorder* web-site at http://www.biblicalrecorder.org.

Editor R. G. Puckett will retire at the end of this year. On 17 August 1998, Don E. Bolden, Chairman of the *Biblical Recorder's* Board of Directors, announced the election of the new Editor. Dr. Tony W. Cartledge, pastor of the Woodhaven Church in Apex, will be the 18th Editor of the *Biblical Recorder*.

The *Biblical Recorder* has a variety of subscription plans for individuals and churches to consider. Also, with the addition of its web-site, the *Biblical Recorder* is a ready source of information for the Baptists in North Carolina and beyond.

¢ENT$SM MINISTRIES

Annual Report from *¢ENT$SM MINISTRIES*,
September 1998 for Annual Book of Reports

Stanly Baptist Association began financial support of CENTS Ministries in 1997 with love gifts. At the beginning of January 1998, we had assisted 98 families through a termination crisis in their lives. Since then, support donations of individual churches in SBA and others have allowed us to have now served 162 families, 64 since January 1, 1998, which consistently averages 8 per month (162 divided by 20 months, or 64 divided by 8).

We have averted suicide, divorces, home foreclosures, auto repossessions. We have paid providers for medical treatments about to terminate without payments and improved the quality of life for their children. Last Christmas, we carried Christmas gifts to the children of 14 families that would not have had Christmas otherwise. What a Christmas we had here sharing the love of Christ. We have already scheduled to do the same this Christmas.

We have heard back from 52 pastors that are back in some church related position winning souls to know our Lord, changing lives and challenging Christians to live Godly lives. Those remaining are still working secular jobs allowing themselves, and their families, time to heal from the trauma they have experienced.

During 1998, we tested the offering of several services listed in our brochure. While we believe all of these are important, we believe that we are still a very young ministry and that some of these areas are areas for future expansion. Therefore, we have refocused on our original goals of Job Search Assistance and limited financial aid. For assistance in these other areas, for now, we are referring families and churches to other assistance.

Daily, we call on individuals, businesses, churches and other groups such as Associations, Synods, etc. to make necessary donations. We have worked just as hard, if not harder, to get Job Services donated as we have for pure financial donations. We have asked all donors if we could publish their names in recognition of their support. However, since 91% asked to be anonymous, we have elected not to publish anyone's name. We have received Cars donated to families and many services. **Thank you, SBA, for your help to continue this ministry.** We trust that you (all messengers and members of Stanly Baptist Association) will find our work worthy of your continued support, **and, if at all possible, perhaps increased support** to help us reach others.

While I can not call any specific church names, let me mention that we have received several gifts that ended in 34 cents and 67 cents, etc. I want those churches to know it has not gone un-noticed. This tell us that your widows and children have robbed their piggy-banks to give. What a testimony! Thank you one and all.

We also appreciate a letter of commendation from Dr. James H. Royston, Executive Director-Treasurer of the Baptist State Convention of North Carolina of August 27, 1998: ***"I am glad you are doing what you do and wish for every success in the future. We will monitor your ministry and make others aware of it as an important resource."***

The following page is a recap of all our receipts and disbursements. We have committed to publish the following page at the end of September and December 1998 as a quarterly report, and then change to a semi-annual report with the next one published the end of June 1999 and December 1999. I trust you will find that we have used everyone's gifts with utmost care and honor.

Sincerely in Christ,
Don G. Mullis
Chairman/Executive Director

Christian Higher Education

Rev. Tab Whitley

The ever changing demands of a technological society call for an increasing number of high school graduates to consider attending institutions of higher education. For over a century North Carolina Baptists have supported higher education both financially and spiritually. Along with public and other private institutions of higher learning, the Baptist State Convention supports seven institutions which are open to students who may wish to choose from a variety of career training opportunities.

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and Baptist State Conventions.

The major change in relationship which occurred in the 1997 Baptist State Convention in relation to Christian Higher Education was with that of Meredith College. Meredith College will now be an affiliated education institution in its relationship with the N.C. Baptist State Convention as is Wake Forest University.

Well over 20,000 students attended the seven institutions with total graduates exceeding 4,000 in the 1997-98 school year. May we pray for these institutions that they continue to devote themselves to the cause of Christ in their educational endeavors.

Following is a list of the North Carolina Baptist Colleges and Universities: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wake Forest University and Wingate University.

Christian Life and Public Affairs

Rev. Grady Taylor

The Christian Action League of North Carolina serves the churches and associations of North Carolina by informing us about moral issues via e-mail, fax networks, church and civic club presentations. The present Executive Director is the Reverend Johnny Henderson. The mailing address of the Christian Action League is 6339 Glenwood Ave., Raleigh, NC 27612, (919) 787-0606. The following is a brief overview of their annual report to the Association for 1998:

Christian Values: The CAL was one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. They encouraged schools, churches, and communities to recognize, commemorate and learn about the Christian heritage and history of our nation.

Gambling: CAL continues to monitor the efforts of the lottery proponents to bring a state-sponsored lottery to North Carolina.

Sex Education: CAL worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state wide in our public schools.

Abortion: CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Women's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act).

Alcohol: CAL monitored all legislation concerning alcohol and drugs. Assisted communities in organizing committees to fight alcohol and drugs. CAL was very involved in the February 10th vote in Albemarle to legalize the sale of alcohol.

Pornography: Promoted and saw ratified SB 452 – Local Regulation of Adult Establishment.

Homosexuality: CAL supports the traditional family and lobbied against legislation that would have made homosexuality legal in North Carolina.

Counseling Center

Rev. Harold L. McDonald

The Baptist Counseling Center continues to play a significant part in the spiritual and emotional health of people within our county. Reliable Christian counseling is a difficult thing to find in an increasingly secular society. Gary McFarland continues to do an outstanding job in providing sound, Christian counseling for the people of our county. Having graduated with a Master of Divinity degree from Southeastern Baptist Theological Seminary, Gary completed two years of Clinical pastoral Education, as well as a two-year Pastoral Counseling Residency through a center of North Carolina Baptist Hospital. He currently serves on the staff of the Counseling Center of Charlotte.

During the 1997-98 year, Gary McFarland reported a total of 255 hours spent in active counseling. For these hours spent the Stanly Baptist Association paid $2,500.00 in subsidy — an average of $10.00 per hour. These are dollars well spent to provide quality Christian counseling for the people of Stanly County.

We are justifiably proud, as an Association, to be able to provide this needed and necessary service.

Director of Missions

Rev. Mac Keck

I want to say a thank you to each volunteer who served through the Stanly Baptist Association in this past year. We would have accomplished very little without all our volunteers. I commend each on their desire to serve God, not only through their church but through the association as well. The various directors of our programs are to be commended for their work in helping provide training sessions and opportunities for ministry. Also I would like to thank all the churches that supported the work of the association financially during this past year.

I thank you as an association for allowing me the privilege of attending our State and National Conventions, the annual Directors of Missions Conference, the State Evangelism Conference and a conference at Ridgecrest that used to be called Home Missions Week. The year here in the association was, as you might expect, filled with numerous committee meetings, as well as meetings with individual church members and pastors. I appreciate the opportunities of serving our churches in various ways and hope that in some small way that as an association we have been able to meet some need for you.

There are some things I would like to make mention of concerning this past year that you as an association have helped in. You have assisted some pastors and other staff workers who found themselves in need when they had to leave their churches. You did this by contributing to the Cents Corporation whose purpose is to minister to the needs of pastors and church staff who suddenly find themselves unemployed. As an association you also responded to our request to help some of those who have retired but have very little income. You voted to adopt two annuitants for a period of 15 months at $75.00 per month each. I am hoping that when this annual meeting is over that we will have decided to support a church planter in South Africa for a period of four years. We can do this because some churches have made a commitment to support one month a year for four years and I believe the association can support whatever months are not taken by churches.

We have already scheduled the Medical/Dental Mobile Unit to come to our association in July of 1999. This will give the association the opportunity to minister to some physical needs of the needy in our area but also to share a witness for our Lord Jesus Christ. The Hispanic work continues to go well as Susan Brooks and our Literacy workers teach them English and those workers and our Hispanic work co-ordinator, Jon Hoey, witness to them. A good number of professions of faith have been made and a worship service is taking place on Saturday afternoons. The association is supporting this work financially. I hope that sometime soon we can look at a ministry to other language groups in our area. Our Disaster Relief Unit has been on the go this year as volunteers have ministered in the association's name while serving the Lord. Some funds have been approved for special conferences for your benefit during the coming year. Please pray with me about those conferences.

During this past year I was invited to speak to Vine Life Baptist Church, Rev. Gary Hunsucker – Pastor, about the association and how a church can assist through the association and be served by the association. They have now requested to be considered for membership.

Discipleship Training

Rev. Jon D. Hoey

In Matthew 28:19-20 we are reminded through what we call "The Great Commission" that we (ye) are directed by God Himself to go and make disciples ... This is the responsibility of God's church and thus each ambassador (believer) who makes up that body. It is not just the responsibility of the pastor or the deacon or the visitation committee or the "missionary." That command calls each and every one of us to be a missionary and a discipler in the place God has chosen to put us — at home, in the workplace, in the neighborhood ... or in the "uttermost parts of the world."

This year, there were several opportunities to mature in this process. In April Inez Vaughn directed our annual Bible drills. While none of us would argue over the value of memorizing God's Word, *only 3 of our 62 churches* put this into action. They were Centerview, Kinza Memorial and Highland. More involvement is called for!

Sylvia Hinson also opened the opportunity to "Experience God." Only 20 people responded to this valuable study which met at the Association Center. Sylvia also volunteered to lead others in the study, "A Heart Like His." Only 15 responded.

In these last days, I urge you to look at the heart of your own church. Won't you pray one-on-one to hear where you need to be trained up as we face these last days together? Are we able to "rightly divide the Word of Truth?" Will we hear the words, "Well done, good and faithful servant" when the last trumpet sounds for us?

Evangelism

Rev. Grady Taylor

Evangelism should be the priority of every local church. Jesus gave us the commission to evangelize our world in Matthew 28:18-20, "All authority has been given to me in heaven and on earth. Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you: and lo, I am with you always, even to the end of the age." As a convention, we have a goal to present the Gospel to every individual in North America by the year 2000. "As we approach the year 2000 people are going to be climatized for evangelism. There is a spiritual hunger in North America. People are searching for Jesus Christ, but they are looking in all the wrong places. With relationships, money, power, sex — even some forms of drug and alcohol — people are searching for something to fill that God-shaped vacuum. They are looking for Jesus Christ" (Celebrate 2000 Church Participation Manual).

Each church can do their part by sharing Christ with everyone in their community. I have come to realize that every local church does evangelism differently. This makes it very difficult as an evangelism director when the time comes for training our association. Whatever form of evangelism you use, if we as an association can help you reach your community, call us!

Last year we had a special training session on "Sunday School Revival" with Fred Lunsford. The difference between this kind of revival and the "traditional" revival is that you focus on reviving your Sunday School. Let me encourage you to contact the association office for more information on how you can host a "Sunday School" revival.

Executive Committee

Rev. Kenneth Lambert

The Executive Committee of the Stanly Baptist Association held its regular quarterly meetings in January, April, July, and September to promote and encourage the ministry of the Association. From these meetings the following decisions were made:

JANUARY:

1. Approved the expenditure of up to $3,000 for a new computer system.
2. Approved the motion to become a part of internet at a cost of $29.95 per month.
3. Motion was made and approved to offer the old computer to the highest bidder, church or individual, within 30 days after we get the new system, or until the end of February. The money realized for this sale would go toward the cost of the new system.
4. The motion was made and approved to put another $25,000 into CD's.

APRIL:

1. Motion was made that we give $1,200.00 to Cents Corp.
2. Motion was made and approved that we recognize Rev. Jon Hoey as Hispanic Missions Coordinator.
3. Approved the expenditure of $2,000 for Hispanic Missions.

JULY:

1. A motion was made and approved to proceed with using the Medical/Dental Van in the Association. There will be a cost of .50 per mile, $5.00 per patient for dental work and $3.00 per patient for medical attention. If there is not a 20V 50 AMP for hook-up, it will require a cost of $3.00 per hour to operate the generator.
2. The motion was made that the Association adopt two annuitants at a cost of $75.00 each per month for the church year beginning now, July 20, 1998 through September 1999.
3. The motion was made and approved that information be sent to the churches to consider funding 20 church planters in South Africa. This would mean $300 per month for the 1st year, $225 per month the 2nd year, $150 per month the 3rd year, and $75 per month the 4th year — or if churches would work together, it would be $300 for the 1st year, $225 the 2nd, $150 the 3rd year, and $75 for the 4th year.
4. Approved the motion to pay the Internet item for one year, saving the Association 10% of the cost.
5. The Nominating Committee Report was recommended and approved.

SEPTEMBER:

1. Vine Life Baptist Church is asking to be considered for Watchcare prior to being admitted to the Association. This will be addressed for next year, 1999.

General Board

Mr. C. Wayne Mabry

It is a privilege to report to the 114th Annual Session of the Stanly Baptist Association that 1998 is and has been a very good year for the General Board of the Baptist State Convention of North Carolina.

We Baptists should take satisfaction in the many accomplishments that have occurred this year: the leadership shown by our Convention President, Dr. Mac Brunson,

and the election and subsequent installation of Dr. James Royston as Executive Director. This leadership is credited with the fact that our overall giving is up for the year.

For the third year as a member of the Business Management Committee and Chairman of the Audit/Contingency Committee, it is with pleasure that I can assure you once again of the loyal and dedicated employees of our Baptist State Convention.

The dedication that these employees display in maximizing the value of the gifts and tithes that have been entrusted to them for the use of our convention is inspiring. This has been verified each year by the management letters from our outside auditors. For those good folk we give thanks.

In conclusion, it is my hope that over the ensuing years that we lay people become more actively involved in our Baptist State Convention and our own Stanly Baptist Association.

International Mission Board

Rev. Claud Dick

From the annual report to the Southern Baptist Convention meeting in Salt Lake City, Utah, in June 1998, the following information will provide a better understanding of the scope of our mission work in the area of Foreign Missions.

Global growth over the past twenty years has been dramatic. Average annual new church growth has increased from a thirty-seven-year annual average of 3.5% to 4-5% to an annual growth of 6-7% from 1993 to the present.

The work of the International Mission Board has as its foundation the Great Commission, "Go therefore and make disciples of all nations ..." (Matthew 28:19a).

Additions to the missionary force in 1997 included 189 career missionaries, 57 missionary associates, 15 missionary apprentices, 14 reappointments, 130 Journeymen, and 233 two-year International Service Corps personnel, for a total of 628 new missionaries, and a total of 4,248 missionaries serving through the International Mission Board.

In the area of evangelism and church growth in 1997 there was good but plateaued growth among many of the International Mission Board's overseas partners. This led to a complete revitalization of the overseas organizational structure. Growth in the total number of churches crossed over the 40,000 mark, increasing from 39,876 to 41,521. Membership totals reached 4,112,181 in 1997, a 0.3% increase.

There are increases in almost every area of International Missions and as opportunities continue to open to the International Mission Board may every church and every Christian be willing to do his or her part to advance the cause of Christ around the world. Let us pray and give so that others will come to know our Lord Jesus Christ.

Literacy Missions

Mrs. Susan Brooks

This has been a challenging and rewarding year for Literacy Missions. Our volunteers continue to be active working with the English as a Second Language classes. We have had a good response to the classes throughout the year.

Our Association has continued to sponsor a class on Saturday nights. In the past it has been held at the Associational Center, but starting this fall it is being held at First Baptist Church, Locust. We would like to thank them for allowing us to use their facilities. It is easier for many of our students to attend because they live in the Locust area.

Jon Hoey is the director for this group. Our volunteers that work with him are: Gale Hoey, Connie Gilbert, Susan Brooks, Alda Miller, and Delores Nichols. Marge Brewer continues to be active in the Norwood area. She has a class at Memorial Church, and one in the homes. There are others that have volunteered for this ministry either helping to teach the classes or bringing refreshments.

We appreciate all our volunteers and the work that they do. This ministry could not continue without them. We ask that you all pray for God's blessings on this ministry.

Music

Mr. Dan Hazlett

Churches throughout the Association continue to use music as both a form of worship and as preparation for the spoken Word. The Association office encourages the music programs by making some music available and providing a music exchange through the Association Director of Music.

Highlights of music programs this year include special anniversaries of such Music Directors as Hoyle Whitley, who has been at Mission Baptist 25 years, and special recognition of such leaders as Memorial Baptist's Herbert Gray, who along with his wife, Berrel, received the Joe E. Parks "*Heart of A Servant*" award during the Parks Choral Festival in August in Spartanburg, South Carolina.

The 1997 Association meeting featured music by two of our active musical young people, Jake Carpenter from Anderson Grove and Summer Holt from North Albemarle. During the year Jake was graduated from North Stanly High School and began music training at Appalachian State University. Summer, a student at UNC-Greensboro, was one of the ten finalists in the 1998 Miss North Carolina Scholarship Pageant, competing as Miss Stanly County.

The 1998 Association meeting will include special music by outstanding male vocalists James Gill, Anderson Grove; Kerry and Dale Burris, Kendalls; Rob Roberts, the new pastor at West Albemarle. An exciting undertaking for this year is the Associational Choir. Representatives from all of our churches were invited to participate in "*The Story*", a cantata by David Clydesdale to be presented in the special music portion of the Tuesday evening session. The singers enjoyed the musical preparation and the opportunity to fellowship during practices that were held during September and October. Special thanks to all those who are singing and to Leesa Bell and Grace Baptist for hosting the practice sessions.

Churches are encouraged to continue their community outreach through special music programs which attract visitors and to continue making music a genuine form of worship for their congregations. If you need assistance in any way, contact Dan and, as the Association Music Director, he will try to help or get you in touch with one of the local church directors who can.

The North American Mission Board

Rev. Harold L. McDonald

Formerly known as the Home Mission Board, the North American Mission Board is an agency of the Southern Baptist Convention. In cooperation with SBC churches, associations, and state Baptist conventions, its purpose is to reach the United States and Canada for Jesus Christ. The name change came on June 19, 1997 when three

former agencies — the Home Mission Board, the Brotherhood Commission and the Radio and Television Commission — were brought under one department in order to utilize the resources more efficiently and effectively.

Nearly 5,000 North American missions personnel serve in the United States, its territories and Canada. In addition to the professional missionary personnel, more than 2,500 SBC-endorsed chaplains and 100,000 adult and student volunteers make significant contributions in starting churches, evangelism and disaster relief. The Annie Armstrong Easter Offering provides in excess of one-third of the NAMB's financial support. 100% of this offering goes for the support of the missionaries on the field. A record offering of $41 million was given in 1997 and it is strongly felt that the 1998 goal of $42 million will be exceeded. A goal for 1999 has been set at $45 million.

Evangelism and church planting continue to be the two major thrusts of the NAMB. Last year Southern Baptists baptized over 412,000 people and started nearly 1,500 new churches. Even so, there remains an estimated 200 million people in the United States and Canada who still do not know Jesus Christ. The NAMB will continue its emphasis on witness training, interfaith witness, church and community ministry and special evangelistic events. The NAMB will continue its strong work in establishing churches and missions among all ethnic and language groups in the United States and Canada.

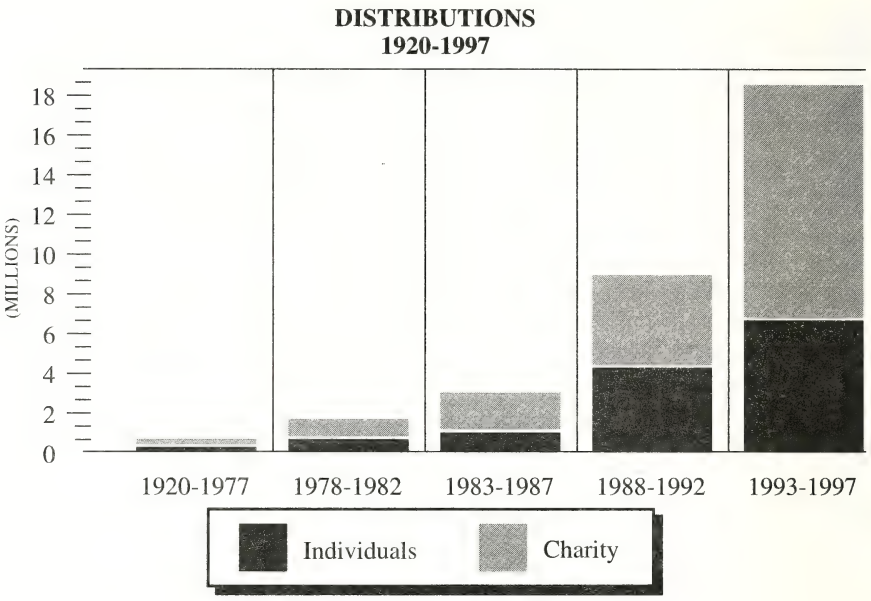
North Carolina Baptist Foundation, Inc.

Rev. Bobby Mowery

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1997, the Foundation held $72,432,412 under management. In 1997, $3,473,850 was distributed to Baptist work and $1,542,473 was distributed to individuals for a total distribution of $5,016,323.

The income distributions for the entire 78-year history of the N.C. Baptist Foundation totals: $12,475,237 income paid to individuals and $19,533,109 to Baptist churches, institutions and mission causes for a grand historical total of $32,008,346.



The North Carolina Missions Offering

Rev. Larry Linker

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state missions programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Stanly Association received approximately 10 percent of the 1997 special offering collected in the association. Last year (1997), $4,599.76 of the $49,044.09 collected from 34 of the association's 62 churches and missions was sent back to the association.

In 1997, the North Carolina Missions Offering also supported NC Woman's Missionary Union, NC Baptist Men (Brotherhood), and many of the Missions Division's vital ministries. The number of individuals in the Stanly Association who participated in these groups in 1997 includes:

25 boys to Camp Caraway
1 person to Christian High Adventure
5 people to Disaster Relief Training
3 people to Medical/Dental Conference
2 people to NC Baptist Men's Convention
6 people to NC WMU Associational Leadership Training
40 Girls to GA & Acteens Camp at Mundo Vista

Ordination Advisory Committee

Rev. Otis Goins

The Ordination Advisory Committee for the Stanly Baptist Association met in February 1998 to question Mike Bradley at the request of the Fellowship Baptist Church. After extensive examination the committee recommended to proceed with the ordination process. Mike Bradley was ordained March 15, 1998 and is serving as Associate pastor at Fellowship Baptist Church.

The Stanly Baptist Association Ordination Advisory Committee met April 1, 1998 for the purpose of questioning Mark Little for the Gospel ministry. The Committee recommended to South Stanly Baptist Church that Mark Little be ordained. The ordination service was held on April 19,1998 at South Stanly Baptist Church. Mark Little is serving a church in Anson County.

On June 20, 1998 the Ordination Advisory Committee examined Jeff Whitecotton. This meeting was requested by Locust First Baptist Church. The Committee unanimously recommended that the ordination of Jeff Whitecotton be conducted. The ordination service was held on August 23, 1998. Jeff Whitecotton is serving at Austin Grove Baptist Church.

The Ordination Advisory Committee met on November 20, 1998 to examine Gary Pinion. After extensive examination the Committee recommended that Gary Pinion be ordained into the ministry. Gary Pinion is serving at Grace Baptist Church as Associate.

Prayer Committee

Rev. Mac Keck

The Stanly Baptist Association Prayer Committee for this past year was composed of three pastors, plus two laymen as well as the Moderator and Director of Missions. Meetings were scheduled monthly for the purpose of praying for the work of the Association and for revival and spiritual awakening.

This past year found us praying not only for these causes but for many and varied requests. We have prayed for those churches who have been faced with seeking a pastor. We have prayed for various requests that have been mentioned to us by others outside the prayer committee as well as those who are a part of the committee. I could not begin to tell you of all the various areas of prayer requests that we have prayed for.

We are already praying for planned activities for the coming year for we believe that if we see God at work in these events then we must be faithful to ask for His blessings upon the work.

One of the great blessings to come out of this committee for me has been the fellowship among the members of the committee. Six churches were represented this year in the makeup of the committee and it is a great blessing to come together with those of other congregations and experience such a closeness and sweet spirit of fellowship. If you are not involved in the prayer ministry of your church I encourage you to get involved. You will find tremendous blessings in the ministry of intercessory prayer.

Baptist Retirement Homes

Rev. Robert Ellis

TREASURES OLD and NEW

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, *"Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old."* Matthew 13:52.

During this past year God has enriched Baptist Retirement Homes with special treasures.

TREASURES OLD

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY — Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, *"Thank You"*, to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS — These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albemarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston-Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

As of this writing there will be an Open House and Barbecue at The Taylor House on Tuesday, September 15th. We are sure that it will be as wonderful a time of fellowship as was last year's Open House. Last year there was a slight problem with some rain showers, but the weather is in the Lord's hands.

Please continue to be in prayer for our Senior Adults. Don't forget to support our Senior Adults in February for the North Carolina Baptist Retirement Homes Offering.

I hope that you all will take time to visit our church members, friends, and family members of older years. There is much wisdom to be learned from them all.

Stewardship Committee

Rev. Ron Honeycutt

A missionary living in the bush country of Africa encountered a visitor at his hut. It was a young native boy holding a large fish in his hands. The boy said, "Reverend, you taught us about tithing, so here — I've brought to you my tithe." The missionary gratefully accepted the fish while asking the native boy, "If this is your tithe, where are the other nine fish?" At this, the boy beamed and said, "Oh, they're still back in the river. I'm going to catch them now."

Godly stewardship is not only a responsibility but it is also an opportunity. It is an opportunity for every believer to give to God a cheerful gift, a consistent gift, and a gift given in faith. Your Stewardship Committee wishes to thank you for accepting the responsibility and taking advantage of the opportunity by giving cheerfully, consistently, and in faith to your Stanly Baptist Association. You have given just as the young native boy. Thank you!

It is due to the ever-present goodness of God and your faithful giving that the 1998-1999 Budget found in the Book of Reports, as recommended by your Stewardship Committee, represents a 4.01% increase above the 1997-1998 Budget.

Sunday School

Rev. Dan W. Abernathy

Sunday School is the church organized and functioning to meet the spiritual needs of all the people. The Great Commission teaches the church to reach out to these spiritual needs through the functions of: Evangelism, Discipleship, Ministry, Fellowship and Worship. When the church commits itself to these essential functions, there will be numerical growth, spiritual growth, ministries expansion and mission advance. The Sunday School accepts this as its guiding principle. Sunday School is the church at work in carrying out the Great Commission. The Associational ACTeam is here to assist and encourage each church to build this kind of Sunday Schools.

In preparation to help you, our team attended the State Leadership Conference at Ridgecrest. These people are committed to letting God lead them in serving you. They personally helped deliver to every church a free copy of "The Power To Change Lives," The Complete Guide For Building Great Commission Sunday School 1998-99 by Bill L. Taylor. On September 14th we conducted the Associational Sunday School Leadership Conference at the Kendalls Church. We used the 1998-99 leadership material on the Great Commission, "The Power To Change Lives". There were 62 people present from 16 churches. A "Big Thanks" to all those who attended. Yet, we are saddened because so many Sunday School leaders and teachers failed to get to this training.

The 1998-99 Sunday School Theme is: CARRY THE LIGHT — SEEK GOD'S POWER. The Associational ACTeam will be praying for this to become a reality in each Sunday School. If we can assist you in any way, please contact the Association office or myself.

This year we were part of a pilot program where three associations: Cabarrus, Rowan, and Stanly, met together April 7, 1998 at First Baptist Church, Concord for the Vacation Bible School Clinic. We had an attendance of 72 while in 1997 our attendance was 107.

Janice Haywood says, "Several of you have asked about next year. We have evaluated the expenditure of time and money in conducting the pilot tri-association clinic

and have determined the results did not seem to justify the expenditure of money and time. I am not saying that the event was not successful, because I think some good training took place. It is just that we need to keep looking for another model that is more cost and time efficient for you and me."

Volunteers On Mission

Rev. Mac Keck

God calls us all to be on mission. In every church there are numbers of volunteers who year after year faithfully serve the Lord in various ways. The church could not carry out the work God intends it to do without volunteers to do the work. Volunteers are simply God's children at work doing what they are gifted to do in obedience to Him. Some of the following are those who also volunteered to serve somewhere or in some way that are not normal activities of their church.

LOCAL MISSIONS:

Some 20 volunteers from South Albemarle and Centerview Churches conducted a Backyard Bible Club at Morgan's Mobile Home Park in Stanfield. Gale Hoey of South Albemarle and Debra Faulkner of Centerview served as Directors. There was a total enrollment of 92 which resulted in 29 decisions for Christ.

North Albemarle Baptist Church conducted a Backyard Bible Club at Sundale Village on Austin Road. Vicky Webb served as Director. There was a total of 16 volunteers participating in this mission work. They had a total of 42 enrolled. Most all of the children attending were already in churches so it was a time of learning more about Jesus and His love.

Mrs. Marge Brewer of Memorial Baptist Church led a Hispanic Bible School in Norwood with 19 children enrolled. She also has tutored 5-6 Hispanic elementary students and led an English as Second Language class at the church with 2-5 adults. She has begun, in September of this year, another English as Second Language class at the church with 6 students enrolled and has begun an English as Second Language in a Hispanic home. In addition on September 17th, she began tutoring 2 Hispanic 7th graders that she had worked with the previous year.

During the past year 9 volunteers representing the following Churches: Aquadale, Centerview, Kendalls, Philadelphia, Porter and South Albemarle, met at the Association Office to teach English to some of the Hispanics in the area. These volunteers were led by Rev. Jon Hoey and Mrs. Susan Brooks. They averaged 11 students. Currently they are meeting at First Baptist in Locust and having a much larger group. The following churches were volunteers in providing refreshments: Albemarle First, Anderson Grove, Kendalls, North Albemarle, Philadelphia, Porter and South Albemarle.

STATE MISSIONS:

Mrs. Marge Brewer, of Memorial Baptist Church, assisted in the State Fair Ministry, sponsored by North Carolina Campers on Missions. This ministry was over a period of 11 days and involved ministry to both fair goers and fair workers. The volunteers gave blood pressure checks, served some 4,435 meals to fair workers, shared salvation tracts, and prayed with those whom they ministered to. There were many opportunities for counseling and witnessing, as well as meeting other special needs. There were 5 known professions of faith. Four cases of New Testaments were given out (48 per case) and 78 complete Bibles.

Baptist Men have served as needs were made known by the Baptist Men's Organization of the North Carolina Baptist State Convention. On October 9, 10, 11, 12 and again on October 16, 17, and 18, 1997, volunteers were in Fayetteville at Immanuel Baptist Church to do repairs on the Educational Building after Hurricane Fran. While there, four men and four women worked on the feeding unit ... March 25, 26 and 27 four men went to the First Baptist Church in Stoneville and worked on the feeding unit following a tornado in the area ... April 6, 7 and 8 men were in the mountains building and repairing bridges and homes after the area experienced a flood that caused extensive damage ... Again on April 30th and May 1 and 2 three men worked in the mountains on the bridges and homes to complete the work needed after the flood damage ... May 6, 7, 8 and 9 two men worked in Black Mountain in prison ministry. They took prisoners out and worked to do repairs on an elderly man's home. They also ministered to the prisoners ... August 26, 27 and 28 three men worked on the feeding unit at Winter Park Baptist Church in Wilmington following damage caused by a hurricane ... Seven men went back to Wilmington in early September and worked on the feeding unit at Winter Park Baptist Church, again due to the needs brought about by the hurricane.

NORTH AMERICAN MISSION TRIPS:

Lakeview Baptist Church had 7 volunteers under the leadership of Rev. Tab Whitley to go to Rochester, New York to help with Bible Schools and Back Yard Bible Studies. The trip was from July 24th through August 1st. They joined with the Gaston Baptist Association for a total of 96 volunteers with results of 13 first time decisions for Christ.

North Albemarle Baptist Church had 12 volunteers (youth and leaders) to go to Charleston, SC the last week in July. The main emphases of their mission trip was a Backyard Bible Club organized by Charleston Outreach. They had attendance of 40 plus. They shared Bible stories, songs, games, and crafts. They were blessed as one of the children prayed to receive Christ. The volunteers also participated in street, shopping center and apartment surveys for Charleston Outreach to assist them as they prepared to open a free Dental Clinic.

INTERNATIONAL MISSION TRIPS:

David Marbry, of Union Grove Baptist Church, went on a mission trip to South Africa with a group of 10 people from South Roanoke Association. The trip was from September 1st through September 17th and the purpose of the trip was to build a church.

Rev. Jon Hoey, of South Albemarle Baptist Church, led the ReachOut '98 Missions Team to Mexico City for an 11 day ministry. Their plan called for distributing gospel tracts in the Northeastern section of Mexico City (the world's most largely-populated city with a population of 28 million people), holding two children's Bible schools in Azteca Ciudad (part of this vast city) and two evening crusades complete with the *JESUS* film. They took on another work project when they discovered the missionaries' "home helper" lived in a run-down row house. She experienced God's agape love through the caring of the team and has, since the team's return, accepted Christ as her Savior and Lord. More than 13,000 tracts were distributed as the team assisted the missionaries in making contact there. Please pray for the people of Mexico.

Woman's Missionary Union

Mrs. Joyce C. Whitley

1997-1998 has been a year striving to walk closer to God and understand His will for our Associational WMU. We set our goals and objectives again this year to try and bring together the resources of individual churches so that we, in joining together, could increase our efforts in our community through mission work. Our support of the Taylor house with our "pounding", and our giving to Christian Ministries are examples of this year's efforts.

The emphasis for 1997-1998 was "Come Go With Me." This theme came alive as many churches helped to further Associational work. Thank you to all churches and organizations that gave their time to our Hispanic ministry. Many G.A. groups came and served refreshments. Others ministered to the schools with mentoring and school supply donations. My heart is filled when I see what God is doing through His people here in Stanly Association.

In May, I attended the Key Leadership Conference at Ridgecrest, and in July the State Workshop at Caraway. Throughout this year, "going with God", has centered my activities and helped me to find the correct pathway as I continue to journey with Him.

Our annual scholarship was presented to Miss Christy Marie Morgan. Christy is a member of Cottonville Baptist Church and is currently attending Wingate University.

Our Annual Session in April was held at Paul's Crossing Baptist Church. Mr. Bill Hatley, V.P. of the Board of Directors for Christian Ministries, spoke to those assembled about the work done with the help of our donations. Rev. Jessie Dennis spoke about his relationship with WMU and touched our hearts with his uplifting message. A great thank you to Claudette Burris and Lisa Turner, to Buddy and Penny Whitley for the wonderful music. A heart-felt thank you to Paul's Crossing for the use of their facilities and the refreshments that followed the meeting.

During this year, I have had the opportunity to speak to and work with many churches that are just starting or re-starting their WMU organizations. We now have many co-ed groups forming throughout the association at all age levels. Pray that God will burden someone's heart to become involved with Co-ed Ministries.

Thank you to all pastors, churches, leadership team members, and dedicated workers that contributed to WMU this year. May God continue to strengthen all of us to His service.

History of First Baptist Church, Locust

FIRST BAPTIST CHURCH, LOCUST

God works in great and marvelous ways among His people when they hear and obey His call. After several revivals under brush arbors, in 1883, preaching by a missionary Baptist was held in the public school house of Locust Level. In March of 1884, Rev. G. A. Honeycutt, W. G. Morton, and Washington Russell perfected an organization, with Rev. W. G. Morton becoming the first pastor. On the day of the organization, Emsley D. Teeter united with the church and was elected clerk, secretary, and treasurer. Later the same year, he was licensed to preach. James A. Furr was ordained as the first deacon.

A lot adjoining that of the school was purchased on which a brush arbor and stand were built. Services were held there for a year or two, until a one-room structure was erected. Preaching services were held once each month, with preaching and conference on Saturday and services on Sunday morning.

There were 12 charter members, but only one deacon is mentioned — that of James A. Furr. The name given the church was the Baptist Church of Locust Level. As other Baptist churches came to the community, the name was changed to Locust First Baptist Church. The church was a charter member of the Stanly Baptist Association organized in 1885.

No Sunday School is mentioned until 1891, when J. C. Teeter was elected superintendent. A Missionary Society was organized with Mrs.. R. W. Simpson elected as president.

In 1947, land was purchased adjoining the cemetery property, purchased in 1891, and the church moved to the present location, where a structure was completed in 1948. Under the leadership of Rev. E. W. Pate from June 1965 to August 1971, the church had an addition of 239 members. In 1966, the church began having Sunday Evening Worship Services, Training Union, and Mid-week Prayer Services.

Under the leadership of the current pastor, Kinney Wallace, who came to the church on October 31, 1978, the church added 280 members. In 1982 construction was started on a new sanctuary with a seating capacity of 600. Dedication and Open House was May 29, 1983.

Eight young men were ordained for the ministry from 1979 to 1998. One young lady, Lisa Wallace, was commissioned as US-2 missionary to the North American Mission Board.

Today with 725 members, the church has Sunday School organizations, Sunday morning and evening worship services, mid-week services, Baptist Women, Baptist Young Women, Mission Friends, GA's, RA's, Acteens, choir practices for adults, youth and children, Youth meetings, Children's Church, a tape ministry for shut-ins, and a weekly radio broadcast. "The Communicator" goes into the homes of its members weekly.

God has richly blessed His work in this place. We appreciate the devoted, sacrificial service of our church family and the ones who served before us in their gift to us of a godly heritage.

UNION GROVE BAPTIST CHURCH

History of Union Grove Baptist Church

Union Grove Baptist Church had its beginning in a brush arbor in 1880, where services continued until a church was organized October 15, 1885. The first services were held in the Holt Schoolhouse.

Union Grove Baptist Church joined the Stanly Baptist Association when it was organized in December of 1885.

In 1886 a one-room frame structure was erected for worship. This building was enlarged in 1913 and the steeple and bell were added. This was a wood building located on the lot where the present building is now situated.

The first regular Sunday School was reported in 1887.

A brick sanctuary was built in 1941. This building included a full basement to house the Sunday School. In 1950 a second building program was undertaken to add additional Sunday School rooms to the back of the church.

The third floor was added in 1967 to the back of the church, a baptistry installed, the choir loft built and the church organ was purchased.

A spacious fellowship hall was erected during the late 1970s, with a full basement that houses additional Sunday School rooms.

In 1987 a tall beautiful steeple was erected in memory of Mrs. Estelle Mabry.

In 1999 the sanctuary was completely renovated, including the installation of new windows, carpet and chandeliers.

As we are well into our second century, we are so thankful to our forefathers who had the concern and foresight to organize and become the backbone of Union Grove Baptist Church. We pray that we will continue to stand tall in our community for centuries to come and to "Give God the Glory for all the Great Things He Hath Done."

Lee Church was called to serve the church as Pastor, beginning his ministry August 29, 1999.

STANLY BAPTIST ASSOCIATION

Bylaws

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following Bylaws. Nothing in these Bylaws shall permit the Association to infringe upon the sovereignty of the rights of affiliated churches. Yet in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

This Association is Southern Baptist and insofar as is practical, it will cooperate with and support the Baptist State Convention and the Southern Baptist Convention.

ARTICLE I
NAME

This body shall be known as the Stanly Baptist Association.

ARTICLE II
MEMBERSHIP

The Association's membership shall consist of affiliated churches.

Section 1. **Conditions of Affiliation.**

A. An affiliated church shall be one supporting the denominational program, the doctrines, policies and finances of the Association.

B. The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using **"THE BAPTIST FAITH AND MESSAGE,"** as adopted by the Southern Baptist Convention 1963, as a guide for interpretation but not intended to be used as a creed.

Section 2. **Process for Receiving Affiliated Churches into Membership.**

A. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the Annual Meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relation to other churches of the Association and its willingness to abide by the charter and Bylaws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at or before the September meeting of the Executive Committee, its findings and recommendations for Associational action at the next Annual Meeting.

B. If, at the Annual Meeting, the Association accepts the recommended church by a 2/3 **majority** vote of those present and voting, then the recommended church shall meet the following requirements:

1. That the recommended church be placed under the watchcare of the Stanly Baptist Association for a period of one year.

2. That the recommended church shall send non-voting representatives to attend the Executive Committee meetings of the Association.

3. That the recommended church encourage the Pastor to attend the Ministers' Conference.

4. That the recommended church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

a. A report of enrollment and attendance quarterly.

b. A report of monetary receipts and disbursements quarterly.

c. A report of ownership and property and real estate annually.

5. Member of watchcare churches shall not be eligible to serve on any elected or appointed committees, program directors, or as officers.

C. Any affiliated church that has been received under the above procedure under the watchcare of the Association for a period of one year, may at the next Annual Meeting request approval of its full affiliate and membership status. It shall give notice of its intent to seek such full status to the Missions Development Council which shall make a recommendation for action by the Association. The Association meeting in session shall receive the recommendation and vote on the request of the church. A two-thirds majority vote of those present and voting shall be required for acceptance of full membership status. The Association may, alternatively, vote to continue the watchcare status for another year. Should no motion receive a two-thirds approval, the church's relationship to the Association shall be severed.

D. Removal from Membership: By a majority vote of two-thirds of those present and voting at the Annual Meeting or properly called Special Meeting, any church may be removed from membership status. Any motion to remove such membership status, however, must be made by the Executive Committee which prior to any vote shall advise the church subject to such action of the proposed motion and provide an opportunity for the church to address the Executive Committee.

E. Any affiliated or watchcare church may withdraw from affiliation by written notice from the pastor or messengers of that church, after an appropriate church vote.

ARTICLE III
GOVERNANCE

The government of this Association shall be Southern Baptist in nature, with final authority on all matters being vested in the affiliated churches acting in Annual or Special Session through their messengers, pastors and duly elected officers.

As otherwise set forth herein, the Associational Council shall carry out the decisions of the Annual Session, and shall have the powers of a Board of Directors, subject however to the limitations set forth herein. Neither the Associational Council, the Executive Committee, nor any other committee or officers shall have authority to adopt or amend Bylaws, purchase or sell real property, incur debts, adopt budgets, hire or dismiss staff, or modify affiliation relationships without the express instruction of the Association acting in annual or called session, of specific authorization as set forth in these Bylaws. The Associational Council shall provide for a suitable bond for the Associational Treasurer to be paid for by the Association.

The Executive Committee shall be composed of the Officers of the Association, Program Directors, the Institutional Representatives, all Pastors of affiliated churches and one elected representative from each church and shall serve for the Association ad interim. In order for the Executive Committee to transact the business ad interim, there shall be a quorum of at least thirty (30) percent of the churches affiliated with the

Association represented at each meeting. The representatives from each church shall be elected by the church to which the member belongs and recorded in the Annual Church Profile to the Association.

ARTICLE IV
MESSENGERS AND REPRESENTATION

The affairs of this body, spiritual and temporal, shall be governed by its affiliated churches, acting through their messengers and pastors, as well as duly elected officers. Those entitled to attend and vote on all matters affecting the Association shall be the following:

1. General Officers of the Association as set forth in these Bylaws, and

2. Elected messengers. Each church shall be allowed three messengers for the first 200 members or fraction thereof and one for each additional 50 members. A church may have a maximum of ten (10) messengers. The church shall notify the Association office in writing of those persons duly elected by the church as its messengers, and

3. Pastors of the affiliated churches.

ARTICLE V
MEETINGS

Section 1. **Annual Session.** The Association shall hold a regular Annual Session on Tuesday and Wednesday after the fourth Sunday in October for reports, discussion and business matters.

Section 2. **Other Meetings.** A Spring Session and/or Called Sessions may be held with (30) thirty days notice, if the Executive Committee so determines.

Section 3. **Action.** Except as otherwise provided herein, actions of the Association shall be by majority vote of those present and voting on any matter properly before the body for action.

Section 4. **Rules of Procedure.** The procedures governing the business sessions of the Association shall be the general procedures set forth in the most recent edition of Roberts Rules of Order. Such rules, however, may be suspended by the Moderator when they conflict with a commitment to full discussion of the issues, or where their mechanical application would confuse or distort or unduly delay the process. Any diversion from ordinary procedures may be challenged by messengers, and a vote shall be taken on whether the procedures adopted by the Moderator will be sustained. The decision of the body on any such challenge shall be final.

Section 5. **Absence of Moderator.** In the event that the Moderator and Vice-Moderator are absent, the session members will elect by plurality vote a man to "alma moderator" for that one meeting with the responsibility of the position, Moderator. Precedence will be given to a man with the experience of the position in past sessions.

ARTICLE VI
GENERAL OFFICERS

The officers of the Association shall be: Moderator, Vice-Moderator, Clerk, and Treasurer who shall be elected at each Annual Fall Session after the messengers have been enrolled; and shall take their office at the close of the present Annual Session, and

continue until the close of the next Fall Session. Other officers of the Association shall be all Program Directors of the Stanly Baptist Association as well as the President of the Stanly Baptist Ministers' Conference, and the Stewardship Chairman. All committees and representatives shall also take their office at the end of the Annual Meeting and continue until the end of the next Annual Session.

Section 1. **Moderator.** The Moderator shall preside over meetings of the Association and the Executive Committee. No Moderator shall serve for more than two consecutive sessions. No Moderator having served two consecutive sessions shall be eligible to reelection until after the lapse of one year. The Moderator will be President of the Corporation.

Section 2. **Vice-Moderator.** It shall be the duty of the Vice Moderator to discharge the duties of the Moderator in his absence, to serve as an associate in his presence, and serve as Chairman of the Program Committee. Should the office of Moderator become vacant, the Vice Moderator shall immediately accede to this office. Should the office of Vice-Moderator become vacant, it shall be the duty of the Executive Committee to select a Vice-Moderator.

mendation for such discipline forwarded to the other members, until the member shall have been notified, or bona fide effort made to notify, of such pending matter including information of the charges and an opportunity to appear before the Associational Executive Committee in person and to forward information relevant to the matter.

Section 4. **When Made.** Any recommendations regarding discipline shall be made at a regular or special business meeting with prior notice of the general subject matter and proposed recommendation being provided all the members. The member against whom action is proposed shall be given an opportunity to be heard at the Associational Meeting. A two-thirds vote shall be required to approve any Associational Executive Committee recommendation in connection with this Article.

ARTICLE XVII
WAIVER OF DEFECTIVE NOTICE

Any defect in notice for any meeting held by the Stanly Baptist Association, or of any committee or board thereof, is waived by every member who is present or has actual notice of the meeting and does not raise a timely objection to such notice within five (5) minutes of the start of such meeting. Any defect in notice for a vote is waived by all those present and all those with actual notice who do not raise a timely objection to such notice within five (5) minutes of the start of such a vote. Those who object need not abstain from voting in order to retain their objection.

Any objection to a meeting or a vote by a person not in attendance and without actual notice of the meeting must be raised at the next meeting or vote, whichever comes first. Along with such objection, evidence must be presented that is sufficient to support a finding that the vote, or the events at the meeting would have been substantially different if such notice had not been defective. The Associational Executive Committee shall determine if the evidence presented meets the above criteria. If no such objection is raised, the defect is deemed waived. If an objection is made, but no such suitable evidence is presented, or no evidence at all is presented, then the defect is deemed waived.

Proceedings of the First Day's Session

FIRST BAPTIST CHURCH, LOCUST

Tuesday, October 26, 1999

Theme: Hebrews 13:8

Jesus Christ the same yesterday, and today, and for ever.

1. The first session of the 115th Annual Session convened with the messengers and visitors singing *"Standing On the Promises"* and *"Glorify Thy Name"*, led by Dan Hazlett, Associational Music Director. Accompanist was Mrs. Margie Gordon.
2. Devotion was led by Dr. Terrell Watts, pastor of Oakboro First. He read fromActs 14:27, Colossians 4:2-4, and Revelation 3:7-8. Using *Open doors/shut doors*. He closed in prayer.
3. Kinney Wallace, pastor of Locust First, made announcements concerning the facilities.
4. Lowell Brown, moderator and pastor of Bethlehem Church, declared the 115th session of the Stanly Baptist Association in session.
5. Howard Benoy, Chairman of the Credentials committee, made the motion that those who have registered and those who will register later make up the 115th Annual Session of the Stanly Baptist Association, that we may hear reports, conduct business, worship and fellowship together. This was approved.
6. Program Chairman, Kenneth Lambert, pastor at Memorial Church, announced two changes in the program as printed. With these two changes a motion was made to adopt the printed program as guidelines for these sessions. This was approved.
7. Motion was made to approve all reports as a block. This was seconded and approved.
8. Lowell Brown recognized pastors who have come into the Association since the last Annual Session, asking them to stand as their name was called: Delane and Darlene Burris, pastor at Fairview; Lee and Penny Church, pastor at Union Grove; Glenn and Cindy Johnson, at Prospect – first serving as interim. Charles and Suzanne Royal, Associate at Albemarle First.
9. Guests were recognized: Jim Murphy from the Baptist Hospital, Keith Tucker from Wingate College.

10. Lowell Brown introduced the speaker, Rev. Michael Whitson, pastor at Indian Trail Baptist Church. He graduated from Slater-Marietta High School. Received AA degree from North Greenville Junior College, the B.A. degree from Furman University. Before going to First Baptist Church of Indian Trail in 1983, he served the River Falls Baptist Church and the Groveland Baptist Church. Since being led to First Baptist Church, Indian Trail, he has had the privilege of baptizing 1,895. The total membership has increased from 446 to 3,399, and the Sunday School weekly attendance has increased from 209 to a weekly average of about 1,383.
11. Special Music — Alison Burris. Alison directs the children's choir, sings in the adult choir, and teaches Sunday School at Big Lick Baptist Church, where her father, Larry Linker, pastored for 27 years. She and her husband, Randy, have twin 3-year old daughters and a 2-year-old daughter. Alison had a year of music training at Newberry College in SC and completed a Sociology degree at UNC-Charlotte. She has been playing the piano since she was five years old. Alison played and sang *"Yesterday"*. She then played, *"Because He Lives"*.
12. Rev. Michael Whitson spoke from Acts 1:8.

    The church should go to an unsaved world, not expect the unsaved to come to the church. Evangelism should be the first work of the church. Salvation is the job of everyone.

    The last words of Jesus, *Ye shall be witnesses unto me.*

    There are 5 levels of witnessing.

    1. Silent way — (not so good)
    2. Incidental — for a wimp
    3. Inviting (don't stop being an inviting witness — invite to church BUT not just what God intended)
    4. Public witness (no problem whatsoever of standing before many people — but would not dare to witness)
    5. Genuine Witness — Being a bold witness

    Outward Compulsion:

    Those born between years 1910 and 1945 — 65% profess a relationship with Jesus.

    Born between 1945 and 1965 — 35%

    Born between 1965 and 1976 — 15%

    Between 1977 and 1994 (76 million people) 4% profess a personal relationship with Jesus.

    If we don't reach this generation they are going to die and go to hell, and America is doomed.

    When you have that fire within you you cannot stop witnessing for Jesus!
13. Dan Hazlett led in a prayer and then directed the two hymns: *"Blest Be the Tie"*, and *"Father, I Adore You"*.
14. Registration slips were collected.
15. The following reports were given:

18. Dr. Clay Warf was introduced. On April 13,1998, Dr. M. Clay Warf began a new ministry career when he became the fourth executive director of the North Carolina Baptist Foundation. After serving nearly 30 years as a pastor in Durham and Roxboro, he will now serve almost 1.2 million Baptists as the head of the oldest Baptist Foundation in the United States.

    Dr. Warf spoke on setting up endowments, setting up a trust, and the Give-It-Twice Fund. On our request, the Baptist Foundation will send information and/or a representative will come and talk with us.
19. Jim Murphy from the Baptist Hospital was recognized. He expressed thanks for the contributions through the Mother's Day Offering. He spoke about the new gamma gun the hospital now has to do brain surgery.
20. Keith Tucker from Wingate University, brought greetings and appreciation for the financial support shown by those from Stanly Association.
21. Dan Hazlett introduced Mrs. Alicia Smith who will present the special music. Alicia teaches Sunday School and serves on the Nursery Committee at Anderson Grove Church. Her husband, Scott, is head of the Human Services Program at Stanly Community College. She toured the east coast with *"His Proclaimers"*, a quintet evangelistic singing group from Piedmont Baptist College. While a student there, she received the Tennessee Association of Christian Schools, first place music award.
22. Dan Hazlett led the hymn, *"When the Roll Is Called Up Yonder."*

23. Mrs. Alicia Smith presented *"El Shaddai"*, and *"I Call Him Lord"*.
24. Rev. Lowell Brown, pastor at Bethlehem Church, gave the Moderator's Address, using Hebrews 13:1-8. Verse 8 is our theme for these sessions. It is imperative that we love each other. Worship affects our witness. We are taught by God to love one another. Love is so important in a marriage. Prayer strengthens the bonds of matrimony. Our conduct should be above reproach. We should not be depressed. God promises to do what is best for us and what will glorify Him.

    Jesus Christ the same yesterday, and today, and for ever.

    Pastors went to three pastors to express love and appreciation. Lay people went to their pastor.
25. Call to Prayer was led by Dr. Kinney Wallace. A special prayer was said for Rev. Mac Keck, our Associational Missionary, who is recuperating from a procedure for cancer of the prostate.
26. Announcements and thanksgiving were given by the host pastor, Dr. Kinney Wallace.
27. The session was dismissed to supper.
28. The choir of First Baptist Church, Locust, opened the evening session, singing, *"You Are Worthy"*.
29. The hymns, *"Rejoice Ye Pure In Heart"* and *"Worthy of Worship"* were sung.
30. Rev. Kenneth Lambert, presiding over the evening session, announced that at 7:05 pm 181 messengers had registered.
31. In the absence of Rev. Mac Keck, listed on the program to speak at this time, several of our people gave messages in song:

    Rev. Terry Burris — *"I Thirst"*.
    Rev. Dwight Mabry — *"People Need the Lord"* and *"The Next Time He Comes"*.
    Mrs. Vickie Brown and Mrs. Lanita Coley — *"Peace, Be Still"*, *"Hallelujah to the Lamb"*
32. Special music was brought by the choir from First Baptist Church, Locust — *"The Lord Is Alive"* and *"Blessed Be the Name"*.
33. The Annual Sermon was brought by Rev. Ronald Honeycutt, pastor at Anderson Grove Church.

    He read from Ephesians 4:1-16. The Apostle Paul in his prison Epistle to the church at Ephesus was preaching to the choir. The phrase, "preaching to the choir" means that we are preaching to the faithful ones of God's church. Messengers, you are the choir. You are the faithful members of your church and God has a word for you …

    So Choir …

    I. You Must Sing the Song of Zion — "Tell The World About Jesus"
    II. You Must Sing Your Parts — " Fulfill Your God Called Role"
    III. You Must Practice the Song You Sing — "Live With Spiritual Integrity"
    IV. You Must Follow Your Director — "Allow Jesus To Be Lord Of All".
34. Benediction was pronounced by Rev. Gene Sides, pastor at Antioch Church

Second Day

UNION GROVE BAPTIST CHURCH

Wednesday, October 27, 1999

35. The prelude was played by Mr. Grady McCroskey to open the evening session.
36. All joined to sing the hymn, *"Love Lifted Me"*.
37. Devotion and prayer was led by Rev. Reese English, pastor at Oak Grove Church. He read from the Book of Revelation 1:8. Jesus is Alpha and Omega, but what is between?
38. Place and Preacher — Dr. Doyle Holder

    Registration slips were collected.
39. Miscellaneous Business:

    Nominating Committee, Rev. Ronnie Vaughn, chairman of nominating committee presented the report and it was approved.

    Proposed budget presented by Rev. Ronald Honeycutt: Motion was made for adoption and was approved.

    Missions Development Council Chairman, Rev. Dwight Mabry. Presented the Vine Life Baptist Church who has requested becoming a part of the Association. Motion was made to accept this church under watchcare and was approved.
40. Dan Hazlett introduced Miss Claudette Burris, who will bring special music at this time. Claudette is a member of the adult choir at Mineral Springs Baptist Church, where she is involved in numerous church activities. She has sung with the Stanly County Chorale, the NC Singing Americans of Stanly County, and the choir that presented "The Story" at last year's Associational meeting. An employee of Stanly County Schools, she has been involved in many community activities.
41. Lowell Brown introduced Rev. Don Bouldin who will bring the Missionary Message in the absence of Rev. Milton Hollifield. Rev. Bouldin is the Executive leader of the Congregational Services Group at the Baptist State Convention of NC. He took courses at the Baptist Hospital in Nashville, TN, received a D.M. degree from Southeastern Baptist Theological Seminary in 1980. Earned a Masters Degree from New Orleans Baptist Theological Seminary. B.A. and M.A. from Baylor University in Texas.
42. Claudette Burris sang, *"How Beautiful"* and *"Each One Reach One"*.
43. Rev. Don Bouldin used as his text Matthew 9:35-10:1. We are called "People of the Book" so why do we not witness? We are to prepare God's people for service. Seven thousand churches did not baptize one person this past year. God calls for us to bring everyone to Christ, and to do that we need intentional evangelism. There is a need to go outside the church walls. God calls us to be the church outside. To enable us to do what God requires, we must love people.
44. Mission reports were given:

    North American Missions — Dr. Kinney Wallace

Resolutions

We, as members of the Southern Baptist Convention and the 115th Annual meeting of the Stanly Baptist Association, express gratitude to God, our Father, for the privilege of serving Him and His Kingdom. Therefore, let it be resolved that:

We say thank you to First Baptist Church, Locust, for opening their doors and their hearts in hosting our Tuesday session and providing a delicious meal.

We express our appreciation to Union Grove Baptist Church for hosting our Wednesday morning session.

We express our gratitude to our Associational Committees and officers for their hard work and direction. A special thank you to Mrs. Alda Miller for her years of service as clerk and secretary, and for the many hours of hard work in preparing the Book of Reports.

We also express a special "thank you" and commend our Moderator, Vice Moderator, Music Director, Instrumentalists, Special Singers, and Program Committee for a job well done.

We also express our appreciation to Rev. Mac Keck and ask that all messengers and all Baptists of the Stanly Baptist Association extend to him a warm appreciation as our Associational Missionary, for his leadership of the Stanly Baptist Association.

We also express our appreciation to Rev. Ron Honeycutt of Anderson Grove Baptist Church, and Rev. Steve Tucker of Mountain View Baptist Church for the shared Word of God we received with glad hearts during our Tuesday and Wednesday sessions of the Stanly Baptist Association.

Annuity Board

Rev. Farrell Shimpock

The Board exists to help participants ensure their security in old age. No one can save enough money to live comfortably in retirement without solid investment returns.

The Church Annuity Board plan is a retirement plan designed for pastors, other ministers and eligible employees. It is administered by the Annuity Board in partnership with state conventions.

Those who delay or make inconsistent contributions face the risk of reaching old age in less than adequate financial condition. In 1998, the Annuity Board paid over $389 million in retirement benefits. Unfortunately, nearly 10,000 retired ministers or their widows received no more than $200 a month in benefits.

The Southern Baptist Convention Cooperative Program provides more than $1 million annually that is distributed in relief payments to some 700 couples or individuals in desperate financial need. The Annuity Board adds an equal amount from the Retired Ministers' Support Fund, and another $2.5 million in Adopt An Annuitant benefits. Every cent given for Relief or Adopt An Annuitant finds its way to a needy person or couple.

The Annuity Board paid more than $108 million in insurance benefits last year, preventing financial disasters to persons and families stricken with illness, disability, accident or death.

BAPTIST STATE CONVENTION OF NORTH CAROLINA
STATISTICS AS OF JULY 31, 1998:

Number of active participants in Church Annuity Plan:	4,172
Percentage of churches active in Church Annuity Plan:	60%
Number of persons receiving retirement benefits:	2,747
Number helped by the Adopt An Annuitant and Relief Ministries:	372

Baptist Children's Homes of North Carolina

Rev. Gary Hoffman

North Carolina operates thirteen different facilities for people with needs in our state. There is a home in Franklin for girls. Each of these homes is a ministry of caring and love. There are children abused and hurt at the hands of an abusive father or mother. Often alcohol and drugs has a strong part in the abuse. Children are threatened at the hands of those who should love and protect them.

Mills Home in Thomasville is the one most of us know more about. These precious children are treated as family and often raised to their maturity while attending the schools. They often have living parents who will not or cannot care for them and the Baptists of North Carolina shower their love upon them. Churches of the area give tremendously during the year to care for them. At Christmas time churches send enough gifts to almost shadow the Christmas trees in the cottages.

For those of us who were raised in a Christian home with love and kindness, our love goes out to these who are hurt and wounded. Baptist Children's Homes serve families who "can't take it anymore", who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through thirteen facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston, and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crises cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis on "Quality Service Through Quality Relationships". Michael C. Blackwell, president since 1983, is "committed to keeping our staff and services fresh and vital to meet ever changing needs." The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program, and effort within the institution and without.

On May 4 at Cameron Boys Camp, two important staff lodges were dedicated: A. J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in a wilderness setting in which Cameron Boys Camp operates.

NC's largest family is grateful to our NC Baptist partners, as together, we help hurting children and heal broken families. To secure the new video about BCH, schedule a speaker, or access services call 800-476-3669. To those who have enjoyed "Charity and Children" through the years, we get a report of the smiling faces and love given

to the children as a substitute mother and father.

Recently the BCH received a grant of $135,905 from the Duke endowment. There are needs that even the best of parents cannot give, but the NC Baptists are ready to meet the need.

The North Carolina Baptist Hospitals, Inc.

Rev. Otis Goins

In May of 1999, The North Carolina Baptist Hospitals, Inc. celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Churches from all across North Carolina joined in mutual mission through the Mother's Day Offering. This annual ingathering was approved by the State Convention in 1924. In 1998 the offering amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other way to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in NC.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. (See the report on the Baptist Counseling Center of Stanly County, page # Book of Reports, for information of the Association's Counseling Center.) During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

With more than 11,000 employees, the Center has been called a city-within-a-city. The NC Baptist Hospitals, Inc., has opened *Best Health,* a community health information center, at Hanes Mall.

The NC Baptist Hospitals will have the only Gamma Knife in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision.

The Medical Center has the only designated Level I Trauma Center for northwest NC. The Center is working with Motor Racing Outreach to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing drivers, crews and families.

The Hospital is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of U.S. *News & World Report.* The 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

Wake Forest University Baptist Medical Center offers a new treatment for epilepsy — a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

The Hospital is no longer thought of as just a referral hospital where the most severe medical cases are received. People have learned through the years to expect the very best in health care. The Hospital is committed to make sure their highest expectations are met or exceeded.

Baptist Men

Rev. Kenneth Lambert

I praise and give thanksgiving to the Lord for your cooperation and team spirit in promoting a mission spirit through the Baptist Men.

May the Lord bless and reward all of you for your prayers and labor of love to help us to bring the North Carolina Medical Dental Unit to Norwood this year.

We had 21 people come and take advantage of the unit. The driver of the unit said this was a good response for the first time. Thanks to the WMU and Baptist Men and RA leaders who were a part of the joint WMU, Baptist Men Training on Monday, September 13th at East Albemarle Baptist Church. I also want to thank you for your assistance and help with the meal at the Taylor House on Tuesday evening, September 14th.

Our prayers continue to be with the victims of Hurricane Floyd. Disaster relief work will continue in the eastern part of the state for quite some time. If you would be available to join these disaster relief efforts, even for a short period of time, please contact Cletus Whitley.

Again, may the Lord bless you. The love of Christ is shining through you.

Baptist Retirement Homes

Rev. Robert Ellis

"Lord ... you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."

– Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

"... You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

"... The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

"... Surely I have a delightful inheritance."

The Taylor House is a part of Stanly County and our Association since 1954. At the time of this writing, Taylor House was only at two-thirds of its capacity of thirty residents. It is one of the finest assisted care facilities that I have seen. It is not just an assisted care facility, but a home to its residents. They have one of the finest staffs in the area, and they extend care far above and beyond the basic standards. They are family. Let us continue as Stanly Association Baptists to support Taylor House.

Biblical Recorder

by Phillip L. Hunter

For more than a century and a half, the *Biblical Recorder* has recorded Baptist life in North Carolina and around the world. The paper traces its heritage to 1833, when Thomas Meredith founded the state Baptist paper in North Carolina. Meredith, a preacher, writer and denominational statesman, first started printing the paper under the name *Baptist Interpreter.*

Meredith introduced the *Biblical Recorder and Journal of Passing Events* in January 1834. A year later, the name was shortened to the *Biblical Recorder*. Meredith edited the paper from New Bern, where he was the pastor of First Baptist Church. In 1838, Meredith and the paper moved to Raleigh, where its offices are still located.

The *Recorder* was purchased by the Baptist State Convention of North Carolina in 1938. The paper is now one of 12 agencies and institutions affiliated with the Baptist State Convention. The *Recorder* is operated through a board of 16 directors who hold in trust the assets of the paper. Today, the paper has a circulation of more than 50,000. It goes to all 100 counties in North Carolina, 48 states and 39 foreign countries. The *Biblical Recorder* is printed weekly except for six weeks in the summer, a week around Easter and a week around Christmas. The following subscription plans are available:

One-year individual subscription — $10.60
Two-year individual subscription — $20.14
Three-year individual subscription — $28.62
Church club rate (four or more subscriptions) — $8.48 per subscription
Church every home rate (subscriptions equal at least 20% of its resident membership — $7.42

A church that prints its newsletter through the *Biblical Recorder*, can get subscriptions to the Recorder for even less.

Christian Higher Education

Rev. Tab Whitley

"N.C. Baptists have been involved in Christian higher education since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for the *Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pas-

tors, staff ministers, and layleaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregations growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities.

The above is taken from a report by the Council on Christian Higher Education, PO Box 1107, Cary, NC 27512-1107/800-395-5102.

Christian Life and Public Affairs

Rev. Grady Taylor

The Christian Action League of North Carolina serves the churches and associations of North Carolina by informing us about moral issues via e-mail, fax networks, church and civic club presentations. The present Executive Director is the Reverend Johnny Henderson. The mailing address of the Christian Action League is 6339 Glenwood Avenue, Ste. 442, Raleigh, NC 27612, (919) 787-0606. The following is a brief overview of their 1999 annual report.

Christian Values: It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation.

Gambling: Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. Lawmakers have received a barrage of communications from across the state that the lottery is bad for North Carolina.

Sex Education: The league worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented statewide.

Abortion: CAL promoted SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late term procedure. This bill died in committee.

Alcohol: CAL monitored all legislation concerning alcohol and drugs. Successfully supported to strengthen DWI laws. Provided awareness, education, and resource

materials related to substance abuse to churches and the community.

Pornography: Worked against HB 1248 which would allow individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political or scientific value. The bill died in committee.

Homosexuality: CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda.

Counseling Center

Rev. Harold L. McDonald

We are most fortunate to have the Baptist Counseling Center in our Association. The center continues to minister to a large number of people in our county. During the year beginning July 1, 1998 and ending June 30, 1999, the Counseling Center had a total of 344 counseling hours available. Of these, 322 were actually utilized. The average subsidy per person paid by the Stanly Baptist Association was $5.70, down from an average of $10.00 per person the year before.

Gary McFarland continues to provide excellent Christian counseling for the people of Stanly County. He has a solid background for such counseling with a Master of Divinity degree from Southeastern Baptist Theological Seminary and two years of Clinical pastoral Education through Baptist Hospital. In addition, he completed a two-year Pastoral Counseling Residency through a center of the North Carolina Baptist Hospital.

A growing number of people each year are taking advantage of the counseling services provided by our Baptist Counseling Center and we continue to be proud of the service we are able to provide through the center.

Director of Missions

Rev. Mac Keck

I have witnessed a wonderful spirit among our volunteers this year and I want to say a hearty thank you from the Association to every one who volunteered and served in any way with the ongoing work of the Association. It is you who makes possible the ministry and missions effort that is achieved through our Association. I also want to thank our churches who have supported the work of the Association through their gifts God has blessed us through your giving and is making it possible for us to be able to consider some areas of missions and ministry that we have never considered before.

I have asked that the Nominating Committee bring names to this annual meeting of some who would form an exploratory committee to do a study with input from members of our churches and come back to us with some recommendations on how to use the money that we have on hand that God has blessed us with. Some of the things that I have proposed for consideration are: an Evangelistic Crusade, Scholarship Fund, Mission Volunteer Fund, Disaster Relief Fund, Land & Building for an Associational Retreat Center, Land for a future Mission location, Prison ministry, Hispanic ministry and other language ministries. We would like to hear ideas from you as well and the committee will be asking for your input.

It has been a year that has had the expected numbers of meetings with our various

committees, pastors, and individuals. In addition to these each Tuesday there is a breakfast meeting for pastors in the Locust and surrounding area and on Wednesday there is a breakfast meeting for pastors and wives in the Albemarle and surrounding area. Some of the other meetings during the year were: luncheon meeting with a Wingate University Representative, Gideon Banquet for pastors, Cameron Boys Camp, Dinner and Speaker in the Association with the Baptist Foundation, NC Baptist State Convention, Director of Missions Conference Officers at Caraway (I served as Secretary this past year), Christmas Dinner with Pastors and Wives, Director of Missions and General Board Meeting, Evangelism Conference of the Baptist State Convention, Met with VineLife Church Pastor and Members to talk with them about coming under the watchcare of the Association, with Crossfire Ministries (Asheville, NC) along with representatives from other Associations to plan an evangelistic effort at Pfeiffer University, WMU Annual Meeting, VBS Clinic, Senior Adult Trip to Mount Airy, did not attend the Southern Baptist Convention but made the first trip to the doctor at Baptist Hospital which led to the discovery of cancer, Director of Missions Officers & Committees at Caraway, Director of Missions & Associational Missionaries Annual Meeting at Caraway, Dental/Medical Van in Norwood, Pastors' Wives Support Group Meeting at Association Office with Betsy McSwain of the WMU of the Baptist State Convention, and Deacon Conference at Pleasant Grove Church.

It would take too much space to list everything but this gives you some idea of some of the activities of the year. Perhaps one of the highlights of the year would be on September 27th as I witnessed numbers of people from our churches bringing items for those who had been affected by Hurricane Floyd. We had a large amount of donations (it took two large U-Haul trucks) as well as a large number of volunteers who stayed to help box and load the items. I praise God for your love and willingness to open your hearts to help those in need.

Discipleship Training

Rev. Jon D. Hoey

This opportunity within our association has again been greatly ignored. None of our 62 churches requested training this year and only three (Centerview, Kinza Memorial and Highland) took advantage of our annual Bible drills in April. Inez Vaughn once again directed this ministry admirably.

If we want to be blessed by the Father, we need to emulate the Son. If we truly want to be like Christ we need to take seriously opportunities to be trained up in the Wisdom of His Word and by personal example direct our children in like manner.

Evangelism

Rev. Grady Taylor

The North Carolina State Convention has a goal of presenting the Gospel to every individual in North America by the year 2000. "As we approach the year 2000 people are going to be climatized for evangelism. There is a spiritual hunger in North America. People are searching for Jesus Christ, but are looking in all the wrong places. With relationships, money, power, sex — even some forms of alcohol and drugs — people are searching to fill that God-shaped vacuum. They are looking for Jesus Christ" (Celebrate 2000 Church Participation Manual).

As we approach the new millennium, our thoughts are focused on the potential Y2K problem. Many have over reacted to this issue while others have completely ignored its potential problems. As Christians we should use this issue as an opportunity to share our faith and the "Good News" about Jesus Christ. Another phenomenon that is rising is the interest in Biblical Prophecy. New books appear almost monthly concerning this subject. Again, people are searching for answers and looking for hope! We have the answers and the hope in Jesus Christ. As an association of churches, may we join together to reach our community through cooperative efforts, shared resources and strategic planning. "Share Jesus Now!"

Executive Committee

Rev. Kenneth Lambert

On behalf of Brother Mac Keck and the Stanly Baptist Association, I extend words of deep appreciation to all the churches, pastors, committee members and lay people in the Association for your cooperation and support and participation in the Executive Committee meetings this year. May the Lord bless you and reward you for your caring leadership to strength the ministry of the churches and the Stanly Baptist Association.

Some of the actions of the Stanly Baptist Association that you help make possible includes the following:

This past January, the motion was made to purchase a pager at a cost of $55.00 plus tax from the telephone company. There will be a monthly charge of $9.95. This will cover North and South Carolina. The pager takes the place of Brother Mac's cell phone. If you should need him for an emergency, call 984-5880.

In the April Executive Committee meeting, Rev. Mac Keck asked that his title be changed from "Director of Missions" to "Associational Missionary." The motion was made and seconded and approved. This title is more descriptive of the ministry for Brother Mac.

A motion also was made and seconded and approved to send $1,200.00 to the Cents Ministry.

A motion was made, seconded and approved to send $5,000.00 to Kosovo to assist with the urgent, critical needs of the people.

Joyce Whitley, representative of the Advisory Council to the Counseling Center, gave options concerning our Counseling Center. Recommendations from the Advisory Counsel was to stay with the Baptist Hospital. This was seconded and approved.

In the September meeting of the Executive Committee, a motion was made, seconded and approved to make an amendment to the proposed budget that $1,000 be designated to assist the WMU in the Association.

A motion was made, seconded and approved to give $5,000 to the Hurricane Floyd relief efforts in eastern North Carolina.

A motion was made, seconded and approved that the Nominating Committee have five to seven names for a committee to do a study of ministry needs in the Association and bring back a report to the Annual Association.

Some of the things listed to be considered are as follows: Evangelistic crusade, scholarship fund, mission volunteer fund, disaster relief fund, land and building for an associational retreat center, and land for a future church mission location, prison ministry, Hispanic ministry, part-time staff worker, battered women's shelter, home for

unwed mothers. If you know of other areas you would like for the association to consider, please contact the associational office or contact the associational study committee that will be responsible for prayerfully exploring areas of needed ministry for the association.

Brother Phillip Hunter, Chairman of the Charter and By-Laws Committee, presented a motion to ask the Nominating Committee have a slate of nominees for the Charter and By-Laws Committee and the Committee on Committees for presentation at the Stanly Baptist Annual Associational meeting contingent upon the adoption of the amendments shared in the Executive Meeting. The motion was made, seconded and approved.

Brother Dwight Mabry, chairman of the Missions Committee, made a motion to accept VineLife Baptist Church under the watchcare of the Association. This was seconded and approved to take to the Annual Stanly Baptist Associational Meeting in October of 1999.

General Board

Mr. C. Wayne Mabry

It is an honor to be able to participate in the 115th Annual Session of the Stanly Baptist Association, especially as it will be the last one of this century.

1999 has been a busy year for the General Board of the Baptist State Convention of North Carolina. Evidence of love, trust and understanding has been displayed abundantly by members of the General Board from all across our great state of North Carolina.

This is the fourth and final year of my term on the General Board, and I appreciate the opportunity that has been mine to meet and serve with such fine dedicated Christians, whose love for God is so evidently displayed. Even though I will miss being a member, I am thankful that someone else will have the opportunity to experience the pleasure to serve in this capacity.

It is a pleasure to report again, that as a member of the Business Management Committee, and chairman of the Audit/Contingency Committee, that the employees of our Baptist State Convention are good stewards of the gifts that are entrusted to them by our fellow church members. Their devotion to our Baptist cause is beyond reproach.

Even though I am rotating off the General Board, I look forward to attending and participating in many more annual Stanly Baptist Association meetings.

International Mission Board

"The Unfinished Task: Loving the Lost"

By: Rev. Kenneth Lambert

In 1998, Southern Baptists excelled in the challenge to spread the gospel of Jesus Christ. Unprecedented numbers of Christians responded to God's call to serve through the International Missions Board as career missionaries, to offer two years for mission service, to participate in global volunteer projects and to support missions through sacrificial giving.

By the end of September of this year (1999), 4,762 missionaries were under appointment through International Mission Board, serving among people groups in 124 countries.

The Week of Prayer for International Missions this year is November 28-December 5. The mission study will be "The Unfinished Task: Loving the Lost". With 1.7 billion people living in The Last Frontier — that area of the world with little or no access to the gospel, there are a great number of lost people who desperately need to know the saving grace of Jesus' love.

We praise and give thanksgiving to the Lord for you and your church family's cooperative team spirit to pray and promote and encourage your church family to give generously and sacrificially to the Lottie Moon Christmas Offering for International Missions. The Southern Baptist Convention goal this year is $125 million. May the Lord bless and reward you for joining your sister churches in helping to carry out Christ's Great Commission.

Literacy Missions

Mrs. Susan Brooks

Our Association continues to have volunteers actively working in the area of literacy missions. These volunteers have been busy helping Hispanics in our area to learn English. We are given opportunities to witness through this ministry. Our prayer is that God will open new doors to us for the coming year. God has brought a mission field to us, let us go out and serve.

This past year Conversational English classes were conducted on Saturday nights at First Baptist Church in Locust. We appreciate them allowing us to use their building for this ministry.

This is a very rewarding ministry and we are grateful for each dedicated volunteer. These people give of their time and talents constantly. They show Christian love through their actions.

We ask that you all pray for God's guidance and blessings on this ministry for the coming year.

Missions Development Council

Rev. Dwight Mabry

Upon the request of Vine Life Baptist Church (September 1998) the Missions Development Committee met with Rev. Gary Hunsucker and members of the church. After a brief period of questions and answers the Missions Development Council voted unanimously to present Vine Life Baptist Church to the Associational Executive Committee. On Monday, September 20, 1999, the Missions Development Council recommended to the Association Executive Committee that Vine Life Baptist Church be presented at the Annual Association Meeting, October 26th and 27th. With approval of messengers of our Annual Session, Vine Life Baptist Church will be placed under the watchcare of the Stanly Baptist Association for a period of one year (1999-2000). The Associational Executive Committee voted unanimously to accept these recommendations.

Music

Mr. Dan Hazlett

The highlight of the past year for our Association music was definitely the cantata, "The Story" at last year's Association meeting. Again, special thanks go to Organist Ardyth Lanier, Pianist Leesa Bell, and Narrators Gayle and Jon Hoey for their special contributions to the evening. Fifty singers from Poplin Grove, Lakeview, Anderson Grove, Grace, Mission, Canton, Mineral Springs, West Albemarle, Harmony, North Albemarle, Kendalls, Richfield, and South Albemarle practiced on Saturday mornings and Sunday afternoons to make the Tuesday evening service a time of worship and inspiration.

Music is an important part of our fellowship, worship, and outreach; the Association expresses appreciation to those who work with adult, youth, and children's choirs and those many volunteers who give of their talents to be a part of our local church choirs.

On a personal note, I want to say thanks for the pleasure of working with the Association leaders over the past three years as Music Director. I've enjoyed talking and sharing with many of our local church musicians. (I am sorry I haven't been able to "find" pianists and organists for those of you who called! Let's keep encouraging those young folks in our churches to take piano lessons and then use them to play during the preludes and offertories; even if they play the most simple music, their abilities will grow and they'll learn not to be nervous playing at church.) Susie Austin from Pleasant Grove will begin serving in the Music Director capacity this year, and I know we'll all be blessed by her talents. Again, the opportunity to work with the Association music has been very meaningful to me at this particular time, and I appreciate the support of our musicians throughout the Association and, of course, my music family (and Ron!) at Anderson Grove.

As several of us have talked over the past three years, let us continue to look for ways to reach out to our communities. Whether it's taking the choir to the mall at Christmas or to a nursing home on a Sunday afternoon, anything we can do that catches people's attention becomes a form of witness.

As the hymn says, "We've a story to tell to the nations.' It is often eloquently told in spoken words, but it is also often beautifully expressed in music. Best wishes to each of our directors, accompanists, and choir members as you sing His story at your church and in your community.

North American Mission Board, SBC

Dr. Kinney L. Wallace

Our God is moving mightily through our NAMB team. We are commissioning more missionaries, putting more money on the mission field, and starting new ministries to reach North America for Christ. Last year the Cooperative Program and Annie Armstrong Easter Offering were the largest in history. We now have 4,800 missionaries, 2,900 chaplains and 75,000 volunteers. Some of their accomplishments are:

REACHING PEOPLE FOR CHRIST

3,500 teenagers are accepting Christ every month through First Priority programs. 3,000 accepted Christ during Crossover Metro Atlanta, and 10,700 responded to the evangelistic media campaign. 200 people accept Christ monthly through the Family

Theater from NAMB's Family net television network. NAMB's new web sites are thegoodnews.org, kidzplace.org for children, and studentz.com for teens.

NAMB is now aggressively seeking to start 2,800 churches per year. 1,000 in Canada, as soon as possible. The Nehemiah Project has placed a NAMB missionary on each SBC seminary campus to serve as church planting professors, especially in Canada.

2,445 long term volunteers served through the Mission Service Corps and 25,000 student volunteers led 2,300 people to Christ. 13,500 World Changers led 918 people to Christ in renewed intentional evangelism. 4,000 disaster relief volunteers responded to 30 situations and served 2 million meals. The NAMB and SBC churches are also seeking to reach inner cities beginning with Chicago and Phoenix in 2000, Boston and Las Vegas in 2001, and Philadelphia and Seattle in 2002. Pray that God will continue to bless and use all of us to reach a lost world for Christ.

The North Carolina Baptist Foundation, Inc.

Rev. Bobby Mowery

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling $1.4 million and received $3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some $639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund, and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held $80,894,628 under management. This is an increase of more than $8 million over 1997. During 1998, $1,741,923 was distributed to individuals and $2,772,599 to Baptist work for a total distribution of $4,514,522. During the 79-year history of the North Carolina Baptist Foundation, Inc., $14,217,160 has been distributed to individuals and $22,305,008 to Baptist Churches, institutions and mission causes for a grand historical total of $36,522,168.

North Carolina Missions Offering

by Phillip L. Hunter

Baptist Executive Director-treasurer, Jim Royston, reported the following in the September 4, 1999, issue of the *Biblical Recorder:* "... only about one-half of our state's population belongs to any church or synagogue (we don't have figures on how many of the 'church-member half' attend worship with any regularity). Of our 1.2 million N.C. Baptists, less than one-third were in worship last Sunday. Even at Easter and Christmas, we see only about one-half of those on our membership rolls. The ratio of population to church members gets even worse when you compare those under age 40 living in urban or resort areas. Simply stated, we all live on the mission field."

The North Carolina Missions Offering is one means by which North Carolina Baptists try to minister to this need. The 1999 North Carolina Missions Offering's theme has been "we are the Hands of God'. The 1999 North Carolina Missions Offering goal is $2.4 million.

Consider what this Missions Offering will seek to support: the WMU's and Baptist Men's budgets, North Carolina medical/dental teams, Project Help: Violence, new church planting , North Carolina Baptist Men's disaster relief, special population (deaf, blind, mentally handicapped) ministries, North Carolina Christian Women's Job Corps, North Carolina Baptist language ministries and prison programs and ministries. One final benefit of the North Carolina Missions Offering is that 10% of an Association's North Carolina Missions Offering is returned to that Association for local missions.

During 1998, 43 churches of the Stanly Baptist Association, Inc. gave $59,425.00 to the North Carolina Missions Offering. Nineteen churches of the Stanly Baptist Association did not support the North Carolina Missions Offering. Let us pray that from this time forward, that all of Stanly Baptist Association's member churches will support this most important missions offering.

Ordination Advisory Committee

Rev. Otis Goins

The Ordination Advisory Committee for the Stanly Baptist Association met February 22, 1999 to question Delane Burris for the Gospel ministry. This was done at the request of Poplins Grove Church. After questioning, the committee recommended the ordination take place. An ordination was held, and Delane Burris is now serving as Pastor at the Fairview Baptist Church.

Prayer Committee

Rev. Mac Keck

During this past year one of our members, Rev. Danny Laws, accepted a church outside the Association and so he came off the prayer committee. He has been replaced by Rev. Joe Smith, pastor of West Oakboro Church. Joe has been a very faithful and active member of the committee and we have enjoyed his participation and presence.

The representation on this committee is composed of members of six different churches from across the country. Four ministers and two laymen plus the moderator and the Associational Missionary. Our scheduled meetings are once a month.

While our purpose for meeting is to pray for the work of the Association, the

programs, the directors, the pastors and churches, we put great emphasis on praying for revival and spiritual awakening. We believe that this is something that when it happens will issue in changes that will be a blessing to our county and those who reside here.

We also pray for specific people and their needs. I believe that I speak for the committee when I say that if at any time you have a special prayer request any member would be glad to listen to your request and share it with our committee. Also, even though you are not a member of this committee we invite you to come if you so desire and pray with us for the various requests. You simply need to call the office and make sure of when the next meeting is scheduled. I believe you will be blessed if you should decide to come and share in this time. Our committee does not in any way seek to take the place of prayer at our churches but rather our effort is simply to join with our churches in making certain needs known to our Heavenly Father.

Seminary Extension

Rev. Tab Whitley

Since the years following World War II, Southern Baptists have been keenly aware of the need for its pastors and lay leaders to have appropriate Biblical training. In 1950 Southern, Southwestern, and New Orleans seminaries voted to establish the Seminary Extension Department to meet the needs of the nearly one-third of Southern Baptist pastors who had no education past high school.

By 1960 more than 3,000 students were enrolled in some form of the Seminary Extension program. From the first, the seminaries themselves were the primary sponsoring agencies for the extension programs. Today all six SBC seminary presidents constitute the Seminary Extension governing board. Many of the Seminary Extension course materials are written by faculty members from those same seminaries.

The Seminary Extension Mission Statement reads, "Seminary Extension provides a Christian educational ministry of excellent quality to church leaders and members where they live." This year we in the Stanly Association attempted to offer two courses at our certified training site. The two courses which we presented to members of our association were, Understanding the Bible and Formation For Ministry. Unfortunately there was not enough interest at the time to warrant offering either of these courses.

It is our hope to offer these two courses again in the Spring Semester. We ask that each pastor share with his lay leaders and staff the unique opportunity which is theirs through Seminary Extension. For any pastors or staff who need additional training and credit toward degree programs, please check out Seminary Extension for both its value and its affordability.

Senior Adults

Rev. Reese Linnell

The purpose of our Associational Senior Adult leadership is to provide ministry to and by the senior adults in our churches and community. This ministry should include fellowship, discipleship, worship, service, and evangelism. It is also a function of this ministry to assist churches in establishing, revitalizing, or simply enriching their own senior adult ministry program.

In the past year we have begun some of the work necessary to achieve the goals of this ministry. Our most successful attempt came during a one-day bus trip to Mt. Airy, NC in May. We had 42 participants travel together for a day of fellowship and sightseeing. There has also been limited work with individual churches seeking counsel for their senior adult ministry in the local church.

I continue to be open to your ideas and assistance, as well as available to assist your church individually. Churches are encouraged to actively plan and do senior adult ministries, and individuals are encouraged to participate in your local church and Associational activities.

Stewardship Committee

Rev. Ron Honeycutt

A sensitive little boy received ten shiny silver dollars on this birthday. The child was very appreciative. He immediately sat down on the floor and spread the coins before him. Then he began to plan how to use the money. He set aside the first dollar saying, "This one is for Jesus." He then went on to decide what to do with the second, and so on until he came to the last dollar. The little boy said of the last dollar, "This one is for Jesus." The boy's mother interrupted, "But I thought you gave the first dollar to Jesus." " I did," the boy replied. "The first one really belongs to him, but this one is a gift to him from me."

The little boy understood the truth and the power of God's word. **"It is more blessed to give than it is to receive."** He understood that the tithe belongs to the Lord and that it is good to bring our offerings (that which is over and above the tithe) to the Lord as well. Sadly, many in the church today have forgotten or either neglect this powerful truth for which the little boy knew so very well.

Your Stewardship Committee gives thanks to God for you and your church and the fact that you have not forgotten this wonderful truth of our Lord. We encourage you to be good personal stewards as well as Christian Family stewards of all that God has given you. It is indeed **"more blessed to give than it is to receive."**

It is with gratitude to God for His goodness and with gratitude for your faithful giving that your Stewardship Committee recommends to you the 1999-2000 Budget which reflects a 3.4% increase above the previous year's Budget.

Sunday School

Rev. Dan W. Abernathy

The Associational Sunday School Team delivered a copy of the 1999 Sunday School Plan Book to every church. The title of this Plan Book was "Building Great Commission Sunday Schools". The material in this book is very good and we hope much of it was used by every church. The emphasis was to do more in Reaching People with God's Message of Salvation and Spiritual Growth.

Funds were cut back by the convention so that there were no state training conferences. We did not have an associational training event this year. Yet, it is hoped that each church provided help for its Sunday School leadership.

We had a full team of Vacation Bible School leaders. This team attended a leadership conference and then led in an associational Vacation Bible School Clinic. The

meeting was held at Anderson Grove Church on May 6th. There was a good group of people from our churches. The theme, "Mt. Extreme" was a good tool to reach hundreds of people for Christian living.

We thank every church for its concern in Teaching God's Word and Training in Christian principles. We live in a time when people need hope and eternal values.

Volunteerism

Rev. Mac Keck

As we remember those in the association who have volunteered for missions this past year, we would like to list the churches we know about. There are possibly others who have participated, and we would still like to hear from them so we can include them in the special issue of the Newsletter:

South Albemarle, Centerview, Kinza Memorial and Locust First participated in a Backyard Bible Club at Morgan Mobile Home Park.

Groups from our churches have gone on mission trips through the North American Mission Board: Anderson Grove to Washington, DC — North Albemarle to Asheville, NC — Prospect to Tampa Bay, FL — Albemarle First to Warrenton, VA, and Lakeview to Rochester, NY.

Through the International Mission Board, several of our churches served in St. Lucia (led by the pastor at South Albemarle), Romania (Paul's Crossing), Hondurus (Mission Church), and Haiti (Locust First and Bethel).

Here at home volunteers have been giving their all. On Monday, July 26th, the Medical/Dental Unit came to the Norwood Elementary School. The Medical/Dental Unit is a ministry of the North Carolina Baptist Men in cooperation with the Baptist Associations in North Carolina. Over 30 men and women throughout the county set-up the unit and then helped maintain it.

Volunteers made dolls and stuffed bears to be given to the children. Health kits were made to give to the adults. Hispanic Testaments were given to both children and adults. Dr. Hall and Jeff Chance, PA, donated their time to see the 20 some clients that came for assistance. Meals were provided by Mazatlan Restaurant and churches in the South Stanly area.

On Monday, September 27th, the parking lot at the Associational Center was full of cars, pick-ups, covered trucks, vans and trailers. All of them were full of canned food and cleaning supplies for Hurricane Floyd victims. The word had gone out on Wednesday that a truck would be at the Association Center from 9:00-11:00 to be loaded for a warehouse in Raleigh and from there to the Eastern part of the state. It was hard work and most of the men were wet with perspiration — all of them were wet from the rain that continued. There was no way to count the volunteers or to estimate the amount of food and cleaning supplies on the first U-Haul truck that left about 11:00. There was so much more that a second truck was rented, filled, and on its way by 1:00. We thank Red Cross Church and First Baptist Church of Locust who took care of the rental fees.

We are truly thankful for the many volunteers we have in our Association. Without them we would not be able to obey the command of our Lord to love each other ...

Woman's Missionary Union

Mrs. Joyce C. Whitley

1998-1999 has been a year in which God's transforming power has been evident in our Associational work. We set goals and objectives again this year to try and bring together the resources of individual churches so that in joining together, we could better help those in our communities. The Taylor House, our many Nursing Homes, Pregnancy Resource Center, and Christian Ministries have all been recipients of your wonderful efforts this year. I have asked too much of each and every one of you this year, and you have responded with such wonderful openness and genuine Christian spirit.

Our Hispanic and low income population was touched by your love and involvement with the Medical/Dental Van. My involvement with the volunteers there was refreshing. I saw not just Baptists, but Christians of all denominations coming together to share God's love with others. What a blessing to be a part of a community of true believers.

God has transformed my life and witness through your many kind invitations to come and take part in your church fellowship and celebrations. I have received such great blessings from your endless efforts toward missions and your successes in striving to follow God's will by reaching out to those around you. Thank you for letting me come and share with you. One doesn't have to look far to know that God is alive and moving in Stanly County. Children, Youth, Adults, and Senior Citizens are all benefiting from the work that is going on in our individual churches. I thank God for you and your efforts.

Our emphasis this year was "Transformed". We combined our Leadership Training again this year with the Brotherhood. I thank West Albemarle for graciously allowing us to use their facilities for this training. In March we had our first "snack and yak" sharing time. Attendance was slim, but we accomplished a lot. Maybe with less illness and a regular date on the calendar, we can increase our attendance. Thank you to Grace for allowing us to meet in their Sunday School building.

Our Annual Session was held at Kendalls Baptist Church on April 26th. Mrs. Phyllis Foy brought the message and kept everyone laughing as she gave us a glimpse of her life and ministry. We could all relate to her message. Susie Austin, Regina Barbee, and Starla Whitley from Pleasant Grove blessed us with their testimony in song. Joy Greene accompanied on the piano. Approximately 75 people were in attendance.

In May, I attended Key Leadership at Ridgecrest and in July the state Workshop at Caraway. Throughout this year God's transforming power has been at work in my life. I pray that each of you open yourselves up and listen to what God is asking of you.

Our training session at East Albemarle was well attended. We had approximately 70 ladies in attendance. Thank you to Pastor Gore and his congregation for letting us use their facilities.

The Taylor House picnic in September was another success. Thank you to all the WMU groups that furnished cakes and cookies for the event. It was a great time of fellowship and the folks at the Taylor House were so pleased to meet many of you. Your prayers have caused many to respond to the needs of the Taylor House. Applications for residency have increased.

I cannot close without mentioning the great outpouring of support for our Women's Prison Ministry in December. We were blessed with over 5,000 packs of gum. Your

contributions not only went to the prison effort, but also to the Children's Homes, all area nursing homes, and the hospital. A special thank you to all the host churches, pastors, leadership team members, and dedicated workers that have opened their doors and their hearts to our Associational meetings this year and to the efforts of bringing Christ to everyone in Stanly County. May God continue to strengthen all of us to His service.

3. The Charter and Bylaws Committee provides the following item of information for the Stanly Baptist Association, Inc. There is a printing error in the 1998 Stanly Baptist Associational Annual. In the last portion of the first sentence, and in the first portion of the second sentence, the following words were omitted: "... all the members. The member against whom action is proposed ..." This is strictly a printing error. The Bylaw, in its complete form, was presented and adopted by Stanly Baptist Association, Inc.

Respectfully Submitted,
